Honorable Judge Mark A Henry and Members of the Commissioners' Court

Honorable Judge and Members of the Court

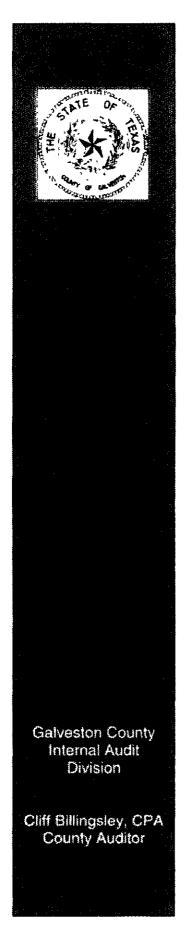

Attached for your consideration is the internal audit report of Justice of the Peace, Precinct 4 as required by Local Government Code (LGC) §115 The audit covered the period January 1, 2010 to December 31, 2010 Also attached is Honorable Judge Michael W. Nelson response letter dated September 6, 2011

Sincerely,

Cliff Billingsley, CPA County Auditor

cc Honorable Judge Michael W Nelson

Response Letter, Judge Michael W Nelson

Justice of the Peace, Precinct 4 Audit June 16, 2011

Introduction 1-2
Introduction 3
Detailed Information 4-8
General Information .9-10

Executive Summary

Reliability and Integrity of Information (page 4)

Nothing came to our attention during the audit to cause us to doubt the overall reliability
and integrity of the information. However, internal controls over dismissed cases can be
improved if the Judge notes and signs on the case jacket that the duplicate case has
been dismissed.

Safeguarding of Assets (pages 5-6)

- Safeguarding of assets can be improved as follows:
 - Secure the collections in a safe place at all times
 - Clerks' change funds should be counted as well as their collections during closeout.
 - Ensure all clerks' drawers have locks to secure the funds
 - Properly prepare bank reconciliations monthly with adequate support and submit to the Auditor's Office by the 15th of the following month
 - Replenish the shortage of \$191.40 in the bond account to meet the balance of the outstanding bonds
 - o Bonds should be deposited in a non-interest bearing account
 - Transfer \$400 45 of accrued interest to the County Treasurer as miscellaneous income
 - Escheat outstanding checks over three years old to the State Comptroller if the amount of the check is over \$100 00; escheat the checks to the County Treasurer if the amount of the check is less than \$100 00.
 - Forfeit bonds that have met the bond forfeiture conditions, refund bonds to defendants, transfer bonds to other courts, and correct the erroneous bond entries

Compliance with Statutes, Policies, and Procedures (pages 7-8)

- The Court should comply with the statutes by implementing the following recommendations
 - Utilize the Net Data "Re-calculate Private Collection Fee" feature when adjusting fines and fees Additionally, submit purchase requests by the 15th of the following month for the PC 30 fee collections
 - When deferring disposition, the Court should not assess a fine when the
 defendant complies with the Judge's requirement and credit a fine with
 community service only when the defendant performs community service work
 - Upon granting jail time credits, the Judge should sign the case jackets before the credits are recorded in Net Data. Additionally, to confirm the validity of the jail time credits, the Judge should periodically review the Net Data jail time receipt journal report and sign the report.
 - Acquire written pleas from defendants prior to granting and crediting jail time
 - Collect time payment fees only on payments that are made on or after 31 days from the judgment date

Executive Summary (continued)

General Information (pages 9-10)

- The County's portion of Justice of the Peace, Precinct 4's total annual collections has slightly increased from \$364,525 in 2006 to \$374,816 in 2010. The increase in collections is due to the increase in the number of cases collected.
- Case filings were increasing prior to Hurricane lke but have been declining since
 Hurricane lke. The total cases collected increased in 2007 but began to decline in 2008
 due to the effects of Hurricane lke. However, in 2010, case payments have increased
 over the Hurricane lke level.

Introduction

The Internal Audit Division conducted an internal audit of the Justice of the Peace, Precinct 4, as required by Local Government Code §115 0035 The internal audit covered the period January 01, 2010 through December 31, 2010. The audit was performed from February 08, 2011 through June 16, 2011

The primary objectives of the internal audit are to provide reasonable assurance concerning

- The reliability and integrity of the information
- The safeguarding of assets
- · Compliance with laws, regulations, contracts, policies, plans, and procedures
- The economical and efficient use of resources

The scope of the internal audit encompassed the financial records and administrative procedures related to the Justice of the Peace, Precinct 4. The internal audit included, but was not limited to, the books, accounts, reports, dockets, and records of the Justice of the Peace, Precinct 4.

The internal audit included examining transactions on a test basis, and required exercising judgment in the selection of such tests. As the internal audit was not a detailed examination of all transactions, there is a risk that errors or fraud were not detected during the internal audit. The official therefore retains the responsibility for the accuracy and completeness of the financial information.

Because of certain statutory duties required of the County Auditor, we are not independent with regard to the Justice of the Peace as defined by the AICPA professional standards. However, our internal audit was performed with objectivity and due professional care.

Yun Yap, Internal Auditor II, performed the audit

Reliability and Integrity of Information

Separation of Duties

One of the most important controls is to have proper separation of duties. No one person should authorize a transaction, record the transaction, and have custody of the assets

Citations

The auditor examined the accuracy of the information of the citations submitted by the Sheriff's Deputies that were entered in the Net Data system and found no material errors

Dismissals

The Court's policy for dismissals requires the Judge to sign the case jackets, authorizing the dismissed cases. In addition, the Judge authorizes the clerks to dismiss certain cases that can be dismissed with proof of remedy and payment of the administrative dismissal fees. The auditor examined both dismissals to verify the validity of the dismissals.

Finding: Dismissed cases caused by duplicate entry did not have proper authorization. This was a finding from a prior audit

Recommendation JP4-09-01: For dismissed cases caused by duplicate entry, the Judge should note and sign the case jackets that the duplicate case has been dismissed

Voids

To void a receipt, the Court's procedure requires the clerk who receives the payment to void the receipt, write the reason for the void, and sign on the voided receipt. It also requires a second clerk to review the void for validity and sign the voided receipt. The auditor examined the voided receipts to verify the validity of the voids. All clerks have diligently followed the procedure.

Safeguarding of Assets

Physical Security

Physical security encompasses any method to physically secure the assets from loss. Assets not being used should be kept in a locked drawer or safe until they are needed.

As part of the audit, the auditor conducted a surprise cash count at the beginning of the audit All collections were accounted for at the time of the audit However, the auditor noticed the following concerns in regards to securing the assets. These concerns have been addressed to the Chief Clerk.

Finding: The Chief Clerk left collections unattended while she was away from her desk during the cash count. The change funds were not counted during close-out and one clerk's drawer did not have a lock to secure the collections.

Recommendation JP4-11-01: To improve physical security over assets, the Court should implement the following recommendations

- The Chief Clerk should secure the collections in a safe place at all times. This
 recommendation was implemented after being brought to the Court's attention.
- Clerks' change funds should be counted as well as the clerks' collections during closeout. The Court has since modified their close-out procedure to concur with the recommendation.
- · Ensure all clerks' drawers have locks to secure the collections

Minimizing Exposure to Loss

Daily depositing is one of the best methods of minimizing the cash's exposure to loss. Daily depositing also provides the County with the maximum benefit of the cash and brings the office into compliance with applicable statutes governing depositing of county funds.

The Court deposits the collections on the next business day Deposits are delivered to the bank by a Constable Deputy.

Managing the Assets

A properly prepared and adequately supported bank reconciliation is one of the best methods of cash management available to any official.

Finding: After reviewing the bank reconciliations and the outstanding bonds, the auditor found the following

- The bond bank reconciliations were not properly prepared and submitted in a timely manner
- The bond bank balance was short by \$191.40 This shortage was caused by a duplicate refund to a defendant in the amount of \$117.00 and a shortage of \$74.40
- Bonds are deposited in the interest bearing account which accrues interest. The Court has earned interest from June 2006 to May 2011 totaling \$400.45
- Outstanding checks over three years old totaling \$ 3,238.21 need to be escheated

Safeguarding of Assets (continued)

- Approximately \$32,504 00 of the outstanding bonds posted from 2005 to April 2011 need to be forfeited, refunded to the defendants, or transferred to other courts
- \$ 857 00 of the outstanding bonds needs to be corrected in Net Data

Recommendation JP4-11-02: To provide better management over the bond account, the Court should apply the following recommendations

- Properly prepare bank reconciliations on a monthly basis with adequate support and submit to the Auditor's Office by the 15th of the following month
- The Court should replenish the shortage of \$191 40 to meet the balance of the outstanding bonds
- Bonds should be deposited in a non-interest bearing account. In addition, the Court should transfer the accrued interest totaling \$400.45 to the County Treasurer as miscellaneous income (GL account, 1101-00-4801001)
- Escheat outstanding checks over three years old to the State Comptroller if the amount
 of the check is over \$100 00; escheat the checks to the County Treasurer if the amount
 of the check is less than \$100 00
- Forfeit bonds that have met the bond forfeiture conditions, refund bonds to defendants, transfer bonds to other courts, and correct the erroneous bond entries

Compliance with Statutes, Policies, and Procedures

Except for the following, no instances were found in which the Court was not in compliance with the applicable laws, policies, contracts, and procedures

Collection Contract (PC 30 Fees)

The County has agreed to pay the contracted collection agency 30% of the total unpaid fines and fees of adjudicated cases occurring on or after June 18, 2003. The County shall pay the agency by the 20th of each month all compensation earned by the firm for the previous month. To meet the payment date, the Court must submit a purchase request for PC 30 fees collected by the 15th of the following month.

Finding: PC 30 fees were not calculated correctly. The reason was due to the clerks' failure to utilize the Net Data "Re-calculate Private Collection Fee" feature when adjusting the fines and fees. In addition, the Court was inconsistent submitting purchase requests in a timely manner.

Recommendation JP4-11-03: To meet the County's agreement with the contracted collection agency on collecting PC 30 fees, the clerks should utilize the Net Data "Re-calculate Private Collection Fee" feature when adjusting the fines and fees. In addition, the Court should submit a purchase request by the 15th of the following month for the fee collections

Deferred Disposition (CCP §45.051)

The Judge, in issuing the order of deferral, may require a special expense (deferral) fee on the defendant in an amount not to exceed the amount of the fine that could be imposed on the defendant as punishment for the offense. If the Judge orders the collection of a deferral fee, the Judge shall require that the amount of the deferral fee be credited toward the payment of the amount of the fine imposed by the Judge. Upon the defendant's compliance with the Judge's requirement(s), the Judge shall dismiss the complaint. If the defendant does not comply with the Judge's requirement(s) at the end of the deferral period, the Judge may impose the fine assessed or a lesser fine. The imposition of the fine or lesser fine constitutes a final conviction of the defendant.

Finding: Approximately 16% of the dismissed deferral cases tested were assessed a fine when the defendant complied with the Judge's requirement and credited a fine with community service when the defendant did not perform community service work. This procedure is not in conformance with CCP §45 051 nor CCP §45 049 (Community Service)

Recommendation JP4-11-04: To comply with both statutes, when deferring a disposition, the Court should not assess a fine when the defendant complies with the Judge's requirement and credit it with community service only when the defendant performs community service work. The Court can impose a fine when the defendant does not comply with the Judge's requirement

Compliance with Statutes, Policies, and Procedures (continued)

Jail Time Credits

The Court's policy for jail time credits requires the Judge to sign the case jacket, granting the jail time credits, have a statement from the jail, and a written plea from the defendant requesting jail time credits. The written plea is required by Code of the Criminal Procedure (CCP) §27.10. The auditor verified the validity of the jail time credits.

Finding: Approximately 23% of the jail time credits tested did not have the Judge's signature

Recommendation JP4-11-05 Upon granting the jail time credits, the Judge should sign the case jackets before the jail time credits are recorded in Net Data. Additionally, to confirm the validity of the jail time credits, the Judge should periodically review the Net Data jail time receipt journal report and sign the report.

Finding. The Court was inconsistent in acquiring written pleas from the defendants who requested jail time credits

Recommendation JP4-11-06: To comply with CCP §27 10, acquire a written plea from the defendant prior to granting and crediting jail time.

Time Payment (TP) Fee Assessment

Local Government Code (LGC) §133 103 (a) states "A person convicted of an offense shall pay, in addition to all other costs, a fee of \$25 if the person (1) has been convicted of a felony or misdemeanor; and (2) pays any part of a fine, court costs, or restitution on or after the 31st day after the date on which a judgment is entered assessing the fine, court costs, or restitution"

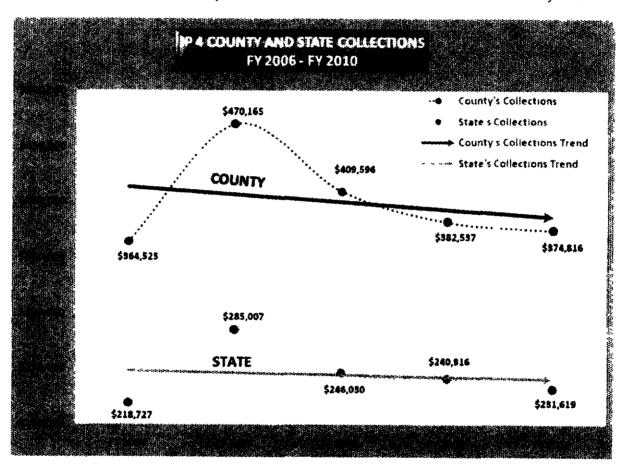

The auditor reviewed the collections of the time payment fees and determined the Court is not in compliance with LGC §133 103 (a) (2).

Finding: Time Payment fees were erroneously collected before 31 days after the judgment date. The error was due to time payment fees being assessed prematurely and mostly on the date when the defendants signed the Time Payment Agreement forms. Time payments are to be collected before fines, as they are part of the court costs assessed. Miscalculating the Time Payment fees assessment creates an error in the allocation of partial payments which will result in an incorrect amount paid to the State by the County.

Recommendation JP4-11-07 To comply with LGC §133 103 (a) (2), the Court should not collect a time payment fee on a payment that is made before 31 days after the judgment date

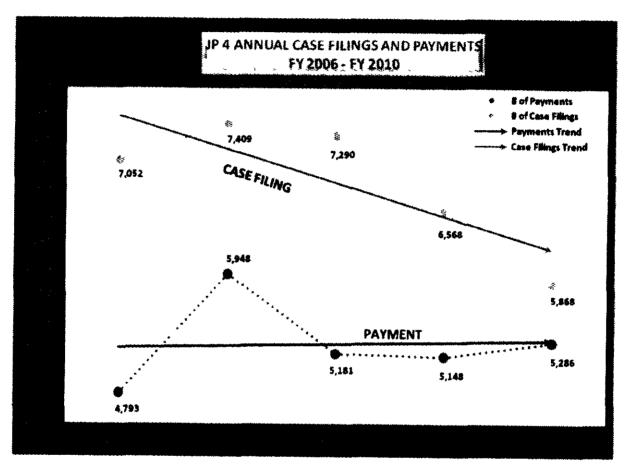

General Information

The County's portion of Justice of the Peace, Precinct 4's total annual collections has slightly increased over the last five years, going from \$364,525 in 2006 to \$374,816 in 2010. The increase in collections is due to the increase in the number of cases collected. The chart below illustrates the total annual County and State collections of this Court over the last five years.

General Information (continued)

The chart below illustrates the total number of cases filed and the total number of cases collected (payments) in this Court during the fiscal years 2006-2010. Case filings were increasing prior to Hurricane lke but have been declining since then. The filings that have decreased are primarily criminal, hot checks, and juvenile. The case payments have increased in 2007 but began to decline in 2008 due to the effects of Hurricane lke. However, in 2010, the case payments have risen above the Hurricane lke level.

JUDGE M. W. NELSON JUSTICE COURT FOUR GALVESTON COUNTY TEXAS

Office Number: 409-770-5484

Fax Number: 409-925-8290

Cliff Billingsley, CPA County Auditor County of Galveston P O Box 1418 Galveston, Texas 77553

Re. Justice of the Peace, Precinct 4 2011 Audit

Dear Mr Cliff Billingsley,

The letter is in response to the internal audit report on this Office covering January 1, 2010 through December 31, 2010. First of all I would like to thank you and your staff for the diligence with which the audit has been conducted. As always I welcome and look forward to the internal audits performed by your office.

The responses within this letter will address the findings and recommendations following the audit report outline in which it is presented

Reliability and Integrity of Information

The recommendation, for dismissed cases caused by duplicate entry be noted and signed by the Judge on the case jackets that are dismissed, has been implemented

Safeguarding of Assets:

To improve physical security over assets collections are secured in a safe place at all times, Clerk's change funds as well as collections are counted during closeout by Clerk performing closeout, and all Clerk's have a drawer which locks to secure the collections

Fo provide better management over the bond account the Bond account is now current with reconciliations as well as being deposited in a non-interest bearing account. The interest accrued is being recalculated and a check will be remitted to the County Treasurer.

The shortage of \$191.40 has been reduced to \$117.00 which is awaiting resolution in Court at this time

<u>Escheatment of outstanding checks to the State Comptroller and the County Treasurer is being processed</u> at this time,

Bond forfeitures, retunds, transfers to other courts and corrections to erroneous bond entries has been completed

Compliance with Statutes, Policies and Procedures:

Collection Contract (PC30 Fees) any and all amount changes are now recalculated to comply with the Collection contract

Deferred Disposition (CCP§45 051) no monies or credits are receipted to the FINE fee code in which a case is being deferred

Jail Time Credits all cases being given jail time credit will have a written plea on or within the case file and will be signed off on by the Judge. There is also a monthly report being submitted with Monthly Closeout Report with an attached letter of submission signed by the Judge.

Time Payment (TP) Fee Assessment. a procedure has been implemented to insure that no part of the TP Fee is paid prior to the 31st day after the judgment date as to comply with LGC §133.103 (a)(2)

If you have any questions or concerns regarding these responses please do not hesitate to make contact.

Sincerely,

M W Nelson

Justice of the Peace

Pct 4

| General Fund by Department | 28 – 31 |
| All Other County Funds | 32 – 33 |

Footnotes Rounding of cents to whole dollars can cause a slight difference between sums of detail lines and totals.
 Some revenues and expenditures may not be included in the monthly report totals as these amounts did not meet the deadline for month-end reporting.

GALVESTON COUNTY, TEXAS COUNTY AUDITOR'S OFFICE P.O. BOX 1418 GALVESTON, TEXAS 77553

September 1, 2011

The Honorable District Judges and the Honorable Members of the Commissioners' Court:

The unaudited and unadjusted financial report of Galveston County, Texas, for the month ended May 31, 2011, is hereby submitted as required by Local Governmental Code §114 023 and §114 025

This report is presented in three sections, namely Financial Statements, Schedules and Budget Status

Although this report is self explanatory, please do not hesitate to call the County Auditor's office for more information at (409) 770-5304. This report can be seen on the Internet at http://www.co.galveston.tx.us/auditor/auditorsoffice/

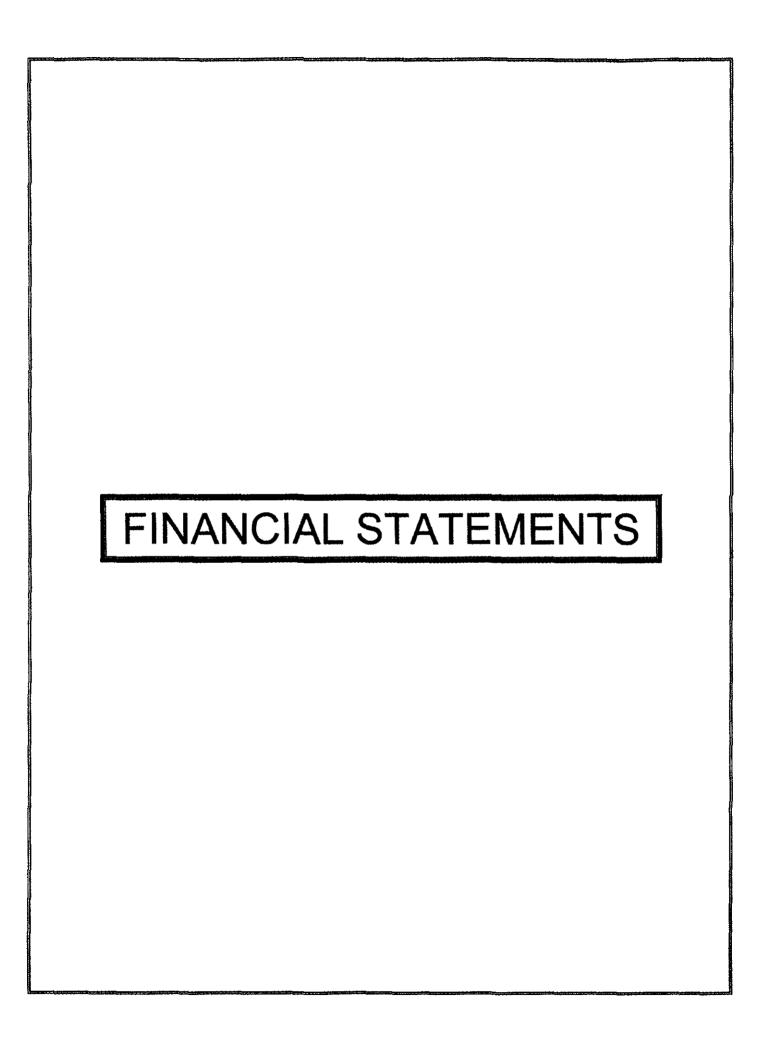

Respectfully submitted,

Cliff Billingsley, C.P.A.

PREUSS

County Auditor

RE: Galveston County FY2009 and FY2010 CIAP Additional Administration Project

Dear Ms Zottarellı

I am writing in follow-up to conversations you have had with a member of my staff regarding the addition of an "administration" project to the Galveston County Coastal Impact Assistance Program (CIAP) project list for federal fiscal years FY2009 and FY2010, otherwise known as CIAP year 3 and CIAP year 4 We greatly appreciate the opportunity to add an administrative project for each of these fiscal years as these projects will help offset costs incurred to manage the implementation of the individual projects and the overall program

Along with this letter are three (3) brief project summary descriptions that reflect the projects previously approved by Commissioners Court and the addition of the administrative project that would allow Galveston County the opportunity to recoup expenses incurred as a result of the CIAP program. For your convenience, I am including a breakdown of the revised project totals for the three projects including the administration project. The CIAP program has an allowable maximum of up to 23%, the Galveston County administration project is approximately 20% of the FY2009 and FY2010 individual allocations.

As you know Galveston County is eligible for a total federal allocation (reimbursement) of \$1,114,088 57 for federal fiscal year 2009, and \$1,102,646 46 for federal fiscal year 2010 pending approval of the State of Texas combined plan for 2009 and 2010

| Name | FY2009 | FY2010 | CIAP Total (FY2009 & FY2010) | Project Total (Includes Other Sources) |
|------------------------------------|----------------|----------------|---------------------------------|--|
| Bolivar Beach & Dune Restoration | \$739,088 57 | \$527,646 46 | \$1,266,735 03 | \$20,137,647 00 |
| Fort Travis Wetland Restoration | \$150,000 00 | \$350,000 00 | \$500,000 00 | \$2,500,000 00 |
| CIAP Administration PM / PA (~20%) | \$225,000 00 | \$225,000 00 | \$450,000 00 | \$450,000 00 |
| Federal FY Total | \$1,114,088.57 | \$1,102,646.46 | | |

Ms Martha Zottarelli Texas General Land Office FY2009 / FY2010 Administration Project September 8, 2011 Page Two

As indicated on the CIAP table on the first page please note our FY2009 and FY2010 revised project amounts total the individual eligible CIAP allocations for each of the two federal program fiscal years

Should you have any questions, please do not hesitate to contact John Lee Jr on my staff, as he is my point person regarding these projects. Mr Lee's office number is 409 770 5357 and cell number is 409 682 1529

Again, I would like to thank you for the assistance you have provided to Galveston County and the opportunity we now have to help offset these program costs

Sincerely,

Mark A Henry

Galveston County Judge

4. Project Summary

Total Project Cost. \$450,000.00

Total CIAP Cost \$450,000.00 (FY2009 & FY2010 Allocation)

Total CIAP Cost by Funding Year \$225,000 (FY 2009 Allocation) (Approximate 20% of allocation) \$225,000 (FY 2010 Allocation)

Project Locations Bolivar Peninsula in eastern Galveston County

Eastern Boundary 29 550279 N, -94 381024 W, High Island Western Boundary 29 363042 N, 94 762345 W, Port Bolivar

Duration in months. 42 months

Project Goals: To fund costs of administering the Galveston County 2009 and 2010 CIAP projects

Measurable Objectives

To ensure that all program activities are monitored to comply with program requirements, to make sure all program costs are allowable, and to coordinate and evaluate the program results against stated objectives

Measurable Objectives (continued)

This project will fund the administrative costs of all Galveston County 2009 and 2010 CIAP projects located in Galveston County, Texas. Administration of the Galveston County CIAP projects will include a number of tasks prior to, during, and following the implementation of actual CIAP projects

Administrative costs will include plan implementation and oversight, travel associated with plan development and implementation, copying and publication costs and costs incurred for public meetings, notices, and other coordination efforts. Administrative costs also involve the dispersal of CIAP funds and include budget management, staff supervision, facilitation of communications, preparation and review of documents and other tasks associated with the project. Planning assistance and administrative costs are needed to ensure that all program activities are monitored to assure compliance with program requirements, to make sure all program costs are allowable, and to coordinate and evaluate the program results against stated objectives

No CIAP funds relative to this project will be used for federal cost sharing or matching purposes

5. Authorized Use Number

Authorized Use #3 The project will provide financial assistance for planning and the administrative costs of CIAP compliance

This project will help to offset the administrative costs incurred in developing and administering the CIAP plan and managing the actual implementation of the respective CIAP projects

4. Project Summary

Total Project Cost \$20,137,647 (From other potential state and federal funds)

Total CIAP Cost \$1,266,735.03 (FY2009 & FY2010 Allocation)

Total CIAP Cost by Funding Year \$739,088.57 (FY 2009 Allocation) \$527,646.46 (FY 2010 Allocation)

Project Location Eastern Boundary 29 550279 N, -94.381024 W, High Island

Western Boundary 29 433493 N, -94 665176 W, Port Bolivar

Duration in months 36 months

<u>Project Goals</u> To restore the Gulf beach and dune system along approximately 14 miles of Bolivar Peninsula through the placement of sand from multiple sand sources

Measurable Objectives

- 1) Construction of the Gulf beach and dune system,
- 2) Vegetation planted in the restored dunes,
- 3) Project oversight/construction administration,
- 4) Development and implementation of performance monitoring plan, and
- 5) Project closeout

The shoreline of Bolivar Peninsula has typically been erosional, with shoreline recession rates of about 5 to 15 feet per year. Recent storms, such as Hurricane Claudette in 2003 and Hurricane Rita in 2005, the unnamed October 2006 weather event, and, most recently, Hurricane Ike, have caused increased erosion to the beach and dune system. This loss of habitat effects nesting marine turtles, which typically lay their eggs on the beach at the base of the dune. The beach and dune project will widen the existing beach and restore dune habitat. The project will also provide increased storm protection for infrastructure, dunes, and evacuation routes along the Bolivar Peninsula.

This project will span 22 miles of Bolivar Peninsula, from the western limits of Crystal Beach to the eastern side of the town of High Island Within the 22 mile project area, 14 miles will involve construction No construction will occur on 8 miles of beaches located within designated Coastal Boundary Resource Areas (CBRA) Of the 14 miles involving construction, 8 8 miles will include dune restoration with a beach nourishment component provided adequate funding is available. The remaining 5 2 miles of the project area would contain restored dunes. It is anticipated the beach renourishment coupled with dune restoration would be located in the eastern portions of the project area that experienced the most severe beach erosion as a result of Hurricane Ike in September 2008. The dune restoration areas without the beach nourishment component are anticipated to be located in the western portion of the project area adjacent to Crystal Beach, where the beaches were less severely eroded by Hurricane Ike The desired outcome for this project is to rebuild the dune system along this 14-mile area The project will provide a vegetated dune system that will also provide shelter and food for a variety of animals and shorebirds, including many endangered species. Vegetation plays a major role in dune stabilization and growth. The deep root systems of sea oats and other native coastal plants help anchor the dune and minimize erosion. Dunes in this area were severely impacted by Hurricane Ike in 2008 The entire dune complex were destroyed, leaving much of this area with no dune system

No CIAP funds relative to this project will be used for federal cost sharing or matching purposes

5. Authorized Use Number

Authorized Use #1 Projects and activities for the conservation, protection, or restoration of coastal areas, including wetland

This project is to restore and protect coastal areas, including dunes and beaches along Bolivar Peninsula Sand dunes and beaches conserve and protect the natural coastline. Dune restoration projects are important for the upper Texas coast, which is sand-starved. Restoration of these dunes will provide habitat for a wide variety of wildlife, including shorebirds, invertebrates (crabs, insects, and mollusks), and small mammals. Additionally, the endangered Kemp Ridley sea turtle builds its nests at the base of sand dunes. Other natural resources that will be restored are three species of grass appropriate for dune vegetation projects on the Texas coast bitter panicum (*Panicum amarum*), sea oats (*Uniola paniculata*), and marshhay cordgrass (*Spartina patens*). Imported sand will be similar in color, grain size, and mineral content to the sand at the beach and dune building site. The restored dunes should be of the same general height, slope, width, and shape as the dunes that existed in the past in the vicinity. Restored sand dunes must have public access every one-half mile by means of a dune walkover or vehicular access. As a part of all dune restoration projects, environmental education signs are included in the project cost estimate. The informational signs are placed throughout the project area and explain in detail the importance of natural resources including dunes and endangered species.

GALVESTON COUNTY

GOALS AND OBJECTIVES

Galveston County CIAP Program Goals and Objectives

- Implement, support, and accelerate effective and timely coastal response activities that give priority to Gulf shoreline erosion impacts
- Advance, support, and maintain the mission statement of the Galveston County Beach Erosion Task Force
- Seek to mitigate against the impacts of coastal erosion and environmental pollution while improving public recreation in the coastal zone
- Develop projects that can be implemented and completed in the near term, with projects realizing long-term benefits being given added weight
- Coordinate and leverage project funding with resource agencies and partners to maximize available grant award

MANAGEMENT OF THE PROGRAM

Galveston County will oversee and monitor its CIAP program through the County Engineers Office and the Natural Resource Coordinator Monthly meetings to review the progress and overall process are coordinated through the Beach Erosion Task Force, which meets on the first Wednesday of each month Additional meetings can be scheduled to facilitate changing conditions as necessary Galveston County has previously had it's regularily scheduled Commissioners Court meetings on Wednesday morning at 9.30 a m For future meetings beginning February 15, 2011 meetings will be held at 1 00 p m. on Tuesday afternoons Commissioners Court has approved the submission of prior CIAP project summaries

All county CIAP projects will be coordinated within Galveston County's Purchasing Procedures and Guidelines Manual that establishes county policy and governs how county funds can be expended to comply with state and federal law All projects will be coordinated with Galveston County's Auditor's Office, Purchasing Department, Legal Department, and Budget Office Projects that require the payment of a local match to the county will have a governing memorandum of understanding, contract bid, or inter-local agreement to clarify the terms of the project responsibilities

PUBLIC PARTICIPATION

Since the passage of the <u>Energy Policy Act of 2005</u> that established the basis of funding for the CIAP program, Galveston County has maintained a public input/participation process. Galveston County has worked to coordinate the CIAP program through both the Commissioners Court and Beach Erosion Task Force.

Galveston County Commissioners Court (CC)-

Commissioners Court conducts meetings on both the Action agenda and in a Workshop setting. All Court meetings are held at the old Galveston County Courthouse, located at 722 Moody (21st street) in Galveston. The action agenda consists of items that must have a specific Court action taken – approval/disapproval/defer. The Workshop is an information exchange with an open dialogue between commissioners, the audience, and the respective department making the presentation. No action is taken during the Workshop. It is commonly used for reporting progress or clarifying direction. All meetings — action and workshop — are open to the public, unless otherwise posted for executive session. The meetings are posted at the County Courthouse, at separate annex buildings around the County, and are available online at the county webpage and other news service web pages.

The Commissioners Court has been very supportive of the CIAP program. All projects developed and submitted through the CIAP program have been discussed and approved in public Commissioners. Court meetings, the projects have been listed on the Court agenda, with meeting discussion, including input from members of the public. Most recently the CIAP grant projects were discussed and approved for submission to the GLO at the Court meeting on November 3, 2010.

Galveston County Beach Erosion Task Force (BETF)-

The BETF meets monthly at the old Galveston County Courthouse, in the Commissioners Workshop Room immediately behind the Commissioners Court, on the first Wednesday afternoon of the month at 1 30 pm to review and discuss the entire coastal program of Galveston County. If the Workshop room is not available, the meeting is held in a public meeting room in an adjacent public building. Previously, that has included the City of Galveston, City Council Workroom (room 204) in City Hall located at 823 Rosenberg in Galveston, and, the Galveston Park Board of Trustees Administrative office, first floor Board room. The Park Board offices were located at 601 Tremont Street, (corner of 23rd and Church Street) in Galveston

The CIAP program has a dedicated recurring place on the BETF meeting agenda. The BETF specifically focuses on programs and activities, such as the state's CEPRA Program, CIAP, the federal feasibility study, other federal legislative issues, state lobbyists, the American Shore and Beach Preservation Association, its Texas Chapter of ASBPA, and local issues of concern in the coastal area All BETF meetings are open to the public, and meeting packets, agendas and other meeting information is included on the Galveston County webpage at www.co.galveston.tx.us All input is appreciated and considered Many subdivisions on West Galveston Island and residents of the Bolivar Peninsula attend the meetings and participate in the decision-making process Membership of the Task Force consists of Galveston County, City of Galveston, Galveston Park Board, Jamaica Beach, West Galveston Island Property Owners Association, Pirates Property Owners Association, Bolivar Peninsula Chamber of Commerce, and the Gilchrist Community Association. The Galveston District of the Corp of Engineers is a regular attendee at the meetings and often provides guidence regarding compliance and regulatory issues. The BETF meeting agenda is emailed and distributed to many coastal interests as well as being posted on the Galveston County website.

Process-

The 2009-2010 CIAP projects were developed, based on the planned approach for each of the CIAP program fiscal years. The second through fourth year (FY2008, FY2009, FY2010) CIAP program funding is based on facilitating a large beach nourishment project on both sides of the ferry on Galveston Island and the Bolivar peninsula. For example, during the spring and early summer of 2007, the Galveston County Beach Erosion Task Force developed a Coastal Erosion Planning Response Act (CEPRA) grant application to be submitted to the GLO for a beach nourishment / dune restoration project on West Galveston Island. This project entailed the use of \$1.28M of Galveston County's second year (2008) CIAP funds along with another grant application to the GLO for \$6M from the State portion of CIAP. The total value of this initial project application, including other matching sources was \$13.5M, it was the single largest project of it's kind in the history of Texas. As part of the process to develop this application, both the Commissioners Court and the BETF considered a continuation of the long range approach for the future use of CIAP funding

This approach developed into two ongoing parallel paths regarding the CIAP program, Path 1 was the use of the first year (2007) funding to develop smaller multiple projects that would spread the funding across as broad a group of reciepients as possible Applications were solicitated and 29 total applications were received for first year funding Of that total by Commissioners Court action, 10 projects were determined to be Tier I and 4 were Tier II projects. The end result of these Tier I and Tier II projects will provide funding to many different organizations including Homeowner Associations, non-profit environmental and non-government organizations, and the City and County of

Galveston Many public meetings were held to reach that goal Path 2 was the development of a plan to construct a large beach nourishment dune restoration project on Galveston Island at the west end of the seawall, that could be followed by a similar large project for the Bolivar Peninsula the following year. The final two years of the program were to be directed at the continued implementation of a project on the Bolivar Peninsula that could be matched or leveraged with CEPRA funds through the phased use of the 3rd and 4th (FY2009 & FY2010) FY CIAP funds. Each of the above named jurisdiction and entity representatives approved this plan

Approximately 20 people per month attended the Beach Erosion Task Force meetings that included federal, state, city, and local governments, professional service providers, resource agencies, and HOA representatives. Meetings were held on January 9, 2008, February 6, 2008, March 5, 2008, April 2, 2008, May 7, 2008; June 4, 2008, July 2, 2008, and August 13, 2008. The September 2088 through December 2008 meeting of the BETF were cancelled due to the increase in tropical activity and the landfall of Hurricane Ike on September 12-13, 2008. During 2009 BETF meetings were held on January 14th; September 16th, October 8th, November 12th; and December 9th. The meeting number was reduced as a direct result of the availability of members due to the displacement that occurred following Hurricane Ike. During 2010, the meetings returned to their historic pattern of meeting at 1 30 p m on the first Wednesday of each month

Galveston Park Board of Trustees- (Park Board)-

The Park Board is very active in the development of potential CIAP projects and is a funding partner in the large West Galveston Island beach nourishment habitat restoration project, the Park Board has submitted applications to the State for potential CIAP projects, and the CIAP program is a regular topic of discussion and input at their respective monthly meetings

West Galveston Island Property Owners Association – (WGIPOA)-

WGIPOA represents over 10,000 individual property owners on West Galveston Island and is involved in many public service / public interest programs WGIPOA meets on the second Saturday morning of each month, the meetings are open to the public and potential project issues are discussed and input is accepted WGIPOA has been very active in the development of the Galveston Island Greenprint Plan, the Geo-hazards Plan, and the West Galveston Land Use Plan

COMPLIANCE WITH RELEVANT RULES AND REGULATIONS

The County will comply with all applicable federal, state, and local laws, and will work with the GLO on the initial environmental review process for all projects, including compliance with the NEPA and the CMP

4. Project Summary

Total Project Cost \$2,500,000 (From other potential state and federal funds)

Total CIAP Cost \$500,000 (FY2009 & FY2010 Allocation)

Total CIAP Cost by Funding Year \$150,000 (FY 2009 Allocation),

\$350,000 (FY 2010 Allocation)

Project Location 29 363042 N, 94 762345 W, Port Bolivar

Duration in months 36 months

<u>Project Goals</u> To restore approximately 15 acres of coastal wetlands near Fort Travis Park on Bolivar Peninsula.

Measurable Objectives

- 1) Secure an engineering firm,
- 2) Complete site surveys / design and monitoring plan,
- 3) Obtain permits, conduct bidding, award the project and issue NTP,
- 4) Project oversight / admin, vegetation, construction completion,
- 5) Implement monitoring plan, closeout project

Fort Travis Seashore County Park is located near the western tip of the Bolivar Peninsula and was constructed in response to the Spanish American war in the early 1890's to protect the Galveston harbor. Since then, the area around Fort Travis has suffered significant erosion and loss of existing wetlands due to salt water intrusion and historical subsidence. Hurricane Ike in 2008 exacerbated this problem by causing sediment loss and erosion of the existing wetland areas adjacent to and flanking the northwest corner of Fort Travis.

This proposed project would restore approximately 15 acres of coastal wetlands adjacent to Fort Travis that has been lost over time. The rate of wetland loss was recently accelerated due to subsidence, sea level rise, and severe tropical storms. Additionally, part of the project will include a rock breakwater to be constructed adjacent to the northwest corner of the park to offset and absorb wave energy that comes between the north and south jetties and around the corner of the seawall at Fort Travis. The material used to build the wetlands would be obtained from a borrow source adjacent to the north jetty on the east side of Fort Travis. Part of the proposed borrow source is permitted through the Corps, however, an amendment would be sought to expand the borrow area limits to account for the quantity of material needed for marsh creation.

No CIAP funds relative to this project will be used for federal cost sharing or matching purposes.

5. Authorized Use Number

Authorized Use #1: Projects and activities for the conservation, protection, or restoration of coastal areas, including wetland

This project is to restore a coastal wetland that will provide habitat for a wide variety of wildlife, including shorebirds and small mammals, and invertebrates, in addition to helping stabilize the Bolivar Peninsula shoreline. This project will also provide educational benefits, because informational signage on the importance of wetlands is already present and adjacent to the scenic overlook at the Park. A long-term monitoring plan will also be developed for the project.

AGENDA ITEM #3

AGENDA ITEM #5

Dennis J. Harris, Sr.
Director

Galveston County Department of Parks & Senior Services

www galvestonparks-seniors org

September 14, 2011

To: Hon Mark Henry, County Judge

Members of Commissioner's Court

From: Dennis J Harris, Director

Department of Parks & Senior Services

Subject: Agenda Item- Appraisal

Please place the following item on Commissioner's Court agenda for Tuesday, September 20, 2011

"Consideration of authorizing an appraisal for +/-64 06 acres of vacant land in the unincorporated San Leon/Bacliff area, and authorize the Parks Director to sign the letter of agreement with Bay Area Real Property Appraisers & Consultants, Inc Submitted by Parks & Senior Services Director"

Attached please find a letter of agreement from Bay Area appraisers identifying the scope of work to be performed. As you know the purpose of this project is to create a regional park in the San Leon/ Bacliff Communities.

Should you have any questions, please let me know

DENNIS J HARRIS

September 13, 2011

Mr. Dennis Harris Galveston County

Re: Appraisal bid for +/-64.06 acre vacant land property, Galveston County, Texas

Dear Mr. Harris,

This letter is in response to your request for an appraisal of +/-64.06 acres of vacant land in the San Leon/Bacliff area of unincorporated Galveston County You have requested this office to appraise said property for a planned acquisition.

The purpose of this appraisal would be to estimate the Market Value of the fee simple estate of the larger parcel-whole property before the acquisition and also the remainder property after the acquisition in accordance with the *Uniform Appraisal Standards for Federal Land Acquisitions*, also known as a "Yellow Book" appraisal

As discussed, our total fee for a self-contained appraisal will be \$7,500, with all work for this fee to be completed within 8 weeks after the authority to proceed. The subject tract has been reported to the appraiser to be unimproved, flat vacant land and our fee is based on this being true. Should this not be the case, I reserve the right to amend my fee.

The Uniform Standards of Professional Appraisal Practice, 2010-11 Edition, Scope of Work Rules states:

"For each appraisal, appraisal review and appraisal consulting assignment, the appraiser must:

- 1. identify the problem to be solved,
- 2. determine and perform the scope of work necessary to develop credible assignment results; and
- 3 disclose the scope of work in the report "

STEVE W. HUGHES, STATE CERTIFIED GENERAL APPRAISER

1802 BROADWAY, SUITE 212, GALVESTON, TEXAS 77550 (409) 762-8453 or FAX (409) 762-9056

In this assignment, the appraiser

- a. will inspect the subject property to note the characteristics of the property that is relevant to its valuation. In this process, the property owner(s) or their representative will be given an opportunity to accompany the appraiser on said site inspection(s);
 - b. will investigate available market data with respect to relevant location and neighborhood influences and trends, perform a Highest and Best Use Analysis, determine the appropriate approaches to value, investigate, verify and analyze all pertinent data and report the findings and conclusions to the client in a self-contained format;
 - c. will rely upon visual inspection of the property, appraisal district assessment records, surveys, studies and plat maps and the appropriate municipal regulations with respect to easements, zoning and restrictions under the stated limitations of the appraisal unless otherwise provided by the client; and
 - d. will prepare the self-contained appraisal in compliance with the *Uniform Appraisal Standards for Federal Land Acquisitions*.

To engage the appraiser for this assignment with these terms, please sign below and fax back to 409-762-9056 or scan/email to bayapp10@aol.com. We appreciate the opportunity to be of service to you in this matter.

AGENDA ITEM #6

Contract for Election Services

This Contract is made and entered into this 9 day of September, 2011 by and between Hon. Dwight D. Sullivan, County Clerk and County Election Officer for Galveston County ("Contracting Officer") and Steven Don Carlos on behalf of Bacliff MUD ("Contracting Authority").

This Contract is being entered into pursuant to Texas Election Code, Chapter 31, Subchapter D for the purpose of ensuring that the Contracting Officer and the Contracting Authority understand the tasks each is to perform in connection with the following election and any subsequent runoff election, to-wit:

Purpose of Election: Bond Election

November 8, 2011 N/A

Election Date Runoff Election Date

1, Duties and Services of the Contracting Officer.

The Contracting Officer shall be responsible for performing the following duties and furnishing the following services and equipment in connection with the election and any subsequent runoff election.

- 1 1 Program, or arrange to have programmed, the ballot.

 [Cost: Based upon the number of contests on the ballot. See attached Fee Schedule]
- 1.2 Arrange to have published the legal notices of the first test of the electronic tabulating equipment as provided in Texas Election Code §127.096 and conduct all required tests of the electronic tabulating equipment under Texas Election Code §§127.096-127.098 and §§129.021-129.023. The first test shall be conducted at least five days prior to the election. In addition, it will be performed during normal business hours and be open to the public.

[Cost: The cost for publishing the notice will be split equally between all the entities involved. See attached Fee Schedule]

1.3 Provide technical and equipment support for the voting machines and equipment being provided to the Contracting Authority. In the event there is a failure of a voting machine the Contracting Officer shall try to remedy the problem over the phone. If he is unable so to do he will dispatch to locations within Galveston County the appropriate technical support personnel and equipment to correct the failure.

[Cost: Included in the 10% election fee]

1.4 On behalf of the Contracting Authority, obtain voter registration lists/polling books from the Voter Registrar to be used during Early Voting and on Election Day. [See Section 2.3 below]

For additional Duties of the Contacting Officer see the table below.

August 18, 2011 Revision

2. Duties and Services of the Contracting Authority.

The Contracting Authority will be responsible for performing the duties and services set forth in this section.

- 2.1 Prepare and submit all required submissions to the U.S. Department of Justice under the Federal Voting Rights Act of 1965 for its election and runoff election.
- 2.2 Publish notices in accordance with Section 4.003(a) of the Texas Election Code.
- 2.3 Provide the Contracting Officer with the Contracting Authority's requirements for voter registration lists and poll books for Early Voting and Election Day.
- 2.4 Establish uniform hours for early voting in accordance with Texas Election Code §85.005. With multiple entities holding elections it is the goal to have uniform hours for polling places across the county thereby reducing the cost of the elections. Texas Election Code §85.005 (d) requires cities to have at least two days of early voting be for 12 hours duration at the main early voting location.
- 2.5 In accordance with Texas Election Code §4.008 as amended, deliver written notice of the election to the Contracting Officer no later than 71 days prior to the Election Day.
- 2.6 If the polling locations are different from previous elections the Contracting Authority, in accordance with Texas Election Code §43.062, shall notify prospective voters of the new location by placing a notice at the old polling location and a notice at the new polling location.
- 2.7 Provide to the Contracting Officer the language for any ballot propositions, the names of election contests, the names of candidates as they are to appear on the ballot, a copy of a sample ballot, ballot draw information and a completed "Requirements to Program the Ballot" form Said materials to be provided in an electronic form to the Contracting Officer by **no later than September 8, 2011** All language on the ballot must be provided in both English and Spanish.
- 2.8 Return to the Contracting Officer, by **noon on September 21, 2011**, confirmation that the sample ballots the Contracting Officer has prepared and provided to the Contracting Authority are satisfactory or provide changes that need to be made.
- 2.9 The Contracting Officer will be conducting elections for numerous Contracting Authorities on the same day. The parties understand that each election has its own challenges and requirement and that failure to provide the information in paragraphs 2.5, 2.7 and 2.8 by the above dates will place an undue burden on the Contracting Officer that may prevent him from being able to provide his services to

the Contracting Authority in a timely and accurate manner. Should the Contracting Authority miss said deadlines, and should the Contracting Officer be unable to provide his services in a timely and accurate manner the Contracting Authority shall hold the Contracting Officer and his employees harmless from any election errors and corresponding liability and/or damages that may result, including but not limited to the costs incurred related to an election contest and/or the need to conduct a subsequent election.

- 2.10 As required by § 67.017 (b) and the Secretary of State's Office, make an electronic precinct-by-precinct report to the Secretary of State's Office by no later than the 30th day after Election Day.
- 2.11 Unless otherwise stipulated, transport, or have its Presiding Election Judges transport on its behalf, the voting machines and equipment to the Contracting Authority's Early Voting and Election Day voting locations.
- 2.12 Supervise, with the assistance of the Contracting Officer, the overall conduct of its election in Contracting Authority's jurisdiction including the supervision tabulation of results.
- 2.13 Appoint the Signature Verification Committee and the Early Voting Ballot Board, and the presiding judge of the Central Counting Station. The Contracting Authority shall provide the Contracting Officer with contact information for each of these individuals.
- 2.14 Pay a \$100 fee per Early Voting and Election Day polling location within its jurisdiction to cover a portion of the Contracting Officer's costs for hiring two election judges to provide the Contracting Authority and its Judges election support services throughout the term of this Contract.
- 2.15 Pursuant to the provisions of the Help America Vote Act of 2002, provide the appropriate number of bilingual poll workers as determined by guidance provided by the U.S. Department of Justice. If the Contracting Authority is appointing personnel to staff the polling locations Contracting Authority may not impose this duty on Contracting Officer. But, the Contracting Officer will attempt to assist Contracting Authority in finding bilingual poll workers.

Cancellation of Contract: Contracting Authority may cancel this Contract without incurring any expenses by notifying Contracting Officer of its intention to so cancel by no later than forty-eight (48) hours after its candidates filing deadline. Should Contracting Authority desire to cancel this Contract after that time it may do so upon twenty-four (24) notice to Contracting Officer but Contracting Authority will be obligated to pay Contracting Officer for services and equipment rendered up through the date of cancellation.

Special Provision: Bilingual Poll Worker Requirements. Galveston County was a party in Civil Action No. 3:07 CV 377 styled "The United States of America, Plaintiff, v. Galveston County, Texas, Defendant in the United States District Court for the Southern District of Texas, Galveston Division". It entered into a Consent Decree that acknowledged it is covered under both Section 4(f)(4) of the Voting Rights Act as amended and 42 U.S.C. §1973(b)(4)(Section 4(f)(4) to provide Spanish language written materials and assistance to voters. Galveston also has an obligation to ensure that its polling places and poll workers comply with the Help America Vote Act of 2002 ("HAVA"), 42 U.S.C. §§15301 et. seq. Although this Consent Decree expired December 31, 2010, Galveston County agreed that it is permanently enjoined from:

- a) Failing to provide in Spanish "any registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots", that they provide in English as required by Section 4(f)(4) of the Voting Rights Act, 43U.S.C.S1973b(f)(4); and
- b) Failing to ensure that poll workers provide and receive adequate training regarding (1) the use of providing provisional ballots under Section 302(a) of HAVA; and (2) the display of all HAVA-required signs under Section 302(b) of HAVA.

Contracting Authority understands that regardless of whether it desires to engage the Contracting Officer's services, it likewise has an obligation to comply fully with the same terms and provisions of the Voting Rights Act and the Help America Vote Act.

Selection of Services:

The Contracting Authority hereby selects the following services which it wants provided by the Contracting Officer and those for which the Contracting Authority shall be responsible. The Contracting Officer will affirm his willingness to perform the services requested by the Contracting Authority by signing this agreement.

| Contracting Authority to Perform | Contracting Officer to perform | Service |
|--|--------------------------------------|---|
| | X | Procure and distribute to the Election Judges all necessary election supplies, including but not limited to sample ballots, election kits, and office supplies such as paperclips, and pens. Each kit and unused election supplies are to be returned by the Contracting Authority to the Contracting Officer after the voting polls close on Election Night. |

| Contracting Authority to Perform | Service |
|--|----------------------|
| | [Cost: \$50 per kit] |

(

1

| Contracting Authority to Perform | Contracting Officer to perform | Service |
|--|--------------------------------------|---|
| | Ø | Arrange for receiving and checking in the supplies and equipment being returned by the Election Judges after the voting polls close on Election Night. [Cost: Overtime for County employees used to provide this service split between the entities choosing this service] |
| | X | Procure all necessary voting machines and equipment for use at early voting and election day locations and prepare them for use. [Cost: \$250 per eSlate or JBC and \$300 per DAU eSlate] |
| | I | Transport, or arrange to have transported, the voting machines and equipment to and from the early voting locations [Cost: \$100 delivery per location]. |
| | S | Arrange for programming of the ballot and the Logic and Accuracy Testing of the counting equipment. [Cost: Determined by the number of contests on the ballot: \$550 for up to ten contests, \$1,100 for up to 20, \$1,650 for up to 30, \$2,450 for up to 40 and \$3,000 for 41 or more contests.] |
| | 図 | Arrange for the use of a central counting station and for the tabulating and supervisory personnel and equipment needed at the counting station. Prepare the testing materials for the tabulation of the ballots to be used with electronic tallying equipment. Prepare the unofficial tabulation of precinct results on Election Night. [Cost: \$350 for use of the equipment plus overtime for county employees doing the tabulation (est. max. \$350)] |
| | IX) | Assist the Contracting Authority in the general overall supervision of the election and any subsequent runoff election and provide advisory services in connection with the decisions to be made and the actions taken by the Contracting Authority who is the convening authority for the election/runoff election. [Cost: Included in the 10% election fee] |

į į

| | ব্র | Conduct Early voting, Election Day, and bilingual training with at least two Election Day training sessions being offered during the evening hours beginning at 6 p.m [Cost: \$50 per trainee attending the four hour sessions] (Because WCID is hiring and paying its own workers the cost for training will be \$10 per trainee) |
|--------------------------------|---------------------|---|
| Decline Evening Training | | Waiver of evening training: The County employee overtime costs associated with conducting training after normal business hours will be shared equally among those entities who have election workers attend these sessions. By checking the Decline box |
| Select this option | Decline this option | ePollBook Option. Based upon the availability of the equipment, the Contracting Authority may choose to use electronic Poll Books instead of hard copy Poll Books. [Cost. to be determined] |
| \S | | Determine the polling locations within their jurisdiction. If the Contracting Authority is performing this task he will inform the Contracting Officer of said selections and provide the facilities contact information for each location. |
| X | | Hire judges, alternate judges, and clerks that, in the opinion of the Contracting Officer, are sufficient for the Contracting Authority's election or as are specified by the Contracting Authority. In order to comply with the Texas Election Code, workers must be registered voters from within the jurisdiction holding the election. [Cost: Base cost of \$10 per hour per worker. If Contracting Officer is unable to locate workers who meet the code requirements he may need to hire County employees who will be paid at their overtime.] |
| Judges of the da | tes of the election | judges, alternate judges and clerks he will notify the Election and any subsequent runoff election as required by Texas Election acting Authority shall perform this service. [No additional cost] |
| Accept | Decline | The Contracting Authority may have an observer present during the tabulation of the votes If Contracting Authority desires an observer it will, prior to Election Day, provide the Contracting Officer with the name and contact information of |

3. Compensation, Billing, and Payment.

Attached to this Contract is a Schedule of Fees for Services rendered by Contracting Officer to Contracting Authority Pursuant to Texas Election Code §31.100 these fees are the actual expenses incurred by Contracting Officer in providing the various services contained herein.

During this election cycle the Contracting Officer will be hiring two part time election judges to assist in preparation for the election, answering inquiries from polling locations, and post election duties. As noted in paragraph 2.14, the Contracting Authority shall pay \$100 per polling location within its jurisdiction to help defray the \$7,400 cost of hiring this part time help.

In addition to the attached Schedule of Fees, Contracting Authority will pay Contracting Officer the greater of Seventy-Five (\$75.00) Dollars or an additional ten percent (10%) for general supervision of the election.

Pursuant to Texas Election Code §31.098, Contracting Officer may contract with third persons for election services and supplies agreed to herein and, subject to reimbursement by Contracting Authority, will pay the claims for those election expenses on Contracting Authority's behalf.

Contracting Officer will invoice Contracting Authority for services rendered under this Contract. Contracting Authority will make payment to Contracting Officer in accordance with the terms and provisions of what is commonly referred to as the Texas Prompt Payment Act.

4. Voting System.

The Hart Intercivic 6.1 E-Slate System owned by Galveston County will be the voting system used by Contracting Officer in providing services under this Contract.

5. Authorized Representatives.

Contracting Officer's Authorized Representative for all purposes of this Contract is its' Chief Deputy Clerk for Elections.

The parties recognize that Contracting Authority may be contracting with Contracting Officer solely for services to be provided for its own election. Alternatively, the parties recognize that Contracting Authority may have contracted with other political subdivisions for the conducting of joint elections and that Contracting Authority is contracting with Contracting Officer for services to be provided for its own election as well as for the elections of other political subdivisions as a result of these separate joint election agreements. Regardless of whether the Contracting Authority is acting solely on behalf of its own election or on

behalf of itself and other political subdivisions as a result of separate joint election agreements, Contracting Authority's Authorized Representative for all purposes of this Contract is Stephen Don Carlos.

In the case of a Joint election, the Contracting Authority makes known that _____N/A_____ will serve as the party making decisions relating to said Joint election and the Contracting Authority will be bound by decisions made by this person on its behalf.

6. General Provisions.

As specified in Texas Election Code §31.096 this Contract may not change:

- (1) the authority with whom applications of candidates for a place on a ballot are filed;
- (2) the authority with whom documents are filed under Texas Election Code S251.001 et. seq.; or
- (3)the authority to serve as custodian of voted ballots or other election records.

As set forth in Texas Election Code §31.099 not later than the 10th day after the date this Contract is executed the Contracting Officer shall file a copy of this Contract with the County Treasurer and the County Auditor.

9. WAIVER OF DAMAGES. The parties acknowledge that the Hart Intercivic 6.1 E-Slate System and the programming of paper ballots is highly technical and that it is conceivable that despite the efforts of the Contracting Officer it might fail during an election or might contain errors. The Contracting Authority agrees that should the electronic voting system fail, it will not make any claim against the Contracting Officer, the County of Galveston, or any of their full or part-time employees, independent contractors or agents for damages of any kind, including but not limited to any and all costs relating to an election contest and/or costs and damages incurred for having to conduct a second election caused as a result of such failure or error.

The Contracting Authority acknowledges that holding multiple simultaneous elections presents logistical problems and other problems over and above a single election. The Contracting Officer and his employees and agents will attempt to help ensure that these simultaneous elections are conducted without error or mishap, but on occasion, errors or mishaps do occur. Accordingly, the Contracting Authority agrees that should an error or mishap occur that it will not make any claim against the Contracting Officer, the County of Galveston, or their full or part-time employees, independent contractors or agents for damages of any kind including but not limited

to any and all costs relating to an election contest and/or costs and damages incurred by the Contracting Authority for having to conduct a second election, as a result of such error or mishap.

If legal action is filed against the Contracting Authority involving its election and if, the County and/or the Contracting Officer is named as a party to this legal action and the complaint is based solely on allegations made against the Contracting Authority, the Contracting Authority shall be solely responsible for the costs and defense of that suit, shall be authorized to provide counsel of its choice for the County and/or the Contracting Officer and, upon notice to the Contracting Authority shall be entitled to settle such claim or legal action upon terms it deems most advantageous to itself and Contracting Authority.

For purposes of implementing this Contract, the Contracting Officer and the Contracting Authority designate the following individuals, and whenever the Contract requires submissions of information or notice to the Contracting Officer or the Contracting Authority, submissions or notices shall be made to these individuals:

Contracting Officer:

Dwight Sullivan, County Clerk Attention: William Sargent, Chief Deputy Clerk for Elections Galveston County Judice Center 600 59th Street, Suite 2001 Galveston, TX 77551-4180 409-770-6005

Email: William.Sargent@co.galveston.tx.us

Contracting Authority:

4303 12th Street Bacliff, TX 77518

Phone: 281-339-1634

Bacliff MUD

Email: sdoncarlos@rsq-llp.com

Although the parties recognize that pursuant to §31.092 of the Texas Election Code this Contract needs not be submitted to the Galveston County Commissioners' Court to be placed on the Consent Agenda as a Receive and File Item, they find it prudent so to do.

Contract for Election Services

[May Election Cycle Even Numbered Years]

2011 SEP 13 PM 3: 28

This Contract is made and entered into this 9 day of September, 20 the land by and between Hon. Dwight D. Sullivan, County Clerk and County Election Conflict FIRA for Galveston County ("Contracting Officer") and WCID #12 ("Contracting County").

This Contract is being entered into pursuant to Texas Election Code, Chapter 31, Subchapter D for the purpose of ensuring that the Contracting Officer and the Contracting Authority understand the tasks each is to perform in connection with the following election and any subsequent runoff election, to-wit:

Purpose of Election: Bond and Fire Fighting Services Fee Election

November 8, 2011

N/A

Election Date

Runoff Election Date

1. Duties and Services of the Contracting Officer.

The Contracting Officer shall be responsible for performing the following duties and furnishing the following services and equipment in connection with the election and any subsequent runoff election.

- 1.1 Program, or arrange to have programmed, the ballot.

 [Cost: Based upon the number of contests on the ballot. See attached Fee Schedule]
- 1.2 Arrange to have published the legal notices of the first test of the electronic tabulating equipment as provided in Texas Election Code §127.096 and conduct all required tests of the electronic tabulating equipment under Texas Election Code §§127.096-127.098 and §§129.021-129.023. The first test shall be conducted at least five days prior to the election. In addition, it will be performed during normal business hours and be open to the public.

 [Cost: The cost for publishing the notice will be split equally between all the entities involved. See attached Fee Schedule]
- 1.3 Provide technical and equipment support for the voting machines and equipment being provided to the Contracting Authority. In the event there is a failure of a voting machine the Contracting Officer shall try to remedy the problem over the phone. If he is unable so to do he will dispatch to locations within Galveston County the appropriate technical support personnel and equipment to correct the failure.

[Cost Included in the 10% election fee]

1.4 On behalf of the Contracting Authority, obtain voter registration lists/polling books from the Voter Registrar to be used during Early Voting and on Election Day. [See Section 2.3 below]

For additional Duties of the Contacting Officer see the table below.

2. Duties and Services of the Contracting Authority.

The Contracting Authority will be responsible for performing the duties and services set forth in this section.

- 2.1 Prepare and submit all required submissions to the U.S Department of Justice under the Federal Voting Rights Act of 1965 for its election and runoff election.
- 2.2 Publish notices in accordance with Section 4.003(a) of the Texas Election Code.
- 2.3 Provide the Contracting Officer with the Contracting Authority's requirements for voter registration lists and poll books for Early Voting and Election Day.
- 2.4 Establish uniform hours for early voting in accordance with Texas Election Code §85.005. With multiple entities holding elections it is the goal to have uniform hours for polling places across the county thereby reducing the cost of the elections. Texas Election Code §85.005 (d) requires cities to have at least two days of early voting be for 12 hours duration at the main early voting location.
- 2.5 In accordance with Texas Election Code §4.008 as amended, deliver written notice of the election to the Contracting Officer no later than 71 days prior to the Election Day.
- 2.6 If the polling locations are different from previous elections the Contracting Authority , in accordance with Texas Election Code §43.062, shall notify prospective voters of the new location by placing a notice at the old polling location and a notice at the new polling location.
- 2.7 Provide to the Contracting Officer the language for any ballot propositions, the names of election contests, the names of candidates as they are to appear on the ballot, a copy of a sample ballot, ballot draw information and a completed "Requirements to Program the Ballot" form. Said materials to be provided in an electronic form to the Contracting Officer by **no later than September 8, 2011** All language on the ballot must be provided in both English and Spanish.
- 2 8 Return to the Contracting Officer, by **noon on September 21, 2011**, confirmation that the sample ballots the Contracting Officer has prepared and provided to the Contracting Authority are satisfactory or provide changes that need to be made.
- 2.9 The Contracting Officer will be conducting elections for numerous Contracting Authorities on the same day. The parties understand that each election has its own challenges and requirement and that failure to provide the information in paragraphs 2.5, 2.7 and 2.8 by the above dates will place an undue burden on the Contracting Officer that may prevent him from being able to provide his services to the Contracting Authority in a timely and accurate manner. Should the Contracting Authority miss said deadlines, and should the Contracting

Officer be unable to provide his services in a timely and accurate manner the Contracting Authority shall hold the Contracting Officer and his employees harmless from any election errors and corresponding liability and/or damages that may result, including but not limited to the costs incurred related to an election contest and/or the need to conduct a subsequent election.

- 2.10 As required by § 67.017 (b) and the Secretary of State's Office, make an electronic precinct-by-precinct report to the Secretary of State's Office by no later than the 30th day after Election Day.
- 2.11 Unless otherwise stipulated, transport, or have its Presiding Election Judges transport on its behalf, the voting machines and equipment to the Contracting Authority's Early Voting and Election Day voting locations.
- 2.12 Supervise, with the assistance of the Contracting Officer, the overall conduct of its election in Contracting Authority's jurisdiction including the supervision tabulation of results
- 2.13 Appoint the Signature Verification Committee and the Early Voting Ballot Board, and the presiding judge of the Central Counting Station. The Contracting Authority shall provide the Contracting Officer with contact information for each of these individuals
- 2.14 Pay a \$100 fee per Early Voting and Election Day polling location within its jurisdiction to cover a portion of the Contracting Officer's costs for hiring two election judges to provide the Contracting Authority and its Judges election support services throughout the term of this Contract.
- 2.15 Pursuant to the provisions of the Help America Vote Act of 2002, provide the appropriate number of bilingual poll workers as determined by guidance provided by the U.S. Department of Justice. If the Contracting Authority is appointing personnel to staff the polling locations Contracting Authority may not impose this duty on Contracting Officer. But, the Contracting Officer will attempt to assist Contracting Authority in finding bilingual poll workers.

Cancellation of Contract: Contracting Authority may cancel this Contract without incurring any expenses by notifying Contracting Officer of its intention to so cancel by no later than forty-eight (48) hours after its candidates filing deadline. Should Contracting Authority desire to cancel this Contract after that time it may do so upon twenty-four (24) notice to Contracting Officer but Contracting Authority will be obligated to pay Contracting Officer for services and equipment rendered up through the date of cancellation

Special Provision: Bilingual Poll Worker Requirements. Galveston County was a party in Civil Action No. 3.07 CV 377 styled "The United States of America, Plaintiff, v. Galveston County, Texas, Defendant in the United States District Court for the Southern District of Texas, Galveston Division". It entered into a Consent

Decree that acknowledged it is covered under both Section 4(f)(4) of the Voting Rights Act as amended and 42 U.S.C. §1973(b)(4)(Section 4(f)(4) to provide Spanish language written materials and assistance to voters. Galveston also has an obligation to ensure that its polling places and poll workers comply with the Help America Vote Act of 2002 ("HAVA"), 42 U.S.C. §§15301 et. seq. Although this Consent Decree expired December 31, 2010, Galveston County agreed that it is permanently enjoined from:

- a) Failing to provide in Spanish "any registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots", that they provide in English as required by Section 4(f)(4) of the Voting Rights Act, 43U.S.C.S1973b(f)(4); and
- b) Failing to ensure that poll workers provide and receive adequate training regarding (1) the use of providing provisional ballots under Section 302(a) of HAVA; and (2) the display of all HAVA-required signs under Section 302(b) of HAVA.

Contracting Authority understands that regardless of whether it desires to engage the Contracting Officer's services, it likewise has an obligation to comply fully with the same terms and provisions of the Voting Rights Act and the Help America Vote Act.

Selection of Services:

The Contracting Authority hereby selects the following services which it wants provided by the Contracting Officer and those for which the Contracting Authority shall be responsible. The Contracting Officer will affirm his willingness to perform the services requested by the Contracting Authority by signing this agreement.

| Contracting Authority to Perform | Contracting Officer to perform | Service |
|--|--------------------------------------|--|
| | ⊠. | Procure and distribute to the Election Judges all necessary election supplies, including but not limited to sample ballots, election kits, and office supplies such as paperclips, and pens. Each kit and unused election supplies are to be returned by the Contracting Authority to the Contracting Officer after the voting polls close on Election Night [Cost. \$50 per kit] |

| Contracting Authority to Perform | Contracting Officer to perform | Service |
|--|--------------------------------------|---|
| | X | Arrange for receiving and checking in the supplies and equipment being returned by the Election Judges after the voting polls close on Election Night. [Cost: Overtime for County employees used to provide this service split between the entities choosing this service] |
| | × | Procure all necessary voting machines and equipment for use at early voting and election day locations and prepare them for use. [Cost \$250 per eSlate or JBC and \$300 per DAU eSlate] |
| × | | Transport, or arrange to have transported, the voting machines and equipment to and from the early voting locations. [Cost: \$100 delivery per location]. |
| | ⊠. | Arrange for programming of the ballot and the Logic and Accuracy Testing of the counting equipment. [Cost: Determined by the number of contests on the ballot: \$550 for up to ten contests, \$1,100 for up to 20, \$1,650 for up to 30, \$2,450 for up to 40 and \$3,000 for 41 or more contests.] |
| | ⊠. | Arrange for the use of a central counting station and for the tabulating and supervisory personnel and equipment needed at the counting station. Prepare the testing materials for the tabulation of the ballots to be used with electronic tallying equipment. Prepare the unofficial tabulation of precinct results on Election Night. [Cost: \$350 for use of the equipment plus overtime for county employees doing the tabulation (est. max. \$350)] |
| D | ⊠ | Assist the Contracting Authority in the general overall supervision of the election and any subsequent runoff election and provide advisory services in connection with the decisions to be made and the actions taken by the Contracting Authority who is the convening authority for the election/runoff election [Cost: Included in the 10% election fee] |

ι

| | ⊠ | Conduct Early voting, Election Day, and bilingual training with at least two Election Day training sessions being offered during the evening hours beginning at 6 p m. [Cost: \$50 per trainee attending the four hour sessions] (Because WCID is hiring and paying its own workers the cost for training will be \$10 per trainee) |
|--|------------------------------------|--|
| Decline Evening Training | | Waiver of evening training. The County employee overtime costs associated with conducting training after normal business hours will be shared equally among those entities who have election workers attend these sessions. By checking the Decline box |
| □ Select this option | ⊠ Decline this option | ePollBook Option: Based upon the availability of the equipment, the Contracting Authority may choose to use electronic Poll Books instead of hard copy Poll Books. [Cost. to be determined] |
| Ø | | Determine the polling locations within their jurisdiction If the Contracting Authority is performing this task he will inform the Contracting Officer of said selections and provide the facilities contact information for each location. |
| × | | Hire judges, alternate judges, and clerks that, in the opinion of the Contracting Officer, are sufficient for the Contracting Authority's election or as are specified by the Contracting Authority. In order to comply with the Texas Election Code, workers must be registered voters from within the jurisdiction holding the election. [Cost. Base cost of \$10 per hour per worker If Contracting Officer is unable to locate workers who meet the code requirements he may need to hire County employees who will be paid at their overtime.] |
| If the Contracting Officer is to hire judges, alternate judges and clerks he will notify the Election Judges of the dates of the election and any subsequent runoff election as required by Texas Election Code §4.007 Otherwise the Contracting Authority shall perform this service [No additional cost] | | |
| ⊠ Accept | Decline | The Contracting Authority may have an observer present during the tabulation of the votes. If Contracting Authority desires an observer it will, prior to Election Day, provide the Contracting Officer with the name and contact information of the person who will represent them at the Central Counting Station |

3. Compensation, Billing, and Payment.

Attached to this Contract is a Schedule of Fees for Services rendered by Contracting Officer to Contracting Authority. Pursuant to Texas Election Code §31.100 these fees are the actual expenses incurred by Contracting Officer in providing the various services contained herein.

During this election cycle the Contracting Officer will be hiring two part time election judges to assist in preparation for the election, answering inquiries from polling locations, and post election duties. As noted in paragraph 2.14, the Contracting Authority shall pay \$100 per polling location within its jurisdiction to help defray the \$7,400 cost of hiring this part time help.

In addition to the attached Schedule of Fees, Contracting Authority will pay Contracting Officer the greater of Seventy-Five (\$75.00) Dollars or an additional tenpercent (10%) for general supervision of the election.

Pursuant to Texas Election Code §31.098, Contracting Officer may contract with third persons for election services and supplies agreed to herein and, subject to reimbursement by Contracting Authority, will pay the claims for those election expenses on Contracting Authority's behalf

Contracting Officer will invoice Contracting Authority for services rendered under this Contract. Contracting Authority will make payment to Contracting Officer in accordance with the terms and provisions of what is commonly referred to as the Texas Prompt Payment Act

4. Voting System.

The Hart Intercivic 6.1 E-Slate System owned by Galveston County will be the voting system used by Contracting Officer in providing services under this Contract.

5. Authorized Representatives.

Contracting Officer's Authorized Representative for all purposes of this Contract is its' Chief Deputy Clerk for Elections.

The parties recognize that Contracting Authority may be contracting with Contracting Officer solely for services to be provided for its own election. Alternatively, the parties recognize that Contracting Authority may have contracted with other political subdivisions for the conducting of joint elections and that Contracting Authority is contracting with Contracting Officer for services to be provided for its own election as well as for the elections of other political subdivisions as a result of these separate joint election agreements. Regardless of whether the Contracting Authority is acting solely on behalf of its own election or on behalf of itself and other political subdivisions as a result of separate joint election agreements, Contracting Authority's Authorized Representative for all purposes of this Contract is Strawn & Richardson, PC.

| In the case of a Joint elect | ion, the Contracting Authority makes known that |
|------------------------------|---|
| N/A | will serve as the party making decisions relating to said |
| Joint election and the Cont | racting Authority will be bound by decisions made by this |
| person on its behalf | , |

6. General Provisions.

As specified in Texas Election Code §31 096 this Contract may not change:

- (1) the authority with whom applications of candidates for a place on a ballot are filed;
- (2) the authority with whom documents are filed under Texas Election Code S251.001 et. seq.; or
- (3)the authority to serve as custodian of voted ballots or other election records.

As set forth in Texas Election Code §31.099 not later than the 10th day after the date this Contract is executed the Contracting Officer shall file a copy of this Contract with the County Treasurer and the County Auditor.

9. WAIVER OF DAMAGES. The parties acknowledge that the Hart Intercivic 6.1 E-Slate System and the programming of paper ballots is highly technical and that it is conceivable that despite the efforts of the Contracting Officer it might fail during an election or might contain errors. The Contracting Authority agrees that should the electronic voting system fail, it will not make any claim against the Contracting Officer, the County of Galveston, or any of their full or part-time employees, independent contractors or agents for damages of any kind, including but not limited to any and all costs relating to an election contest and/or costs and damages incurred for having to conduct a second election caused as a result of such failure or error.

The Contracting Authority acknowledges that holding multiple simultaneous elections presents logistical problems and other problems over and above a single election. The Contracting Officer and his employees and agents will attempt to help ensure that these simultaneous elections are conducted without error or mishap, but on occasion, errors or mishaps do occur. Accordingly, the Contracting Authority agrees that should an error or mishap occur that it will not make any claim against the Contracting Officer, the County of Galveston, or their full or part-time employees, independent contractors or agents for damages of any kind including but not limited to any and all costs relating to an election contest and/or costs and damages incurred by the Contracting Authority for having to conduct a second election, as a result of such error or mishap.

If legal action is filed against the Contracting Authority involving its election and if, the County and/or the Contracting Officer is named as a party to this legal action and the complaint is based solely on allegations made against the Contracting

Authority, the Contracting Authority shall be solely responsible for the costs and defense of that suit, shall be authorized to provide counsel of its choice for the County and/or the Contracting Officer and, upon notice to the Contracting Authority shall be entitled to settle such claim or legal action upon terms it deems most advantageous to itself and Contracting Authority.

For purposes of implementing this Contract, the Contracting Officer and the Contracting Authority designate the following individuals, and whenever the Contract requires submissions of information or notice to the Contracting Officer or the Contracting Authority, submissions or notices shall be made to these individuals:

Contracting Officer:

Dwight Sullivan, County Clerk
Attention. William Sargent, Chief Deputy Clerk for Elections
Galveston County Judice Center
600 59th Street, Suite 2001
Galveston, TX 77551-4180
409-770-6005

Email: William Sargent@co.galveston.tx.us

Contracting Authority:

Galveston Co WCID No 12 Go Strawn & Richardson, P.C. 6750 West Loop South, Suite 250

Bellain Tx 17401 Phone 713-864-5466

Email: Chris@ Srlegal com

Although the parties recognize that pursuant to §31.092 of the Texas Election Code this Contract needs not be submitted to the Galveston County Commissioners' Court to be placed on the Consent Agenda as a Receive and File Item, they find it prudent so to do.

1. Duties and Services of the Contracting Officer.

The Contracting Officer shall be responsible for performing the following duties and furnishing the following services and equipment in connection with the election and any subsequent runoff election.

- 1.1 Program, or arrange to have programmed, the ballot [Cost Based upon the number of contests on the ballot See attached Fee Schedule]
- 1.2 Arrange to have published the legal notices of the first test of the electronic tabulating equipment as provided in Texas Election Code §127.096 and conduct all required tests of the electronic tabulating equipment under Texas Election Code §§127.096-127.098 and §§129.021-129.023. The first test shall be conducted at least five days prior to the election. In addition, it will be performed during normal business hours and be open to the public.

 [Cost The cost for publishing the notice will be split equally between all the entities involved See attached Fee Schedule]
- 1 3 Provide technical and equipment support for the voting machines and equipment being provided to the Contracting Authority. In the event there is a failure of a voting machine the Contracting Officer shall try to remedy the problem over the phone. If he is unable so to do he will dispatch to locations within Galveston County the appropriate technical support personnel and equipment to correct the failure

[Cost: Included in the 10% election fee]

1.4 On behalf of the Contracting Authority, obtain voter registration lists/polling books from the Voter Registrar to be used during Early Voting and on Election Day. [See Section 2 3 below]

For additional Duties of the Contacting Officer see the table below

2. Duties and Services of the Contracting Authority.

The Contracting Authority will be responsible for performing the duties and services set forth in this section.

- 2.1 Prepare and submit all required submissions to the U.S. Department of Justice under the Federal Voting Rights Act of 1965 for its election and runoff election.
- 2 2 Publish notices in accordance with Section 4.003(a) of the Texas Election Code.
- 2.3 Within the time frame established by the Contracting Officer, provide the Contracting Officer with the Contracting Authority's requirements for voter registration lists and poll books for Early Voting and Election Day
- 2.4 Establish uniform hours for early voting in accordance with Texas Election Code §85.005. With multiple entities holding elections it is the goal to have uniform hours for polling places across the county thereby reducing the cost of the elections. Texas Election Code §85.005 (d) requires cities to have at least two days of early voting be for 12 hours duration at the main early voting location.
- 2.5 In accordance with Texas Election Code §4.008 as amended, deliver written notice of the election to the Contracting Officer no later than 71 days prior to the Election Day.
- 2.6 If the polling locations are different from previous elections the Contracting Authority, in accordance with Texas Election Code §43.062, shall notify prospective voters of the new location by placing a notice at the old polling location and a notice at the new polling location.
- 2.7 Provide to the Contracting Officer the language for any ballot propositions, the names of election contests, the names of candidates as they are to appear on the ballot, a copy of a sample ballot, ballot draw information and a completed "Requirements to Program the Ballot" form. Said materials to be provided in an electronic form to the Contracting Officer by no later than <u>SEPTEMBER 8, 2011</u>. All language on the ballot must be provided in both English and Spanish.
- 2.8 Return to the Contracting Officer, by noon on SEPTEMBER 21, 2011, confirmation that the sample ballots the Contracting Officer has prepared and provided to the Contracting Authority are satisfactory or provide changes that need to be made.
- 2.9 The Contracting Officer will be conducting elections for numerous Contracting Authorities on the same day. The parties understand that each election has its own challenges and requirement and that failure to provide the information in paragraphs 2.5, 2.7 and 2.8 by the above dates will place an undue burden on the Contracting Officer that may prevent him from being able to provide his services to the Contracting Authority in a timely and accurate manner. Should the Contracting Authority miss said deadlines, and should the Contracting

Officer be unable to provide his services in a timely and accurate manner the Contracting Authority shall hold the Contracting Officer and his employees harmless from any election errors and corresponding liability and/or damages that may result, including but not limited to the costs incurred related to an election contest and/or the need to conduct a subsequent election.

- 2.10 As required by § 67.017 (b) and the Secretary of State's Office, make an electronic precinct-by-precinct report to the Secretary of State's Office by no later than the 30th day after Election Day.
- 2.11 Unless otherwise stipulated, transport, or have its Presiding Election Judges transport on its behalf, the voting machines and equipment to the Contracting Authority's Early Voting and Election Day voting locations.
- 2 12 Supervise, with the assistance of the Contracting Officer, the overall conduct of its election in the Contracting Authority's jurisdiction including supervision of tabulation of the results.
- 2.13 Appoint the Signature Verification Committee and the Early Voting Ballot Board, and the presiding judge of the Central Counting Station. The Contracting Authority shall provide the Contracting Officer with contact information for each of these individuals.
- 2.14 Pay a \$50 fee per Early Voting and Election Day polling location designated by the Contracting Officer and that is within its jurisdiction to cover a portion of the Contracting Officer's costs for hiring two election judges to provide the Contracting Authority and its Judges election support services throughout the term of this Contract. If the Contracting Authority designates its own or additional polling locations within its jurisdiction a fee of \$100 for each of these polling locations will be assessed.
- 2.15 Pursuant to the provisions of the Help America Vote Act of 2002, provide the appropriate number of bilingual poll workers as determined by guidance provided by the U.S. Department of Justice. If the Contracting Authority is appointing personnel to staff the polling locations Contracting Authority may not impose this duty on Contracting Officer. But, the Contracting Officer will attempt to assist Contracting Authority in finding bilingual poll workers.

Cancellation of Contract: Contracting Authority may cancel this Contract without incurring any expenses by notifying Contracting Officer of its intention to so cancel by no later than forty-eight (48) hours after its candidates filing deadline. Should Contracting Authority desire to cancel this Contract after that time it may do so upon twenty-four (24) notice to Contracting Officer but Contracting Authority will be obligated to pay Contracting Officer for services and equipment rendered up through the date of cancellation.

Special Provision: Bilingual Poll Worker Requirements. Galveston County was a party in Civil Action No. 3:07 CV 377 styled "The United States of America, Plaintiff, v. Galveston County, Texas, Defendant in the United States District Court

for the Southern District of Texas, Galveston Division". It entered into a Consent Decree that acknowledged it is covered under both Section 4(f)(4) of the Voting Rights Act as amended and 42 U.S.C. §1973(b)(4)(Section 4(f)(4) to provide Spanish language written materials and assistance to voters. Galveston also has an obligation to ensure that its polling places and poll workers comply with the Help America Vote Act of 2002 ("HAVA"), 42 U.S.C. §§15301 et. seq. Although this Consent Decree expired December 31, 2010, Galveston County agreed that it is permanently enjoined from:

- a) Failing to provide in Spanish "any registration or voting notices, forms, instructions, assistance, or other materials or information relating to the electoral process, including ballots", that they provide in English as required by Section 4(f)(4) of the Voting Rights Act, 43U.S.C.S1973b(f)(4); and
- b) Failing to ensure that poll workers provide and receive adequate training regarding (1) the use of providing provisional ballots under Section 302(a) of HAVA, and (2) the display of all HAVA-required signs under Section 302(b) of HAVA.

Contracting Authority understands that regardless of whether it desires to engage the Contracting Officer's services, it likewise has an obligation to comply fully with the same terms and provisions of the Voting Rights Act and the Help America Vote Act.

Selection of Services:

The Contracting Authority hereby selects the following services which it wants provided by the Contracting Officer and those for which the Contracting Authority shall be responsible. The Contracting Officer will affirm his willingness to perform the services requested by the Contracting Authority by signing this agreement.

| Contracting Authority to Perform | Contracting Officer to perform | Service |
|--|--------------------------------------|--|
| | Į. | Procure and distribute to the Election Judges all necessary election supplies, including but not limited to sample ballots, election kits, and office supplies such as paperclips, and pens. Each kit and unused election supplies are to be returned by the Contracting Authority to the Contracting Officer after the voting polls close on Election Night. [Cost: A fee of \$25 will be charged for each election kit provided to any of the thirty six county wide polling places chosen by the Contracting Officer that located within the Contracting Authority's jurisdiction and which the Contracting Authority shares with the County. If the Contracting Authority selects additional polling locations a fee of \$50 per kit will be assessed.] |

| Contracting Authority to Perform | Contracting Officer to perform | Service |
|--|--------------------------------------|--|
| | | Arrange for receiving and checking in the supplies and equipment being returned by the Election Judges after the voting polls close on Election Night [Cost computation Formula Overtime for County employees used to provide this service divided by the number of polling locations times the number of polling locations within the Contracting Authority's jurisdiction divided by two] |
| | D/ | Procure all necessary voting machines and equipment for use at early voting and election day locations and prepare them for use. [Cost: Normally \$250 per eSlate or JBC and \$300 per DAU eSlate. This cost will be split 50/50 with the Contracting Officer for any pre-existing Vote Center location the Contracting Authority chooses to share within its geographic jurisdiction. If an additional polling location is desired by the Contracting Authority, the normal costs will apply.] |
| De / | | Transport, or arrange to have transported, the voting machines and equipment to and from the early voting locations [Cost a \$100 delivery fee per location will be assessed if the Contracting Authority desires an additional polling location within its geographic jurisdiction. Otherwise no fee will be charged.] |
| | e e | Arrange for programming of the ballot and the Logic and Accuracy Testing of the counting equipment. [Cost' Determined by the number of contests on the Contracting Authority's ballot' \$550 for up to ten contests, \$1,100 for up to 20, \$1,650 for up to 30, \$2,450 for up to 40 and \$3,000 for 41 or more contests] |
| | ď | Arrange for the use of a central counting station and for the tabulating and supervisory personnel and equipment needed at the counting station. Prepare the testing materials for the tabulation of the ballots to be used with electronic tallying equipment. Prepare the unofficial tabulation of precinct results on Election Night. [Cost: \$350 for use of the equipment] |
| | T T | Assist the Contracting Authority in the general overall supervision of the election and any subsequent runoff election and provide advisory services in connection with the decisions to be made and the actions taken by the Contracting Authority who is the convening authority for the election/runoff election [Cost: Included in the 10% election fee] |

| | ₽ | Conduct Early voting, Election Day, and bilingual training with at least two Election Day training sessions being offered during the evening hours beginning at 6 p m [Cost. \$50 per trainee attending the four hour sessions This cost will be split 50/50 with the Contracting Officer] |
|---|-----------------------------|--|
| Decline Evening Training | | Waiver of evening training: The County employee overtime costs associated with conducting training after normal business hours will be shared equally among those entities who have election workers attend these sessions. By checking the Decline box the Contracting Authority is declining participation in Evening Training |
| ⊠ Select this option | □ Decline this option | ePollBook Option. Based upon the availability of the equipment, the Contracting Authority may choose to use electronic Poll Books instead of hard copy Poll Books [Cost. Zero for this election] |
| | D⁄ | Select additional polling locations within their Jurisdiction. |
| D/ | | Hire judges, alternate judges, and clerks that, in the opinion of the Contracting Officer, are sufficient for the Contracting Authority's election or as are specified by the Contracting Authority. In order to comply with the Texas Election Code, workers must be registered voters from within the jurisdiction holding the election. [Cost: Base cost of \$10 per hour per worker. If Contracting Officer is unable to locate workers who meet the code requirements he may need to hire County employees who will be paid at their customary overtime rate.] |
| If the Contracting Officer is to hire judges, alternate judges and clerks he will notify the Election Judges of the dates of the election and any subsequent runoff election as required by Texas Election Code §4 007. Otherwise the Contracting Authority shall perform this service [No additional cost] | | |
| □ Accept | ヷ Decline | The Contracting Authority may have an observer present during the tabulation of the votes. If Contracting Authority desires an observer it will, prior to Election Day, provide the Contracting Officer with the name and contact information of the person who will represent them at the Central Counting Station. |

Throughout this contract you will see references allowing the Contracting Authority to select additional voting locations within its jurisdictions. Since this election will be a countywide Vote Center election an additional location selected by the Contracting Authority will also become a countywide Vote Center and will be required to meet the minimum requirements for such. This includes, but is not limited to, complying with ADA accessibility requirements, having Internet connectivity, and using workers who have attended election worker training.

3. Compensation, Billing, and Payment.

Attached to this Contract is a Schedule of Fees for Services rendered by Contracting Officer to Contracting Authority. Pursuant to Texas Election Code §31.100 these fees are the actual expenses incurred by Contracting Officer in providing the various services contained herein

During this election cycle the Contracting Officer will be hiring two part time election judges to assist in preparation for the election, answering inquiries from polling locations, and post election duties. As noted in paragraph 2.14, the Contracting Authority shall pay a \$100 fee for any additional polling location it wishes to add to the thirty six countywide Vote Centers selected by the Contracting Officer. within its jurisdiction to help defray the \$7,400 cost of hiring this part time help. [See para 2 14]

In addition to the attached Schedule of Fees, Contracting Authority will pay Contracting Officer the greater of Seventy-Five (\$75.00) Dollars or an additional ten percent (10%) for general supervision of the election.

Pursuant to Texas Election Code §31.098, Contracting Officer may contract with third persons for election services and supplies agreed to herein and, subject to reimbursement by Contracting Authority, will pay the claims for those election expenses on Contracting Authority's behalf.

Contracting Officer will invoice Contracting Authority for services rendered under this Contract

Contracting Authority will make payment to Contracting Officer in accordance with the terms and provisions of what is commonly referred to as the Texas Prompt Payment Act.

4. Voting System.

The Hart Intercivic 6.1 E-Slate System owned by Galveston County will be the voting system used by Contracting Officer in providing services under this Contract.

5. Authorized Representatives.

Contracting Officer's Authorized Representative for all purposes of this Contract is its' Chief Deputy Clerk for Elections.

In the case of a Joint election, the Contracting Authority makes known that
______ will serve as the party making decisions relating to said Joint
election and the Contracting Authority will be bound by decisions made by this
person on its behalf

6. General Provisions.

As specified in Texas Election Code §31.096 this Contract may not change:

- (1) the authority with whom applications of candidates for a place on a ballot are filed;
- (2) the authority with whom documents are filed under Texas Election Code \$251.001 et. seq.; or
- (3)the authority to serve as custodian of voted ballots or other election records.

As set forth in Texas Election Code §31.099 not later than the 10th day after the date this Contract is executed the Contracting Officer shall file a copy of this Contract with the County Treasurer and the County Auditor.

7. WAIVER OF DAMAGES. The parties acknowledge that the Hart Intercivic 6.1 E-Slate System and the programming of paper ballots is highly technical and that it is conceivable that despite the efforts of the Contracting Officer it might fail during an election or might contain errors. The Contracting Authority agrees that should the electronic voting system fail, it will not make any claim against the Contracting Officer, the County of Galveston, or any of their full or part-time employees, independent contractors or agents for damages of any kind, including but not limited to any and all costs relating to an election contest and/or costs and damages incurred for having to conduct a second election caused as a result of such failure or error.

The Contracting Authority acknowledges that holding multiple simultaneous elections presents logistical problems and other problems over and above a single election. The Contracting Officer and his employees and agents will attempt to help ensure that these simultaneous elections are conducted without error or mishap, but on occasion, errors or mishaps do occur. Accordingly, the Contracting Authority agrees that should an error or mishap occur that it will not make any claim against the Contracting Officer, the County of Galveston, or their full or part-time employees, independent contractors or agents for damages of any kind including but not limited to any and all costs relating to an election contest and/or costs and damages incurred by the Contracting Authority for having to conduct a second election, as a result of such error or mishap.

If legal action is filed against the Contracting Authority involving its election and if, the County and/or the Contracting Officer is named as a party to this legal action and the complaint is based solely on allegations made against the Contracting Authority, the Contracting Authority shall be solely responsible for the costs and defense of that suit, shall be authorized to provide counsel of its choice for the County and/or the Contracting Officer and, upon notice to the Contracting Authority

shall be entitled to settle such claim or legal action upon terms it deems most advantageous to itself and Contracting Authority.

For purposes of implementing this Contract, the Contracting Officer and the Contracting Authority designate the following individuals, and whenever the Contract requires submissions of information or notice to the Contracting Officer or the Contracting Authority, submissions or notices shall be made to these individuals

Contracting Officer:

Dwight Sullivan, County Clerk Attention: William Sargent, Chief Deputy Clerk for Elections Galveston County Judice Center 600 59th Street, Suite 2001 Galveston, TX 77551-4180 409-770-6005

Email. <u>William.Sargent@co.galveston.tx.us</u>

| Performance of duties and services under the contract | \$75 of 10% of the cost of the election, whichever is greater, will be charged as provided by the Texas Election Code. |
| Damage to equipment | If not covered under warranty, the County may hold the Contracting Authority responsible for any actual damages for repairs occurring during the time the voting equipment was in their possession |

AGENDA ITEM #7

From. egrants@governor.state.tx.us [mailto:egrants@governor.state.tx.us]

Sent: Thursday, September 08, 2011 1:05 PM

To: Henry, Mark; Roady, Jack; Billingsley, Cliff

Cc: madeline.mcgallion@h-gac.com; james.mahood@h-gac.com; larry.smith@h-gac.com Subject: eGrants: Notification of OOG Grant Award for Grant Number: 2002804

It is a pleasure to inform you that your application for funding has been awarded!

The Office of the Governor (OOG) is working to ensure that communities throughout the state receive the resources to make Texas a safer place by creating and supporting programs that protect people from crime, reduce the number of crimes committed, and promote accountability, efficiency, and effectiveness within the criminal justice system. Your project contributes to these efforts.

See the instructions below for specific information about activating your award. Thank you for your work and best wishes for a successful project.

Instructions for Activating Your Grant

To activate your agency's grant, the Authorized Official should log on to eGrants at https://eGrants.governor.state.tx.us

and go to the 'My Home' page. In the 'Project Status' column, locate the application(s) marked 'Pending Acceptance of Award'. Click on the grant number and proceed to the 'Accept Award' tab. At the bottom of this page you may click the appropriate tab to 'Accept' or 'Decline' the award for your grant.

AGENDA ITEM #8a

Child Advocacy Project Contract Between The Galveston County Children's Services Board And Advocacy Center for Children of Galveston County

The Galveston County Children's Services Board, a county child welfare board established under §264 005 of the Texas Family Code and the Advocacy Center for Children of Galveston County, a children's advocacy center established under Chapter 264 Subchapter E of the Texas Family Code desire to develop a team approach to investigating child abuse/neglect and reducing, to the greatest extent possible, the number of interviews required of a victim of child abuse/neglect Accordingly, the parties mutually agree as follows

I Term of Contract

The term of this Contract begins effective October 1, 2011 and ends on September 30, 2012

II Purpose of Contract

The purpose of this contract is to provide partial administrative cost reimbursement of salary and benefits, to help assist the Advocacy Center in the performance of its duties. These duties relate to intervening in cases of suspected child abuse/neglect and to coordinating the various governmental entities that may be involved in investigating or prosecuting a child abuse/neglect case. Specifically, the Children's Advocacy Center, on an ongoing basis

- assesses victims of child abuse/neglect and their families to determine their need for services relating to the investigation of child abuse/neglect^{*}
- 2) provides services determined to be needed under subdivision (1),
- 3) provides a facility at which a multidisciplinary team appointed under §264.406 of the Texas Family Code can meet to facilitate the efficient and appropriate disposition of child abuse/neglect cases through the civil and criminal justice systems, and
- 4) coordinates the activities of governmental entities relating to child abuse/neglect investigations and delivery of services to child abuse/neglect victims and their families

III Maximum Amount of Expenditure

The maximum expenditure to be made by The Children's Services Board under this Contract will not exceed \$15,000 Requests for payment will be made monthly by the 7th day following the last day of the month in which the expenditures were made

Administrative Expenses The requests will be on an administrative cost reimbursement basis, documented by a report of actual administrative expenditures.

Rainbow Room. The requests will be on costs for portable cribs and car seats for the Rainbow Room

The Children's Services Board will pay each invoice that has been submitted within 45 days of receipt of a request for payment. Payment of questionable invoices may be withheld until the parties mutually resolve the question

IV Breakdown of Expenditure

The breakdown of expenditures is as follows

Not to Exceed

Rainbow Room Administrative Expenses Outreach Coordinator

\$5,000.00 (salary) \$5,000 00 \$5,000 00 \$15,000 00

V Termination for Lack of Funding

The funding of this Contract is wholly dependent upon Galveston County. If, for any reason, or no reason, such funding is not forthcoming, in whole, this contract will be immediately terminated with no penalty to either party. If, partial funding is forthcoming, the parties will jointly determine how such funds will be utilized.

VI Early Termination

This Contract may be cancelled by mutual consent. This contract may be cancelled by either party for any reason, or no reason, upon 30 days prior written notice being given by the party desiring to cancel to the other party. In addition, this Contract may be immediately cancelled upon the failure of the Advocacy Center to provide the services set forth in Paragraph II

VII Inspection of Records

Advocacy Center shall maintain the necessary financial records to support the expenditure of the funds paid by the Galveston County Children's Services Board. The Galveston County Auditor's Office on behalf of the Board shall have a right to audit these records for up to three years after the close of the County's fiscal year end (September 30). The County Auditor shall examine these records at Advocacy Center 's primary business location or any other location in the County that is more convenient for Advocacy Center. Advocacy Center shall promptly (within ninety days of receipt of any audit report from the County) respond to any discrepancies noted by the County. Access to such records will be permitted during normal business hours of 8:00 a.m. – 5:00 p.m.

VIII Policies

Advocacy Center will adhere to all regulations, policies and procedures prescribed by the Texas Department of Protective and Regulatory Services and The Children's Services Board that relate to the services being provided herein in the event of a conflict in policies between The Children's Services Board and the State, State regulations will control.

XIX Evaluation

The parties will periodically engage in a joint evaluation of Advocacy Center's programs to help ensure that the needs of victims of child abuse/neglect are being adequately served.

XX Notice

Advocacy Center will immediately notify The Children's Services Board in the event of any significant changes affecting the Advocacy Center and its identity, such as name change, change in governing board membership or pertinent staff changes Any notice required or permitted between the parties under this contract must be in writing and shall be delivered in person or mailed, certified mail, return receipt requested, or may be transmitted by fax as follows.

XXI Independent Relationship.

None of the provisions of this contract are intended to create, nor may be deemed to create, any relationship between the parties other than that of independent entities contracting with each other solely for the purpose of effecting the provisions of this contract. In the performance of work, duties, and obligations under this contract, Advocacy Center is at all times acting and performing as an independent contractor with complete control over the means, manner, and method by which services are rendered. Nothing in this contract shall create any employer/employee or agency relationship between the parties to this contract.

XXII Confidentiality

Except to competent authorities, Advocacy Center agrees not to reveal or disclose any information relating to any case in which services are provided under this contract

XXIII Advertising and Solicitation

Advocacy Center may not use the award of this contract or performance of services under this contract as an advertisement or otherwise for the purpose of soliciting or obtaining business from other sources. Advocacy Center may not include any information relating to this contract in business cards, pins, labels, patches, or any other manner that could be construed as advertising, solicitation, or as an official extension of The Children's Services Board.

XXIV Assignment

Advocacy Center may not assign, sell, or otherwise transfer this contract without written permission of The Children's Services Board

XXV Entirety of Agreement and Modification

This contract contains the entire agreement between the parties relating to their rights and obligations under this contract. A prior agreement, promise, negotiation, or representation not expressly set forth in this contract has no force or effect. A subsequent modification to this contract must be in writing, signed by the party to be charged and expressly authorized by the governing body of the party. An official representative, employee, or agent of The Children's Services Board does not have authority to modify or amend this contract except pursuant to specific authority to do so granted by The Children's Services Board acting as a body

XXVI Severability; Conformity with Legal Limitations

If a provision contained in this contract is held invalid for any reason, the invalidity does not affect other provisions of the contract that can be given effect without the invalid provision, and to this end the provisions of this contract are severable

If any current or future legal limitations affect the validity or enforceability of a provision of this contract, then the legal limitations are made a part of this contract and shall operate to amend this contract to the minimum extent necessary to bring this contract into conformity with the requirements of the limitations, and so modified, this contract shall continue in full force and effect.

XXVII Governing Law: Venue

This contract shall be governed by the laws of the State of Texas. Venue for an action arising under this contract shall be exclusively in Galveston County

XXVII Benefit

This contract is intended to inure only to the benefit of the parties. This contract is not intended to create, nor shall be deemed or construed to create, any rights in third parties.

XXVIII General Provisions

Except as provided otherwise, words shall be given their ordinary meaning. If a word is connected with and used with reference to a particular trade or subject matter or is used as a word of art, the word shall have the meaning given by experts in the particular trade, subject matter, or art

Words in the present or past tense include the future tense. The singular includes the plural and the plural includes the singular unless expressly provided otherwise Words of one gender include the other genders

The headings at the beginning of the various provisions of this contract have been included only in order to make it easier to locate the subject covered by each provision and are not to be used in construing this contract

For faithful performance of the terms of this agreement, the parties hereto in their capacities as stated, affix their signatures and bind themselves effective the October 1st, 2011.

Galveston County Advocacy Center for Children Children's Services Board of Galyeston County **Executive Director**

Execution by the County of Galveston County

The County of Galveston, acting by and through Mark Henry, County Judge, in accordance with an Order passed by the Commissioners' Court, acknowledges that the foregoing Agreement has been submitted to it and that the Court has no objection to its execution by the Galveston County Children's Services Board.

Mark-Henry Kenneth Clark

Galveston, Texas 77555-0351

AGREEMENT BETWEEN

THE UNIVERSITY OF TEXAS MEDICAL BRANCH AT GALVESTON, THE GALVESTON COUNTY CHILDREN'S SERVICES BOARD, AND GALVESTON COUNTY FOR SERVICES TO BE PROVIDED FOR THE TEXAS DEPARTMENT OF FAMILY AND PROTECTIVE SERVICES

This Agreement is entered into pursuant to Texas Family Code, Chapter 264, by and between **The University of Texas Medical Branch at Galveston** ("UTMB"), an institution of The University of Texas System which is an agency of the State of Texas, on behalf of its Department of Pediatrics, **The Galveston County Children's Services Board** ("Board"), acting on behalf of the Texas Department of Family and Protective Services ("CPS"), and **Galveston County** ("County"), the Board's financial conduit for this Agreement

RECITALS

WHEREAS, Board is authorized by Texas Family Code § 264 005(d) to provide coordinated state and local public welfare services for children and their families on behalf of CPS, and

WHEREAS, Board desires the professional services of a UTMB Physician Assistant ("PA") or Pediatric Nurse Practitioner ("PNP"), as designated by UTMB, to assist Board in addressing such health care needs of CPS clientele as described herein, and

WHEREAS, Board desires to pay for said professional services for the children of Galveston County utilizing funds provided by County, and

WHEREAS, UTMB desires to provide the professional services described herein,

NOW THEREFORE, for and in consideration of the mutual promises and covenants set forth herein, UTMB, Board and County (collectively, the "Parties") agree as follows

I. RESPONSIBILITIES OF UTMB

- 11 <u>Services Provided</u> UTMB shall provide a PA/PNP, as designated by UTMB, from UTMB's Department of Pediatrics to perform the services contained in *Exhibit A, entitled "Services Provided"*, attached hereto and incorporated herein for all purposes
- 1.2 <u>Availability</u> UTMB shall provide the services of a PA/PNP in accordance with the terms and conditions provided in *Exhibit B, entitled "Availability*", attached hereto and incorporated herein for all purposes

- 1.3 Reporting UTMB will report on a monthly basis to CPS, Board and County's Director of Community Services as provided in Exhibit A, Item (j)
- 1.4 <u>Financial Recordkeeping</u> UTMB shall maintain all necessary financial records to support the expenditure of all funds paid by Board utilizing County funds pursuant to Section III of this Agreement
- 1 4 1 The Board, through the offices of the Galveston County Auditor, shall have the unfettered right to audit these financial records for up to three (3) years after the expiration or early termination of the initial term of this Agreement. In addition, should this Agreement be renewed on an annual basis as provided in Article 4 14 below, the Galveston County Auditor shall have the unfettered right to audit these financial records for up to three (3) years after the expiration or early termination of each annual renewal period
- 1 4 2 Upon written request, UTMB shall make these financial records available for examination by the Galveston County Auditor at either UTMB's primary business location or any other location in Galveston County that is mutually agreeable to the parties. The County Auditor may receive copies of any records he deems necessary immediately upon request and at no cost to Board or to County.
- 1 4 3 UTMB shall respond to any discrepancies noted by the Galveston County Auditor in its examination of these financial records within ninety (90) days of receiving written notice of such discrepancies. UTMB and the Galveston County Auditor will work together in an attempt to resolve such discrepancies.

II. RESPONSIBILITIES OF CPS

- Consent for Examination and Treatment Although it is not a signatory to this Agreement, in accordance with the authority granted Board pursuant to Texas Family Code §264 005(d), the Parties anticipate that CPS shall provide or obtain any legal consent in writing necessary to conduct a physical examination and diagnostic assessment of a child's medical problem, grant UTMB access to information found in CPS's records, allow children or their parents, guardians, or family members to be interviewed by UTMB for the purpose of obtaining a medical or forensic history, and allow UTMB to share any information obtained during such assessments and/or interviews with CPS representatives. In the event CPS cannot provide or obtain consent, the Parties acknowledge a child may be treated by UTMB pursuant to Chapter 264 of the Texas Family Code or other applicable state law
- 2.2 <u>Notice of Meetings</u> The parties also anticipate that CPS will give UTMB reasonable notice of all meetings, consultations, training sessions, orientation sessions, workshops, or any other events requiring the presence of a representative of UTMB
- 2.3 <u>Payment</u> The Board, utilizing County funds, shall compensate UTMB as provided in Section III of this Agreement

III. TERMS FOR PAYMENT

3 1 Compensation

- 3 1 1 Salary and Benefits Portion The Board shall compensate UTMB for fifty-five percent (55%) of the PA/PNP's salary and benefits That amount, FIFTY THREE THOUSAND, THREE HUNDRED EIGHTY-FOUR DOLLARS AND NO CENTS (\$53,384 00), shall be payable in twelve (12) equal installments of FOUR THOUSAND FOUR HUNDRED FORTY-EIGHT DOLLARS AND SIXTY-SIX CENTS (\$4,448 66) per month commencing October 1, 2011, with each installment to be paid on or before the 10th day of each month during the term of this Agreement
- 3 1 2 Maintenance and Operations Portion In addition to the Salary and Benefits described in Article 3 1 1 above, Board shall provide UTMB TWO THOUSAND FIVE HUNDRED DOLLARS AND NO CENTS (\$2,500 00) for Maintenance and Operations Costs This payment will be paid in twelve (12) equal installments of TWO HUNDRED EIGHT DOLLARS AND THIRTY-THREE CENTS (\$208 33) per month commencing October 1, 2011
- 3 1 3 <u>Maintenance and Operations Costs</u> The Maintenance and Operations amount described in Section 3 1 2 above shall be used to pay
 - (a) dues, subscriptions and travel expenses of the PA/PNP, and
 - (b) colposcope maintenance
- 3 1 4 <u>Total</u> The total amount of compensation to be received per year by UTMB shall not exceed FIFTY-FIVE THOUSAND, EIGHT HUNDRED EIGHTY-FOUR DOLLARS AND NO CENTS (\$55,884 00)
- 3.2 CPS, Board and County shall not be invoiced or billed for any services rendered by UTMB as all medical provider bills owed by CPS or Board for all services provided under this Agreement are included and covered by the payments set forth in Articles 3.1.1 and 3.1.2 above. Further, UTMB shall not bill any third party payor, including Medicaid, for the services it provides under this Agreement, and CPS, Board and/or County shall be entitled to bill any such third party payors for services provided by UTMB under this Agreement as allowed by law

IV. MUTUAL AGREEMENTS

4.1 Indemnification

4 1 1 To the extent authorized by the Constitution and laws of the State of Texas, Board, to the extent it can bind CPS pursuant to Texas Family Code §264 005(d), and County agree to hold the State of Texas, the Board of Regents of The University of Texas System, UTMB, and their respective officers, employees, and

agents harmless from and indemnify each of them against any and all claims, actions, damages, suits, proceedings, judgments, and liabilities, excluding attorney's fees, for personal injury, death, or property damage resulting from the acts or omissions of CPS, Board, or County or resulting from the acts or omissions of others under the supervision or control of CPS, Board or County

- 4 1 2 To the extent authorized by the Constitution and laws of the State of Texas, UTMB agrees to hold CPS, Board, County and their respective officers, employees, and agents harmless from and indemnify each against any and all claims, actions, damages, suits, proceedings, judgments, and liabilities, excluding attorney's fees, for personal injury, death, or property damage resulting from the acts or omissions of UTMB, UTMB's PA/PNP, or the acts or omissions of others under UTMB's supervision or control
- 42 <u>Self Insurance</u> As an agency of the State of Texas, liability for the tortious conduct of all other agents and employees of UTMB, including house staff, is provided for solely by the provisions of Chapters 101, 104 and 108 of the Texas Civil Practice and Remedies Code As a governmental unit established pursuant to Chapter 264 of the Texas Family Code, Board's liability for its tortuous conduct as well as the tortuous conduct of its agents and employees is provided solely by the provisions of Chapter 101 of the Texas Civil Practice and Remedies Code As a political subdivision of the State of Texas, County's liability for its tortuous conduct as well as the tortuous conduct of its agents and employees is similarly provided solely by the provisions of Chapter 101 of the Texas Civil Practice and Remedies Code All parties are self insured
- 4 3 <u>Force Majeure</u> No party shall be required to perform any term, condition, or covenant of this Agreement so long as such performance is delayed or prevented by an Act of God, material or labor restrictions imposed by any governmental authority, civil riot, flood, hurricane, or other natural disaster, or any other cause not reasonably within the control of the party failing to perform
- 4.4 Entire Agreement This Agreement constitutes the entire Agreement between the Parties. No agreements, amendments, or modifications, implied or otherwise, shall be binding on any of the parties unless set forth in writing and signed by Parties.
- 4.5 <u>Governing Law, Venue</u> Board and UTMB agree that this Agreement shall be construed in accordance with the Constitution and laws of the State of Texas and venue shall lie in Galveston County
- 4.6 <u>Severability</u> If one or more of the provisions of this Agreement, or the application of any provision to any Party or circumstance, is held invalid, unenforceable, or illegal in any respect, the remainder of this Agreement and the application of the provision to other Parties or circumstances shall remain valid and enforceable

- Agreement there will be no discrimination against any person or persons on account of race, color, sex, sexual orientation, religion, age, disability, national origin, or veteran status, and that the Parties shall comply with all applicable requirements of the Civil Rights Act of 1964, as amended, the Civil Rights Act of 1991, Executive Order 11246, the Vietnam Era Veterans' Readjustment Act of 1974, the Rehabilitation Act of 1973, as amended, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and all other federal rules and regulations, state laws, and executive orders as applicable
- 4.8 <u>Notice</u> Any notice required to be given pursuant to the terms and provisions of this Agreement shall be in writing, and shall be mailed by certified or registered mail, return receipt requested, addressed as set forth below or at such other address as may be specified by written notice

- 4.9 <u>Termination</u> Any Party may terminate this Agreement for any reason or no reason or for convenience by giving the other Parties thirty (30) days prior written notice of such intent to terminate
- 4 10 <u>Waiver</u> The waiver by a Party of a breach of any provision of this Agreement shall not constitute a waiver of any subsequent breach of this Agreement

- 4 11 <u>Compliance</u> The Parties shall at all times comply with all applicable ordinances, laws, rules and regulations of local, state and federal governments, or any political subdivision of agency, authority or commission thereof, which may have jurisdiction to pass laws, ordinances, or make and enforce rules and regulations with respect to either Party
- 4 12 <u>Headings</u> Headings have been included in this Agreement for convenience only and shall not affect the interpretation of any terms found herein
- 4 13 <u>Independent Contractor</u> Each Party is acting herein as an independent contractor Except to the extent that Board is an entity of CPS as permitted by Texas Family Code §264 005(d), nothing contained herein shall constitute or designate any Party or their employees or agents to act on behalf of any other Party
- 4 14 Effective Dates This initial term of this Agreement shall become effective October 1, 2011, regardless of the date of execution and, unless terminated sooner as provided in Article 4 9 above, shall remain in effect until September 30, 2012. This Agreement may be extended annually by a letter of extension signed by the Parties Such letter of extension must include the amount of funds budgeted by Board in support of each renewal term.

V. HIPAA

- 5.1 Acknowledgment of HIPAA Obligation To the extent UTMB comes into contact with information considered Individually Identifiable Health Information as defined by the Health Insurance Portability and Accountability Act of 1996, 42 U S C § 1320(d), ("HIPAA") as amended by the Health Information Technology for Economic and Clinical Health Act of 2009 ("HITECH Act") and any pertinent regulations issued by the Department of Health and Human Services ("HHS"), Protected Health Information or Electronic Protected Health Information (collectively, "Protected Information") as regulated by HHS through the adoption of standards, 45 C F R Parts 160 and 164 (Privacy Rule) and 45 C F R Parts 160, 162 and 164 (Security Rule), (collectively, "the HIPAA Rules"), UTMB agrees to keep private and to secure any information considered Protected Information in accordance with federal law
- 5 2 UTMB agrees to use and disclose Protected Information only as required to perform the services outlined in this Agreement. UTMB may use and disclose Protected Information for the proper management and administration of UTMB's operations and for data aggregation services to the extent permitted by the HIPAA Rules.
- 5 3 UTMB will not use or further disclose Protected Information other than as permitted or required under this Agreement or by law

- 5.4 UTMB will use appropriate safeguards to prevent the use or disclosure of Protected Information for any reason other than as provided by this Agreement UTMB shall implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of any Electronic Protected Information UTMB creates, receives, maintains or transmits on behalf of CPS or The Galveston County Children's Services Board
- 5.5 UTMB agrees to promptly notify CPS and Board of any use or disclosure of Protected Information not provided for in this Agreement of which UTMB becomes aware. UTMB shall report to CPS and Board any instances, including security incidents, of which it is aware in which Protected Information is used or disclosed for a purpose that is not otherwise provided for by this Agreement or for a purpose not expressly permitted by the HIPAA Rules.
- 5 6 UTMB shall require any agents or subcontractors who receive Protected Information to be bound by the same restrictions and conditions outlined in this Agreement Additionally, UTMB shall ensure that any agent, including a subcontractor, agrees to implement reasonable and appropriate safeguards to protect the confidentiality, integrity, and availability of Electronic Protected Information that UTMB creates, receives, maintains, or transmits on behalf of CPS or Board
- 5 7 To the extent it is determined UTMB maintains a Designated Record Set, UTMB agrees to follow 45 C F R §§ 164 524 (Access of Individuals to Protected Health Information (PHI), 164 526 (Amendment of PHI), and 164 528 (Accounting of Disclosures of PHI) of the HIPAA Rules
- 5 8 UTMB agrees to make its internal practices, books, and records relating to the use and disclosure of PHI received from CPS or Board available to the Secretary of Health and Human Services or the Secretary's designee for the purpose of determining CPS and Board's compliance with the HIPAA Privacy Regulations
- 5.9 After termination of this Agreement, UTMB agrees to return or destroy all Protected Information if feasible, and, if not feasible, UTMB agrees to continue to protect the Protected Information from wrongful use and disclosure
- 5 10 UTMB understands that Board, on its own initiative or at the request of CPS, may terminate this Agreement immediately if CPS or Board determines UTMB violated a material term of this Agreement and UTMB's actions are not successful in remedying the breach. If termination is not feasible, Board on its own initiative or at the request of CPS may report the problem to the Secretary of Health and Human Services.
- 5 11 UTMB may use and disclose de-identified Protected Information if the use is disclosed to CPS or Board and CPS advises Board and UTMB it approves of the use of the de-identified Protected Information, and the Protected Information is de-identified in compliance with the HIPAA Rules

- 5 12 UTMB shall ensure that all uses and disclosures of Protected Information are subject to the principle of "minimum necessary use and disclosure,"—i e, that only Protected Information that is the minimum necessary to accomplish the intended purpose of the use or disclosure is used or disclosed
- 5 13 UTMB understands that Board has no way of accessing PHI save through the Texas Department of Family and Protective Services ("CPS") in an executive session as provided for in Section 264 005(g) of the Texas Family Code

The Rest of This Page Has Intentionally Been Left Blank.

EXECUTED EFFECTIVE the 1st day of October, 2011, regardless of the date of execution, in triplicate parts, each of which shall be deemed an original

EXHIBIT A SERVICES PROVIDED

Services to be provided by the PA/PNP to Board as an entity of CPS in Galveston County and the children of Galveston County are as follows

- (a) Provide or assist with child abuse forensic medical evaluations during the five (5) half-day Child Protective Clinic times at either the UTMB ABC Center or the medical facility at the Advocacy Center for Children of Galveston County to facilitate, coordinate, and standardize the work of faculty, residents, nurses, UTMB social workers, and CPS case workers
- (b) Prepare supplies and equipment, including the use of a colposcope for photographs
- (c) Assure that cultures and other laboratory studies are handled correctly
- (d) Assure that UTMB ABC Center child abuse protocols are filled out correctly and reporting letters are submitted in a timely fashion to the police and CPS
- (e) Meet weekly with the Multidisciplinary Case Review Team of the Advocacy Center for Children of Galveston County to review cases seen at UTMB, discuss policies and procedures, and plan educational interventions
- (f) Testify in court, when called, as to the presence or absence of medical findings
- (g) Participate with professionals and community agencies to assure safe, timely, and complete evaluation of child abuse cases at UTMB
- (h) Assist medical personnel in the evaluation of CPS cases that are sent to UTMB during times that the UTMB ABC Center is not officially in session, when time is available in the schedule
- (i) Not spend any time during the fifty-five percent (55%) paid by Board utilizing County funds on behalf of CPS seeing victims for evaluation of sexual or physical assault in cases in which CPS is not involved
- (j) Send monthly reports to CPS, Board and County's Director of Community Services containing information detailing the number of children seen, type of abuse noted (physical or sexual), and type of exam each patient was given. At the end of the contract year, the PA/PNP will send a final report to CPS, Board and County's Director of Community Services.

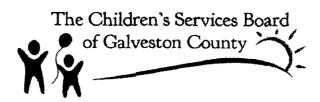

EXHIBIT B AVAILABILITY

For each five-day work week (Monday through Friday) devoted to CPS pursuant to this Agreement, the hours of the PA/PNP per week are to be divided as follows

- (a) Five (5) half-days per week at the ABC Center operated by UTMB's Children's Hospital at The Primary Care Pavilion, conducting the following Primary Activities performing forensic medical evaluations, meeting with the Multidisciplinary Case Review Team of the Advocacy Center for Children of Galveston County, and conducting patient follow-up activities, chart reviews, phone calls, or making presentations at court
- (b) Should the PA/PNP employed under this Agreement resign or be terminated, the ABC Clinic Medical Director/Faculty Physician in charge of supervising the PA/PNP will continue to provide the services described in *Exhibit A, Services Provided*, *Items* (d)-(g) of this Agreement, pending the recruitment of a replacement PA/PNP

In exchange, The Galveston County Children's Services Board shall continue to compensate UTMB both the Salary and Benefits Portion of FOUR THOUSAND FOUR HUNDRED FORTY-EIGHT DOLLARS AND SIXTY-SIX CENTS (\$4,448 66) per month and the Maintenance & Operations Portion of TWO HUNDRED EIGHT DOLLARS AND THIRTY-THREE CENTS (\$208 33) per month, as provided in Section III of this Agreement

AGENDA ITEM #9

AGENDA ITEM #10

| The State of Texas | 8 |
|---------------------|---|
| | 8 |
| County of Galveston | § |

Interlocal Agreement for Emergency Medical Services

This Interlocal Agreement is entered into pursuant to Texas Government Code, Chapter 791, commonly called the Texas Interlocal Cooperation Act

The purpose of this agreement is to provide for emergency medical services (first responder services) and occasional medical transport for Bolivar Peninsula, Crystal Beach, Gilchrist, Caplen, and High Island areas, including all area south of the Gulf Intracoastal Waterway from the Bolivar Ferry Landing to the eastern boundary of Galveston County. It is by and between the following political subdivisions of the State of Texas

Galveston County Health District, ("GCHD"), created by and through Chapter 121 Subchapter E of the Texas Health and Safety Code; and

Galveston County ("County").

Preamble

The Galveston Area Ambulance Authority (Authority) is a division of GCHD. It is not a separate political entity. The Authority provides emergency medical services and ambulance transfers for patients to medical and other health care facilities within a specified area within Galveston County. All references to GCHD will mean both the GCHD and the Authority

The Interlocal Cooperation Act provides that local governmental entities may jointly exercise with other local governments the power to provide governmental services for public health and welfare purposes

It is the opinion of the parties that the services provided through this interlocal agreement are for public health and welfare purposes

Agreement

Now, Therefore, the **County**, and the **GCHD**, in consideration of the promises, covenants, conditions and payments to be made hereby mutually agree as follows

Section 1. Authority

This Agreement, being essential to the public health and welfare of citizens of and visitors to the **County**, is authorized by the **Texas Interlocal Cooperation Act**.

Section 2. Term

This Agreement will be effective for all services rendered since October 1, 2011 and will stay in effect until Oct 1, 2012. This agreement is renewable on an annual basis as may be agreed upon by the parties

Any party may terminate its participation in this Agreement by providing the other parties with written notice thirty (30) days prior to withdrawal. Notice by either party ends this agreement in its entirety. No reason for termination of this agreement is necessary other than a party's mere desire to end its participation in this contract.

Section 3 Services

GCHD agrees to operate, furnish and manage a public emergency medical service within the Service Area. This service will be provided for the use and benefit of the parties, their inhabitants, visitors and all others who may have occasion to need and require prompt emergency medical service in connection therewith. For purposes of this Agreement, the term "public emergency medical service" shall mean and include service for the emergency treatment and transportation of persons in medical distress to an appropriate medical facility.

The parties acknowledge that **GCHD** will only be providing first responder services on most occasions. It is anticipated that transportation and other ambulance services will generally be handled by volunteer service providers located in the service area. In case a volunteer service provider is not available **GCHD** will provide ambulance services

GCHD shall also provide all medical supplies required in connection with furnishing public emergency medical service. The operation or supervision of any hospital, clinic medical center, emergency room or other medical facility shall not be deemed to be included within this Agreement.

GCHD agrees to provide public emergency medical service from Sunday night at midnight until Friday night at midnight for each week during this agreement.

GCHD agrees to have at least two persons scheduled during daytime hours and one person during nighttime hours. All persons hired will be at least DSHS EMT-Paramedic certified.

The Service Area for this agreement is the Bolivar Peninsula area to include the Port Bolivar, Crystal Beach, Caplen and High Island communities This includes all of Galveston County from south of the Intracoastal Waterway between the Bolivar Ferry Landing and the eastern border of Galveston County

GCHD agrees to follow the acceptable standard of medical care within the medical community for treatment and transportation of its patients. GCHD also agrees to abide by all Federal, State and Local laws pertaining to the treatment and transportation patients and the reporting of calls

Section 4. Insurance

GCHD currently maintains third party liability, general liability, workers compensation and medical malpractice insurance through the Texas Municipal League and agrees to maintain the same or similar coverage for the life of this agreement

Section 5. Fees

It is understood by the parties that GCHD will not normally transport patients, however, since the parties acknowledge that it may occur, GCHD agrees to follow the fee and fiscal management guidelines in this agreement

GCHD shall publish a Schedule of Fees for the various services it renders to patients within the service area.

GCHD acknowledges that it must provide its emergency transfer services prior to any demand for payment

For all users of **GCHD** for whom Medicare/Medicaid may be responsible to make payments, **GCHD** shall accept Medicare/Medicaid assignments for medically necessary transports, as determined by Medicare/Medicaid guidelines **GCHD** shall also use its best efforts to pursue collection of Medicare/Medicaid required co-payments. If Medicare/Medicaid determines that transportation was not medically necessary, the individual transported shall be charged a fee in accordance **GCHD/Authority's Schedule Fees** except to the extent such charges are prohibited by law

GCHD shall invoice for and use its best efforts to collect from any available source (e g direct patient pay or insurance) its charges based on its **Schedule of Fees** for all transports performed during the term of this Agreement. GCHD will continue to attempt collection of any outstanding invoice based on any service performed while this Agreement is in event even if the billing and collection occurs after termination of this Agreement

The collection of the fees permitted in this section shall be the sole responsibility of **GCHD.** Under no circumstances shall the **County** be responsible for any non-payments from any patients for any reason

Section 6. Fiscal Management

GCHD agrees

- to bill, receive and handle the revenues from all transports,
- to keep and maintain sound fiscal records recording all such transactions and billing,
- to have a fiduciary duty to County;
- that in accordance with 42 U S.C., §1395x(V)(1)(I) (Social Security Act §1861(v)(1)(I) and 42 C F R, Part 420, Subpart D, §420 300, et seq, until the expiration of four (4) years after the furnishing of Medicare reimbursable services, upon proper written request, allow the Comptroller General of the United States, the Department of Health and Human Services, and their duly authorized representatives access to this Agreement and to GCHD books, documents and records (as such terms are defined in 42 C F R, §420 301) necessary to verify the nature and extent of cost of Medicare Reimbursable Services provided under this Agreement, and
- that if Medicare or Medicaid reimbursable services provided by GCHD under this Agreement are carried out by the means of a subcontract with an organization related to GCHD, and such related organization provides the services at a value or cost of \$10,000 or more over a twelve (12) month period, then the subcontract between GCHD and the related organization shall contain a clause comparable to the clause specified in the preceding sentence,
- to comply with all HIPAA rules and regulations, and
- that County, through its County Auditor, has the unfettered right to audit the financial records of GCHD relating to the services provided herein

Section 7. Payments by County

For the services and covenants recited herein, the **County** agrees to pay **GCHD** the amount of \$286,480 00 per each year of this contract

GCHD will bill and the County will pay on a quarterly basis GCHD agrees to continue provide the services described in this agreement without additional payment from the County regardless of the amount of funds, or lack thereof, it receives from its revenue collection procedures.

Section 8. Dispute Resolution and Venue

The parties agree that all claims, disputes, and controversies arising out of or in relation to the performance, interpretation, application, or enforcement of this Agreement, including but not limited to an alleged breach thereof, shall be referred to mediation before, and as a condition precedent to, the initiation of any adjudicative action or proceeding

The parties further agree that this Agreement is made, and shall be construed and interpreted under the laws of the State of Texas, unless preempted by an applicable federal law, and that venue for any legal action shall lie in Galveston County, Texas

Section 9. Miscellaneous

In case one or more of the provisions contained in this Agreement shall, for any reason held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision, and this Agreement shall be construed as if the invalid, illegal or unenforceable provision had never been contained in the Agreement

No attorney-client, accountant-client or other legal privilege will be deemed to have been waived by any party by virtue of execution of this Agreement

This Agreement contains the entire Agreement between the parties hereto and may only be amended, altered, or revoked by written instrument signed by the parties hereto

Any notice and/or statement required and permitted to be delivered shall be deemed delivered by depositing the same in the United States mail, certified with return receipt requested, postage prepaid, addressed to the appropriate party at the following addresses, or at such other addresses provided by the parties in writing.

Chief Executive Officer Galveston County Health District 1207 Oak Street La Marque, Texas 77568

County Judge County of Galveston 722 Moody, 2nd Floor Galveston, Texas 77550

ECONOMIC DEVELOPMENT CONTRACT

| STATE OF TEXAS | } | |
|---------------------|---|---------------------------------|
| | } | KNOWN ALL MEN BY THESE PRESENTS |
| COUNTY OF GALVESTON | } | |

THIS CONTRACT is made effective the first day of October 2011, by and between the COUNTY OF GALVESTON (the "County") and the BAY AREA HOUSTON ECONOMIC PARTNERSHIP (the "Provider")

PREAMBLE

County, pursuant to Local Government Code Section 381 001, is empowered to investigate and undertake ways of promoting the prosperous development of business, industry and commerce within the county.

County desires to contract with Provider for the provision of business and industrial development services. In addition, the County desires to promote its flood control efforts and the various ports located within its boundaries. The County also wishes to expand the employment base of the County in order to enhance the health, safety, and welfare of its residents. The County feels that an enhancement of economic development within the county will reduce the burden placed on it by both the justice system and the Indigent Health Care Act

Provider was formed for the purpose of promoting and encouraging the formation of new business, retention and expansion of existing businesses, and the general diversification of the economy in the entire County

Provider is willing, for the consideration herein paid, to provide the economic development services desired by the County

For and in consideration of the premises and mutual covenants herein contained, it is agreed as follows

ARTICLE I

QUALIFICATIONS OF THE PROVIDER

<u>Section 1 01 – Representation and Warranties of Provider</u>

Provider hereby represents and warrants as follows.

- (a) That it is engaged in an on-going effort to both attract new businesses, and to retain and expand existing businesses to Galveston County
- (b) That it is a not-for-profit economic development organization, the purpose of which is the promotion of economic development in portions of Galveston and Harris counties

ARTICLE II

SCOPE OF SERVICES

Section 201 – Services to be Provided

The Provider shall provide two or more economic development services as are described in Exhibit "A" attached hereto

Section 2 02 – Provider Reports

The Provider shall prepare and submit by mail to the Galveston County Commissioners Court quarterly reports and communications describing both the services performed by the Provider pursuant to this Contract as well as other services.

The Provider shall prepare and submit to the County, within 90 days after the end of the Provider's fiscal year, a written report describing in general the services performed by the Provider pursuant to this contract as well as other services that may have been provided incidental to the Contract during the preceding year

Section 2.03 – Confidentiality

In order to foster and promote competition, assure the integrity of the competitive process and protect proprietary or innovative business strategies, all concepts, information, and data developed, generated, or received by Provider shall remain confidential.

ARTICLE III

TERM OF CONTRACT

Section 3 01 - Term

The Provider shall perform the services described in Article II, for a period of twelve (12) months from October 1, 2011 to September 30, 2012.

Section 3 02 – Renewal

This Contract may be renewed on a year-to-year basis beginning October 1, 2012 upon mutual agreement of the parties

ARTICLE IV

PAYMENT OF SERVICES

Section 4.01 – Fees

For and in consideration of the services to be performed by the Provider specified in Section 2 01 and described in Attachment A and subject to Provider matching County funds hereinafter stated, County agrees to pay the provider for the term of this Contract the amount of \$35,000.00

Section 4 02 – Matching Funds

Provider agrees to match the funds provided by County Such matching funds will come from private sources and will be spent on such economic development services set forth in Exhibit "A" Time volunteered by Provider's Board Members will not be counted as matching funds

Section 4 03 – Billings

Billings will be submitted to the County Judge or his designee, for prior approval on an annual basis. Such billings will contain an Affidavit executed by an Officer or Comptroller of Provider which attests to the validity and accuracy of the billing statement. Billings to the County shall not contain duplicate items which are billed to other public or private agencies. Reimbursement for travel will not be permitted under the Contract.

ARTICLE V

TERMINATION

Section 5 01 – Termination for Cause

A party may terminate its performance under this contract upon default by the other party. Default by a party shall occur if the party fails to perform or observe any of them and condition of this contract required to be performed or observed by that party. Should such a default occur, the party against whom the default has occurred shall have the right to terminate all or part of its duties under this contract upon thirty (30) days notice to the defaulting party. Such termination shall be ineffective if within said thirty-day period the defaulting party cures the default to the satisfaction of the other party.

Section 5 02 – Termination at Will

This Contract may be terminated with or without cause thirty (30) days notice by the party desiring to terminate to the other party

ARTICLE VI

Miscellaneous provisions

Section 6 01 - Independent Contractor

The relationship of the Provider to the County shall be that of an independent contractor The county shall have no authority to direct the day-to-day business of any of the Provider's personnel decisions, and shall have no other rights to internal working papers or other information or data

Section 6 02 - Parties in Interest

This Contract shall bind and benefit the County and the Provider and shall not bestow any rights upon any third parties.

Section 6 03 – Non-Waiver

Failure of either party to insist on the strict performance of any of the terms or conditions herein or to exercise any rights or remedies accruing upon default shall not be considered a waiver of the right to insist on and to enforce any other obligation hereunder or to exercise any right or remedy occurring as a result of any other default or failure of performance

Section 6.04 – Applicable Laws

This contract is subject to and shall be construed in accordance with the laws of the State of Texas This contract is performable in Galveston County, Texas

Section 6 05 – Notices

All notices required or permitted hereunder shall be in writing. Notices shall be deemed delivered when actually received or, if earlier, on the third day following deposit in a United States Postal Service post office or receptacle. Notices must have proper postage affixed, certified mail, return receipt requested and addressed to the respective other party as the receiving party as may have theretofore been prescribed by notice. For the purposes of this contract addresses are as follows:

County: County Judge Mark Henry

Galveston County Courthouse

722 Moody, 2nd Floor Galveston, Texas 77550

Provider Bay Area Houston Economic Partnership

18045 Saturn Lane P.O Box 58724

Houston, Texas 77258-8724

Section 6 06 – Audits

The Provider shall provide to the County, within ninety (90) days of the close of the Provider's fiscal year or as soon thereafter as practicable, its annual financial statements as prepared for its own Board of Directors. The County, through either it County Auditor or an independent private auditor, shall have the right to audit the books and records and accounts of the Provider for the purpose of satisfying itself that the fees paid pursuant to Article IV have been expended for the purposes contemplated by this contract; provided, that any such audit shall be conducted at the County's expense and in a manner that does not unreasonably disrupt the Provider's business

Section 6 06 – Ambiguities

In this event if any ambiguity in any of the terms of this contract, it shall not be construed for or against any party hereto on the basis that such party did or did not author the same

Section 6 08 – Entire Agreement

This contract contains all the agreements of the parties relating to the subject matter hereof and is the full and final expression of the agreement between the parties

IN WITNESS WHEREOF, the parties have made and executed this contract in multiple copies, each of which shall be an original.

EXECUTED this **20th** day of **September**, 2011

EXHIBIT "A" SERVICES TO BE PROVIDED TO GALVESTON COUNTY

- A Marketing and Sales organize and conduct a coordinated marketing and sales program to positively influence attitudes among local, national, and international business decision makers by drawing attention to Galveston County's strengths and by overcoming negative attitudes. The marketing and sales program should target groups and senior executives most likely to result in business relocations and expansions in Galveston.
- B Business Assistance Programs develop programs designed to assist and promote the efforts of local businesses and entrepreneurs to form new business ventures or to expand existing business ventures (SATOP, BayTech, RCIC). This includes working with other non-profit organizations with similar goals
- C Facilitate the merger of opportunities at the NASA Johnson Space Center and UTMB as related to bio and life science opportunities and partnerships to connect resources at both ends of the county to develop bio and life science employment and capital investment opportunity
- D Advertising, Public Relations and Media Communications design programs to encourage the dissemination, on a local, national, and international level, of accurate and detailed information on business opportunities in Galveston County, and on successful businesses and the local business climate
- E. Public Policy develop advice on.
 - (1) public policy and programs for action by the State of Texas, Galveston County, local municipalities, and the region that would facilitate and encourage economic growth, and
 - (2) policy and budgetary priorities, tax abatement, desirable regulatory changes, and incentives likely to result in business relocations and expansions in Galveston County
- Cooperation with Other Entities participate in joint projects of mutual benefit with or supply appropriate information requested by other economic development organizations receiving funds from Galveston County and associated chambers of commerce Specifically, contingent on availability of federal funding, fund the Galveston Economic Development Partnership to market the Space Alliance Technology Outreach Program to its small business community

Special Services at No Additional Cost

- A BAHEP will work to mitigate the expected economic impact from the retirement of NASA's Space Shuttle Program with work force development initiatives such as BayTech, the Bay Area Houston Advanced Technology Consortium
- B BAHEP's International Maritime Advisory Committee will continue its leadership role in evaluating and advocating for an optimum storm surge suppression solution, like the Ike Dike, to protect Galveston County and the Gulf Coast from another catastrophic storm surge
- C BAHEP's International Maritime Advisory Committee will work with the Clear Creek Independent School District and surrounding districts to continue development of curriculum for new maritime classes to be offered at the high school level. This initiative is the first step in developing an education pipeline that will include Texas A&M University Galveston, San Jacinto College District, and University of Houston—Clear Lake to meet the growing workforce demand by the region's maritime industry
- D BAHEP will collaborate with Galveston County and other regional organizations to market the Ellington International Airport BAHEP will work with the Houston Airport System to market Ellington International Airport and perform economic development activities to protect and grow assets related to the region's industry clusters BAHEP through its Ellington Field Task Force will work with local businesses and elected officials in a strategic manner focusing on areas which most substantially benefit the military presence at Ellington Field-Alert fighter aircraft replacement, Predator unmanned aerial vehicles, quality of life for Joint Armed Forces Reserve Base, and Regional Homeland Security Defense Operations Center
- E BAHEP will continue to work to secure space artifacts for display in the region
- F BAHEP will continue to advocate for storm surge suppression solutions for Galveston County and the region

AGENDA ITEM #13

AGREEMENT FOR ENGINEERING SERVICES

MADE AND ENTERED INTO by and between the County of Galveston, a political subdivision of the State of Texas, acting by and through its County Commissioners' Court, hereinafter called "Owner" and Cobb. Fendley & Associates, Inc. hereinafter called the "Engineer".

RECITALS

Owner intends to engage the services of Engineer to perform professional engineering services for the construction of <u>Promenade Repairs at Ft. Travis Seashore Park on Bolivar Peninsula</u>.

CONTRACTUAL UNDERTAKINGS

SECTION I EMPLOYMENT OF ENGINEER

The Owner agrees to employ the Engineer and the Engineer agrees to perform professional engineering services in connection with the Project as stated below, and for having rendered such service, the Owner agrees to pay the Engineer such compensation as is stated below:

SECTION II CHARACTER AND EXTENT OF SERVICES

The Engineer shall render professional engineering services necessary for the development of the Project, limited to the following and performed in accordance with existing local, State and Federal regulations.

See proposal attached hereto as Exhibit "A".

The character and extent of services outlined above shall be considered complete upon approval by Owner of the various drawings, data and tasks outlined in Exhibit "A".

All Services shall be of good quality and shall be performed in a professional manner. The standard care for all professional engineering and related Services performed or furnished by Engineer under this Agreement will be the care and skill ordinarily used by other members of Engineer's profession practicing under similar conditions at the same time and in the same locality. Engineer will re-perform any Services not meeting this standard without additional compensation. ENGINEER MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, UNDER THIS AGREEMENT OR OTHERWISE, IN CONNECTION WITH ENGINEER'S SERVICES.

If, after the construction has begun, and engineering error or omission is discovered and the item can still be provided in the sequence of construction without premium to the Owner, the Owner will pay for this item just as if it had been included in the original design documents. If this engineering error or omission is discovered out of sequence with the construction timetable, then the Engineer will pay for the premium to have this item corrected or included, while the Owner will pay for this item as if it has been included in the original documents.

Additional services that may be required after approval of these documents by Owner, or required by State or Federal regulations published in the State or Federal Register after the date of execution of this Agreement, shall not be considered as covered by the maximum amount payable under this Contract as provided in Section V. Compensation for such extra services shall be as provided in Section V except that the maximum amount payable shall be revised by agreement between Owner and Engineer.

SECTION III PERIOD OF SERVICES

This Agreement shall be effective upon execution by Owner and the Engineer and shall remain in force until satisfactory completion of all services described herein or termination under the provisions hereinafter provided in section VIII.

After execution of Agreement, Engineer shall submit a Project Time Schedule to be diligently followed during performance of services. It is understood by the Owner that the Engineer will make every effort to expedite completion of the Project.

SECTION IV COORDINATION WITH THE COUNTY

The Engineer agrees to perform the design services diligently and within <u>90 days</u> after authorization to proceed. The Engineer agrees to perform all other services diligently and within the agreed upon time schedule.

The Engineer shall hold periodic conferences with the Owner's County Engineer to the end that the Project, as perfected, shall have full benefit of the Owner's experience and knowledge of existing needs and facilities and be consistent with his current policies and construction standards. To implement this coordination, the Owner shall make available to the Engineer for use in the Project, all existing plans, maps, field notes, statistics, computations and other data in its possession relative to the Project. Engineer shall submit a monthly progress report of project status.

SECTION V THE ENGINEER'S COMPENSATION

As set forth in Exhibit "A" attached hereto, the Owner shall compensate the Engineer for services performed under this Agreement per the compensation amounts shown in Exhibit "A" for design and construction phase services.

The maximum amount payable under this Contract is \$235,239,00 including expenses. The maximum amount payable may be revised in the event of changes in extent, complexity, or character of work requiring such revisions. No revisions in the maximum amount payable will be permitted unless previously authorized in writing by the Owner.

Payments to the Engineer for authorized services will be made by the Owner within 45 days upon presentation of monthly statements by the Engineer of such services. Payments shall be due upon receipt by the Owner of any such statement. All remittances shall be mailed or delivered to Engineer's office.

SECTION VI OWNERSHIP OF DOCUMENTS

Original documents, plans, designs and survey notes ("Documents") belong to and remain the property of the Owner, in consideration of which it is mutually agreed that the Owner will use them solely in connection with the Project, save with the express consent of the Engineer. The Engineer may retain copies of such Documents.

County contracts are subject to all legal requirements provided by county, state or federal statutes, rules and regulations.

Contractor acknowledges that Galveston County is a governmental entity which conducts its meetings in accordance with the Texas Open Meetings Act and whose certain records are available to the public under the Texas Open Records Act. In accordance with Title 5, Chapters 551 and 552 of the Texas Government Code, this Agreement is an open record under the Open Records Act and as such, will be discussed and voted upon in a public meeting. Any request made by a member of the public to either inspect or acquire a copy of this Agreement or the Documents produced as a result of this Agreement will not violate the terms of this Agreement.

SECTION VII DISPUTE RESOLUTION

If a dispute arises out of or relates to, the breach thereof and if the dispute cannot be settled through negotiation, then the Engineer and the Owner agree to submit the dispute to mediation. In the event the Engineer or the Owner desires to mediate any dispute, that party shall notify the other party in writing of the dispute desired to be mediated. If the parties are unable to resolve their differences within ten days of the receipt of such notice, such dispute shall be submitted for mediation in accordance with the procedures and rules of the American Arbitration Association (or any successor organization) then in effect. The deadline for submitting the dispute to mediation can be changed if the parties mutually agree in writing to extend the time between receipt of notice and submission of mediation. The expenses of the mediator shall be shared 50 percent by the Engineer and 50 percent by the County. This requirement to seek mediation shall be a condition required before filling an action at law or in equity.

SECTION VIII TERMINATION

The Owner may terminate the Agreement with or without cause, by giving to the Engineer thirty (30) days' notice in writing. Upon receipt or delivery of such notice, the Engineer shall discontinue all services in connection with the performance of this Agreement and shall proceed to cancel promptly all existing orders and contracts insofar as such orders or contracts are chargeable to this Agreement. As soon as practicable after receipt of notice of termination, the Engineer shall submit a statement showing in detail, the services performed under this Agreement to the date of termination.

The Owner shall then pay the Engineer promptly for that portion of the prescribed charges which the services actually performed under this Agreement bear to the total services called for

under the Agreement, less such payments on account of the charges as have been previously made. Copies of all completed or partially completed surveys, reports, designs, plans, specifications and all other documents prepared under this Agreement shall be delivered to the Owner when and if this agreement is terminated, but subject to the restrictions, as to their use, as set forth in Section VI

SECTION IX INSURANCE

The Engineer shall obtain and maintain, throughout the term of the Agreement, insurance of the types and in the minimum amounts set forth below.

The Engineer shall, upon request by the Owner, furnish certificates of insurance to the Owner evidencing compliance with the insurance requirements thereof. Certificates shall indicate name of the Engineer, name of insurance company, policy number, and terms and limits of coverage The Engineer shall cause its insurance companies to provide the Owner with at least thirty (30) days' prior written notice of any reduction in the limit of liability by endorsement of the policy, cancellation or non-renewal of the insurance coverage required under this Agreement. The Engineer shall obtain such insurance from such companies having a Best's rating of B+/VII or better, licensed or approved to transact business in the state in which the Services shall be performed, and shall obtain such insurance of the following types and minimum limits.

- a. Workers' Compensation insurance in accordance with the Laws of the State of Texas, or state of hire/location of Services, and Employer's Liability coverage with a limit of not less than \$500,000 each employee for Occupational Disease; \$500,000 policy limit for Occupational Disease; and Employer's Liability of \$500,000 each accident.
- b. Commercial General Liability insurance including coverage for Products/Completed Operations, Blanket Contractual, Contractors' Protective Liability, Broad Form Property Damage, Personal Injury/Advertising Liability, and Bodily Injury and Property Damage with limits of not less than:

| \$2,000,000 | general aggregate limit |
|-------------|---|
| 1,000,000 | each occurrence, combined single limit |
| 1,000,000 | aggregate Products, combined single limit |
| 1,000,000 | aggregate Personal Injury/Advertising Liability |
| 50,000 | Fire Legal Liability |
| 5,000 | Premises Medical |

- c. Business Automobile Liability coverage applying to owned, non-owned and hired automobiles with limits not less than \$1,000,000 each occurrence combined single limit for Bodily Injury and Property Damage combined.
- d. Umbrella Excess Liability insurance written as excess of Employer's Liability, with limits not less than \$1,000,000 each occurrence combined single limit.
- e. Professional Liability insurance with limits not less than \$1,000,000 each claim/annual aggregate.

The Owner and the Owner's agents and employees shall be added as additional insureds to all coverages required above, except for those requirements in paragraphs "a" and "e". All policies written on behalf of the Engineer shall contain a waiver of subrogation in favor of the Owner and Owner's agents and employees, with the exception of insurance required under paragraph "e".

SECTION X VENUE AND CHOICE OF LAW

This Agreement shall be construed and enforced for all purposes pursuant to the laws of the State of Texas. Venue shall be in Galveston County, Texas.

SECTION XI ADDRESS OF NOTICES AND COMMUNICATIONS

All notices and communications under this Agreement to be mailed or delivered to Engineer shall be to the following address

Brad S Matlock, P.E. Cobb, Fendley & Associates, Inc. 3027 Marina Bay Drive, Suite 105 League City, TX 77573

All notices and communications under this Agreement to be mailed or delivered to the Owner shall be to the following address:

Mark Henry, County Judge County of Galveston Galveston County Courthouse, 2nd Floor Galveston, Texas 77550

With Copy to:

Mike Fitzgerald, P E. County of Galveston Galveston County Courthouse, 1st Floor Galveston, Texas 77550

SECTION XII SECTION CAPTIONS

Each section under the contractual undertakings has been supplied with a caption to serve only as a guide to the contents. The caption does not control the meaning of any section or in any way determine its interpretation or application.

SECTION XIII SUCCESSORS AND ASSIGNS

The Owner and the Engineer each binds itself and its successors, and assigns to the other party of this Agreement and to the successors, and assigns of such other party in respect to all

covenants of this Agreement. Except as above, neither the Owner nor the Engineer shall assign, sublet, or transfer their interest in this Agreement without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of any public body which may be a party thereto.

Executed in three (3) counterparts (each of which is an original) on behalf of the Engineer by its Principal shown below, and on behalf of Owner by its County Judge.

Re Proposed Promenade Repairs at Ft Travis Seashore Park on Bolivar Peninsula (REVISION No. 2)
FEMA PW-08497
CobbFendley Project No. 1112-_____

Dear Mr Fitzgerald:

Cobb, Fendley & Associates, Inc will be pleased to provide professional engineering services for the proposed promenade repairs at Ft Travis Seashore Park on Bolivar Peninsula in Galveston County, Texas.

Project Description

On September 13, 2008 Hurricane Ike hit Galveston County causing severe damage to the Ft Travis Seashore Park Promenade along the Seawall in Bolivar. The extreme tidal surges hitting the promenade, ultimately resulted in the foundation below to fail. The proposed repairs of the Ft Travis Seashore Park Promenade project will include the removal and disposal of the existing concrete sidewalks and curbs in areas where damage has occurred. The brick pavers that were relocated after the storm will be removed, salvaged and reused in the reconstruction Once the damaged pieces are removed, the brick pavers, concrete sidewalks and concrete curbs will be replaced to pre-like condition. It is expected that additional bricks will be needed to replace pavers damaged beyond repair, only then will replacement bricks be used. The damaged areas will also include some additional hardening items like reinforcement in the concrete sidewalks and curbs and cement stabilized sand base material under replacement pavement/brick to help prevent undermining from future storm events. The project also includes repairing cracks that formed in the seawall structure at the northwest corner of the site and repairing existing gravel roads throughout the park.

Sub Consultants

- 1 Geotechnical Investigation HTS, Inc.
- 2. Materials Testing HTS, Inc.
- 3 Environmental Services HTS, Inc.

Construction Estimate

The preliminary construction estimate for this project is \$1,223,352. An itemized estimate is attached.

SCOPE OF WORK & COMPENSATION

Cobb, Fendley & Associates, Inc.
Proposal for Professional Engineering Services
Promenade Repairs at Ft. Travis Seashore Park

Project/Limits

Ft Travis Seashore Park – Is located on the southwestern end of Bolivar Peninsula in Galveston County, Texas. The park is between State Highway 87 and the Gulf of Mexico approximately 1 mile east of the Texas Department of Transportation (TxDOT) ferry service Inside the 70-acre park, the repairs will be focused mainly along the approximately 3,120-ft long seawall promenade, from the Seawall and Battery locations landward approximately 40-ft.

SCOPE OF SERVICES

General:

Design, Bid, and Construction Phase engineering services necessary to repair the existing Ft. Travis Seashore Park Promenade that was damaged during Hurricane Ike.

BASIC SERVICES

Cobb, Fendley & Associates, Inc. (CobbFendley) will provide the following engineering services as part of its basic service. The specific items of service include:

- 1 Provide construction cost estimate
- 2. Provide construction documents with plan drawings, along with any needed cross sections and details, of the proposed promenade reconstruction.
- 3 Coordinate with SWCA Environmental Consultants regarding historic reconstruction measures for the brick and mortar:
 - a Salvaging existing bricks and/or the use of replacement bricks if necessary
 - b. Specifying approved mortar lime cement:sand mixture to include in construction plans
- 4 Provide construction contract documents based on modified TxDOT specifications and Galveston County construction contract documents.
- 5. Provide construction phase contract administration services, including pre-construction conference, respond to RFI's, prepare change orders, review and process monthly pay estimates, visit and inspect as needed but no less than twice monthly, and manage the work regarding environmental services, inspection and materials testing.

Surveying

CobbFendley, as the project surveyor shall:

1 Establish permanent horizontal and vertical control throughout the site. Horizontal data will be tied to the Texas Coordinate System on 1983, South Central Zone. Vertical data will be tied to North American Vertical Datum of 1988 (NAVD '88).

Mr Michael Fitzgerald, P E. September 2, 2011 (REVISION No. 2) Page 4 of 5

- 2. Perform a Category 6, Condition II topographical survey of the site in accordance with the requirements of the Texas Society of Professional Surveyors to locate existing utilities, appurtenances and pavement providing cross sections of the following existing features, natural ground, concrete curbs, brick pavement, concrete sidewalk and top of seawall within the promenade area. Elevations will be obtained at a maximum of 50-ft intervals.
- 3. Locate and identify areas were the brick pavement has been damaged as to the size, depth, and elevation for design of replacement/repair.
- 4 Prepare a survey drawing on a plan style sheet at a scale of 1" = 20' horizontally or at the direction of the engineer. The drawing will depict the obtained field information and any record information provided by outside sources.

Geotechnical

1 A geotechnical investigation will be performed by HTS, Inc. in accordance with the attached proposal

Construction Materials Testing

1 Construction materials testing will be performed by HTS, Inc. in accordance with the attached proposal

Environmental Services

1 Environmental services will be performed by HTS, Inc. in accordance with the attached proposal.

Construction Inspection:

CobbFendley will provide the following services during the construction period of the project:

- 1 Provide an onsite part time representative during construction activities to monitor the work for compliance to the contract documents.
- 2. Check construction Contractor's material certifications
- 3. Inspect delivered materials and equipment to verify that they are being stored and installed property and are in compliance with the contract documents.
- 4. Provide on-site observation of the progress and quality of the work for the construction contract. Advise the construction contractor of any observed non-compliant items from the contract in a timely manner so as to avoid delay in the progress of the work.
- 5. Inspect and observe the construction contractor's activities to verify that the work complies with the contract documents. Notify the construction contractor if any of the work is not in compliance with the contract documents. Notify of any failure of the construction contractor to take measures to place such work in compliance.
- Supervise the field testing of construction materials. Coordinate the sampling of construction materials for laboratory analysis by a material testing laboratory.
- 7 Measure, calculate and verify quantities.
- 8. Prepare daily work reports
- 9. Prepare bid item activity logs.
- 10 Verify and assist the contractor with maintaining an up-to-date marked set of record drawings.

Mr. Michael Fitzgerald, P E. September 2, 2011 (REVISION No. 2) Page 5 of 5

- 11 Assemble and maintain notes, comments, sketches and supportive date as related to the construction of the project
- 12. Take photographs of the project before, during, and after construction

BASIS OF COMPENSATION

BASIC SERVICES

The Compensation to be paid to CobbFendley for providing the BASIC SERVICES rendered under this agreement shall be based on Lump sum fees for overall phases of the work as shown below. Reimbursable items and subconsultants will be subject to a 10% administration charge

| 500 | tow. Temperature items and supportantants will be subject to a 10% actimistization charge |

Re: Proposal

Geotechnical Investigation

Proposed Fort Travis Promenade Repairs

11th Street

Galveston County, Texas

HTS Proposal No.: CFA-3098

Dear Mr. Matlock:

1.0 INTRODUCTION

HTS, Inc. Consultants (HTS) appreciates this opportunity to present our proposal to Cobb, Fendley & Associates, Inc. to conduct a geotechnical investigation for the above referenced project. The project site is located off 11th Street on Bolivar Peninsula in Galveston County, Texas (see Key Map 741 Squares Q and R).

The project will include:

- replacing existing 9' wide sidewalk along seawall with cement stabilized base (recommendations on thickness of base and sidewalk),
- replacing brick pavers with mortar filled joints, including cement stabilized base (recommendations on thickness of base),
- · replace custom concrete curb structures,
- excavate unsuitable soils and replace with imported fill material where washouts have occurred (recommendations on suitable fill and compaction requirements), and
- repair existing gravel roads throughout park (recommendations on gravel material and sub-base preparation requirements for park traffic).

The proposal provides HTS' proposed work scope, budget, and schedule to complete the geotechnical investigation for the proposed running track replacement.

2.0 SCOPE OF WORK

We understand that the scope of work for the geotechnical investigation will be as follows:

- Drill and sample 5 geotechnical borings to the depth of 10 feet below the existing ground surface within the areas to be repaired.
- Measure groundwater levels during drilling and after the completion of drilling.
- Backfill the borings with soil cuttings after the completion of groundwater measurements.
- Perform laboratory soil tests on samples obtained during the drilling of the borings in order to determine the engineering properties of the soil.
- Prepare boring logs based upon visual soil classifications and the results of laboratory tests.
- Develop/provide recommendations concerning site preparation (fill/backfill) and subgrade stabilization requirements and recommendations for pavement surface course(s).
- Submit 3 copies of a report that presents the results of the geotechnical investigation.

3.0 COST AND SCHEDULE

HTS' proposed lump sum cost to complete the scope of work as defined in Section 2.0 above is \$ 7,200.00.

We estimate that about 2 to 3 weeks will be required to complete the project if no delays are encountered with respect to weather conditions.

All geotechnical engineering services will be invoiced based on the attached "Schedule of Fees".

4.0 CLOSING REMARKS

We appreciate the opportunity to present this proposal to Cobb, Fendley & Associates, Inc. and would be pleased to discuss the contents of this proposal with you at your convenience.

HTS Proposal No. HTS11-02-116

Attn Mr. Brad Matlock, P E

Cost Estimate Proposal RE: **Construction Materials Testing Services** Fort Travis Promenade Repairs **County Of Galveston**

Dear Mr Matlock:

1.0 INTRODUCTION

HTS, Inc. Consultants appreciates the opportunity to present this proposal to provide Construction Materials Testing at the above referenced site.

2.0 SCOPE OF WORK

It is our understanding that construction materials testing and inspection services will include the following services:

- sampling and testing for moisture/ density properties,
- sampling and testing of in-place fill, utilities bedding and backfill,
- inspection and testing of in-place paving subgrade,
- · inspection and testing of stabilized soil or base, and
- · concrete inspection and testing.

3.0 ESTIMATED COST

HTS proposed estimated cost to complete the scope of work as defined above is \$22,727.00. Fees for our services will be charged based on the unit rates provided in the attached fee schedule. Any additional or unforeseen testing required will be charged based on our standard HTS, Inc Consultants fee schedule.

4.0 CLOSING REMARKS

We appreciate the opportunity to present this proposal and would be pleased to discuss the contents of this proposal with you at your convenience. Your approval of this proposal and your approval of our proceeding with the work may be indicated by your signing/dating this proposal as provided below. We request that an executed copy of the proposal be provided to HTS.

If you have any questions or require additional information, please contact me at your convenience at (713) 692-8373

Sincerely,

HTS, Inc. Consultants

John Territo, III
Vice President

The estimated total cost for these services is \$22,727.00.

Prices for services or tests not listed herein will be furnished upon request. Field Engineer and Technicien overtime rates of 1-1/2 times the standard rate will be charged for hours in excess of eight (8) per day, hours worked before 8 00 a m, after 5 00 ρ m, and/or all hours worked on Saturday. Sunday, or Holidays.

For field testing and inspection services requiring the use of a vehicle for travel to and from the job site, use on the job site, or other project related travel; a \$60.00 vehicle/day will be charged. All test result reports requiring a Professional Engineers review and/or seal will be charged at the Project Engineer, PE" hourly rate with a time charge of 10 hours.

Re: Proposal

Proposed Environmental Services
Fort Travis Park - Bolivar Peninsula
Galveston County, Texas

HTS Proposal No.: CFA-3107 Revision No. 2

Dear Mr. Matlock.

HTS, Inc. Consultants (HTS) appreciates the opportunity to provide this proposal for the Wetland Services Delineation and Recordation for the USACE and FEMA as well as the Threatened and Endangered Species Monitoring portion of the project. The subject site is located near the tip of Bolivar Peninsula in Galveston County, Texas.

USACE Wetlands Delineation

The proposed Wetlands and Jurisdictional Waters Determination and Delineation are for the existing Fort Travis Park site located on the tip of Bolivar Peninsula, in Galveston County, Texas. The scope of the project is to determine the nature and extent of any Jurisdictional Waters and Wetlands on the tract which would be under the control of the USACE and subject to Federal Regulations.

We will complete the USACE Delineation effort to GPS Survey in our findings.

Threatened and Endangered Species Monitoring

Based on our discussion, we believe that it would be necessary to have a full time presence on the subject site for approximately 4 days upon initialization of the project. Then once the project layout and work flow are known and ongoing — that periodic evaluation be made. It is anticipated that the periodic evaluations will be approximately 2 days per month for the duration of the project — which is slated for 4 months. Upon completion of the project work, a final report will be developed and submitted to the US Fish and Wildlife Service and/or other relevant agencies.

Please note, it is possible that project impacts to one of the 2 noted endangered species may require full time monitoring. Additionally, it is possible that 1 of the state or federal agencies could require full time monitoring throughout the length of the project. The provided project documents reference monitoring is necessary during ground disturbance activities, but don't specifically state if this monitoring is full time or part time. If more persistent monitoring is required, the project costs will be affected considerably and will only be performed with prior written authorization from the county.

Sincerely,

HTS, Inc. Consultants

Terry J. Jackson, P.E.

WETLANDS AND JURISDICTIONAL WATERS OF THE UNITED STATES ANALYSIS AND DETERMINATION

SCOPE OF WORK

The objective of the Jurisdictional Delineation and Wetland Analysis and Determination is to evaluate the potential for the property site or any portion of the site to be classified as a "Jurisdictional Water or Wetland" under Section 10 and Section 404 of the Clean Water Act and the existence of other selected wetland environmental risks. The following selected evaluations will be considered for this project:

- 1. Vegetation Indicators. The presence or absence of hydrophytic (water plants) vegetation that typically is adapted to wetlands and the determination of vegetative prevalence within the site or specific areas within the site.
- 2. Soil Indicators: The presence or absence of soils which have been classified as Hydric, or they possess characteristics that are associated with reducing soil conditions.
- 3. Hydrology Indicators: The presence or absence of hydrologic indicators which occur in wetlands.
- 4. Previous land characteristics prior to site development from historic aerial reconnaissance which would indicate wetlands prior to recent development activities.

The Jurisdictional Determination and Wetland Analysis and Delineation work will 1) Review of SCS surface and subsurface geologic soil indicators and FEMA map records for indications of Hydric Soils; 2) Site reconnaissance for evaluation and verification of the presence of vegetation indicators and prevalence; 3) Site reconnaissance for indications of hydrologic conditions that occur in wetlands; and 4) Site reconnaissance for evaluation and verification of the presence of hydric soil conditions.

Task 1: Review of Surface Geologic Soil Data and FEMA Map Records. Task 1 will include a review of previous surface soil data published by the U.S. Department of Agriculture, Soils Conservation Service. Flood Maps prepared by the Federal Emergency Management Agency will be reviewed for hydrology information which might pertain to periodic flood inundation.

<u>Task 2: Site Reconnaissance for Vegetation Indicators.</u> Task 2 will include transecting the property under the field procedures outlined in the 1987 Manual for Wetland Determination by the U.S. Army Corps of Engineers.

Cobb, Fendley & Associates, Inc. September 1, 2011 Page 2 of 5

Task 3: Site Reconnaissance for Indications of Wetland Hydrology. Task 3 will consist of field reconnaissance aided by topographic information and information from other significant sources for the presence of wetland hydrology. Wetland hydrology, if any, will be additionally reviewed for primary and subsequent sources of water and watershed influences.

<u>Task 4: Site Reconnaissance for Hydric Soil Indicators.</u> Task 4 will review the property for the presences of hydric soils and/or indicators of hydric soils.

THREATNED & ENDANGERED SPECIES OBSERVTION PROJECT

SCOPE OF WORK

The objective of the Threatened & Endangered Species Observation Project is to evaluate the potential for the property site or any portion of the site to be hosting the endangered sea turtle and/or the Piping plovers. The qualified observer will report to the project site and perform pre impact assessments of the subject site. The observer will stay on the project site for 2-3 days as the project initiation and work start up efforts commence. Periodic site reviews will occur during the duration of the project — with a site visits initially estimated to occur 1 time every other week.

Should site conditions warrant, or species of concern be identified, the frequency and duration of the on site observation may be dramatically impacted. This impact could possibly result in full time site observation activities and an associated increase in observation costs. However, full time site observation will only be done with prior written authorization from the county.

PROJECT SCHEDULE

USACE Wetlands Delineation

HTS will be able to begin work within approximately 2 weeks with completion of field activities anticipated within 1 additional week. We anticipate the submission of the final reports within 4 weeks of authorization by the client.

Threatened and Endangered Species Monitoring

HTS will be able to begin work within approximately 2 weeks of authorization. We will likely need to report to the project 1-2 days before the initiation of construction activities. Then we will likely remain on the project during the first day or 2 of onsite activities. Periodic observations will occur beyond that time frame for the remaining 4 months of the project duration. If necessary and required for the project, full time observation will be initiated only with prior written authorization from the county.

BASIC COMPENSATION AND METHOD OF PAYMENT

USACE Wetlands Delineation

HTS proposes to provide the Wetland and Jurisdictional Waters of the United States Determination and Delineation for this subject site for the lump sum fee of:

WORK ITEM A

Delineation per USACE Manual & Regional Conditions

\$ 9,600.00

WORK ITEM B

GPS Survey and Graphics necessary for Delineation

\$ 2,750.00*

WORK ITEM C

USACE Nationwide Permit Application/Recordation Documents Submission and Addressing Comments and Obtaining Permit

\$ 3,960.00*

The above prices are lump sum. The client shall issue payment for work performed within 30 days from the date of invoice.

Threatened and Endangered Species Monitoring

HTS proposes to provide the Threatened and Endangered Species Monitoring for the noted pre construction activities and the ongoing periodic observation activities and the follow up file reports for the project site based on the following costs:

Project Initialization and Layout – Estimated 3-4 days of office preparation and on site activities:

Four Thousand Six Hundred and Twenty Dollars (\$4,620.00) includes per diem and travel, reimbursables, and expenses.

Project Finalization Reporting to the State and Federal Agencies as required:

Three Thousand and Twenty-Five Dollars (\$3,025.00).

Ongoing Site Monitoring Activities – 8 Additional Site Visits/during 120 day Project Timeframe

^{*} Required only if delineation is necessary.

Cobb, Fendley & Associates, Inc. September 1, 2011 Page 4 of 5

One Thousand Four Hundred and Eighty-Five Dollars (\$1,485/Day) including travel, per diem, re-imbursables, and expenses.

For a Fee of Eleven Thousand Eight Hundred and Eighty Dollars (\$11,880.00).

The above prices for wetlands work only are lump sum. The client shall issue payment for work performed within 30 days from the date of invoice. The project will be progress invoiced on a monthly basis based on the amount of completed work.

FINAL REPORT PROCEDURES

HTS will send 3 copies of the letter report to the client, one copy to each appropriate state and/or federal agency, and will maintain the original in our office.

CONFIDENTIALLY OF ASSESSMENT

USACE Wetlands Delineation

USACE Permitting, Time Line and Associated Costs are extremely varied and are dependent on what impacts to Jurisdictional Waters and Jurisdictional Wetlands will occur. At this time, we are proposing on the delineation efforts necessary to properly classify the property. A major factor in the cost and time of permit activities is the magnitude of the site impacts on Wetlands/Jurisdictional Waters of the United States and any required Wetland Mitigation Efforts. If required, we will address these items in a separate cost proposal at a later date.

PROPOSAL ACCEPTANCE AND EXECUTION

Your approval of this work scope, budget, and schedule and our notice to proceed with the work may be indicated by your signing/dating this letter as provided below.

Cobb, Fendley & Associates, Inc September 1, 2011 Page 5 of 5

We appreciate this opportunity to offer our services to your project. Should you have any questions or require additional information, please do not hesitate to call.

Respectfully submitted, HTS, Inc. Consultants

DANNENBAUM ENGINEERING CORPORATION

ENGINEERIJG EXCELLENCE SINCE 1945

3100 WEST ALABAMA HOUSTON, TEXAS 77098 PO BOX 22292 HOUSTON, TEXAS 77227 (713) 520-9570

September 7, 2011

Mr. G. Michael Fitzgerald, P.E County Engineer The County of Galveston 722 Moody Avenue Galveston, Texas 77550

Dear Mr. Fitzgerald:

Dannenbaum Engineering Corporation is pleased to offer a proposal to assist Galveston County in conducting the 2011 traffic count for FM 646 North

Dannenbaum proposes to use the services of C. J. Hensch & Associates, Inc. to place tube type traffic counters on FM 646. Once the traffic counts are obtained, Dannenbaum will compile the data to determine the vehicle miles traveled. Dannenbaum will forward the traffic count information to Texas Department of Transportation (TxDOT) for their review.

Our fees for these services would be on a time and material basis not to exceed \$7,664 00 in accordance with our standard fee schedule attached.

Should you have any questions regarding this proposal, please do not hesitate to contact me

Sincerely,

DANNENBAUM ENGINEERING CORPORATION

Larry S. Marr P.E. Project Manager

PROPOSAL 2011 TRAFFIC COUNT FM 646 NORTH PROJECT

DESCRIPTION

Assist Galveston County in conducting the 2011 traffic count for FM 646 North Project

SCOPE

Obtain approval from Texas Department of Transportation (TxDOT)

Conduct traffic counts using conventional tube counting techniques

Locate traffic counting equipment on FM 646

Method of obtaining both adequate data to determine vehicle miles traveled

Contract C J. Hensch & Associates, Inc. to provide equipment and conduct the traffic counts

Coordinate with Galveston County, C J. Hensch, and TxDOT
Conduct the traffic count process
Compile vehicle miles traveled
Transmit data to TxDOT

FEE BUDGET

Not to exceed \$7,664.00

FM 646 TRAFFIC COUNTS - NORTH (2011 COUNT)

SUMMARY OF DANNENBAUM WORK EFFORT

SH 87 in Galveston County Prepared by Larry S. Marr, P.E. September 21, 2010

SUMMARY

Dannenbaum has provided work on five different conceptual improvements to SH 87

- (1) Dannenbaum's initial direction from Galveston County was to improve the roadway curve where SH 87 intersects SH 124 south of High Island. A bridge structure was selected as a result of our high water analysis. Several possible alignments were considered based upon vehicle speed around the curve and distance from the coastline (including realigning the roadway along an abandoned RR ROW).
- (2) The bridge concept was abandoned for a raised (Elev 8 ft.) and hardened roadway from High Island to Rollover Pass.
- (3A) The next concept was to raise and harden the roadway from High Island to Dirty Pelican Pier and to separate the cost of the work between TxDOT (raising the roadway) and TDRA (hardening the roadway).
- (3B) In addition, we provided information to extend the raised and hardened roadway from Dirty Pelican to Rollover Pass and to separate the cost of the work between TxDOT (raising the roadway) and TDRA (hardening the roadway).
- (4) We provided information for raising the roadway to Elevation 10 feet from High Island to Dirty Pelican Pier and to Rollover Pass.
- (5) At the direction of TxDOT, the roadway was changed from a three-lane roadway without shoulders to a typical two-lane roadway with shoulders.

With each of the five concepts, Dannenbaum prepared design and construction cost estimates, typical sections, courses of action for the options, decision matrices, and evacuation timelines. Dannenbaum prepared, updated, and submitted the TDRA Tables for each concept. Dannenbaum prepared for and participated in two conference calls with TDRA, attended six called meetings and three Workshops with Galveston County, made two official site visits, and conducted numerous coordination efforts with the Program Manager, CDM.

Based upon cost and environmental considerations and limitations, the proposed improvements were all contained within the existing 120-foot TxDOT ROW. TDRA directed Galveston County to obtain commitments from TxDOT to raise the roadway. TDRA planned to allow Galveston County to commit their funds to harden the roadway.

Dannenbaum conducted their work at the direction of Galveston County and the CDM Representative. At the direction of Galveston County, the project was reassigned to Round 2.

DOCUMENTS SENT TO TDRA

Dannenbaum prepared and sent to TDRA the following documents and information. These documents and information are part of the Non-Housing Activities Application. All of these documents and information were prepared and sent at the request of the CDM Representative primarily due to the changes in the project scope discussed above. The documents consist of Page 6 – Description of the Need(s) Addressed in this Application & Project Summary, Table 1 – Benefit to Low and Moderate Income Persons, and Table 2 – Budget Justification of Retail Costs. Typically, CDM prepared Table 1 and Dannenbaum prepared Table 2.

June 12, 2009. Prepared Page 6 narrative, Table 1 and Table 2 for a bridge

June 19, 2009. Updated Table 2 for a bridge

July 30, 2009. Updated Table 2 for hardened roadway

August 3, 2009. Prepared detailed cost breakdown

August 4, 2009. Presented detailed cost breakdown and updated Table 2

August 5, 2009. Updated Table 2

August 11, 2009. Updated Table 2

October 15, 2009. Updated Table 2

January 5, 2010. Prepared two Table 2 documents presenting both the short (Dirty Pelican Pier) and the long (Rollover Pass) roadway raising and hardening

March 5, 2010. Updated costs

TIMELINE OF WORK EFFORT

Dannenbaum conducted the following work for SH 87. The work was conducted at the request of the CDM Representative and Galveston County The work effort is presented in chronological order of major events

April 23, 2009. TxDOT let roadway raising project (CSJ 0367-02-073) overlay of SH 87. The project consisted of raising SH 87 to Elevation 6 feet (at the roadway centerline) on most of the roadway from Bolivar Roads to the SH 87 curve at SH 124. Dannenbaum visited TxDOT's Area Office to obtain information on this project Dannenbaum reviewed the project scope, construction items, and bid costs. Dannenbaum used the scope and cost for our future construction cost estimates

June 10, 2009 Dannenbaum attended initial meeting in Galveston County for SH 87

June 26, 2009. Conference call made with TDRA, CDM, Dannenbaum, and a number of other firms.

July 2009. Dannenbaum conducted high water analysis to determine water level during an event. Used the high water elevation (Elev. 19 ft) to estimate bridge height

July 30, 2009. Dannenbaum conducted site visit to SH 87.

August 2009. Dannenbaum prepared construction cost estimates for curve improvements consisting of three different roadway and bridge alignments.

August 19, 2009 Dannenbaum conducted research on Gulf & Interstate RR Co to determine availability of RR ROW to realign SH 87 to miss current curve location.

September 24, 2009. Dannenbaum prepared construction cost estimate for roadway options at the curve.

September 29, 2009 Dannenbaum developed courses of action, decision matrices, and evacuation timelines for selected roadway alignments and bridge options at the curve.

September 30, 2009. Dannenbaum met with Commissioner Doyle to discuss the project.

October 7, 2009. Dannenbaum prepared handouts for the bridge and roadway options and attended Galveston County Workshop on SH 87. At this Workshop, Galveston County eliminated the bridge option. The raised (Elev. 8 ft.) and hardened roadway from High Island to Rollover Pass was the selected concept.

October 14, 2009. Conference call made with TDRA, CDM, Galveston County, and Dannenbaum.

October 22, 2009 Dannenbaum prepared construction cost estimate for roadway options.

October 22, 2009 Dannenbaum received survey data for Galveston County prepared by Land Data Surveys, Inc

October 23, 2009. Dannenbaum assisted in preparing wording for the first TxDOT letter to be sent to TDRA signed by TxDOT Houston District Engineer committing funds to SH 87.

October 23, 2009. TxDOT issued their first letter of project support.

December 28, 2009. Dannenbaum attended a meeting with Galveston County, CDM, and TxDOT Galveston County expressed their concern on TxDOT's participation in the project.

January 5, 2010. Dannenbaum prepared construction cost estimates, courses of action, decision matrices, and evacuation timelines for two roadway options — Rollover Pass to High Island and Dirty Pelican Pier to High Island.

January 26, 2010. Dannenbaum attended meeting with Galveston County and CDM. At this meeting, Galveston County directed Dannenbaum to separate costs between raising the roadway (TxDOT funds) and hardening the roadway (TDRA funds). In addition, two concepts were determined: raising the road to Elevation 8 ft and Elevation 10 ft.

January 28, 2010 Dannenbaum provided information to Galveston County for a raised (Elev 8 and 10 ft.) and hardened roadway from High Island to Dirty Pelican Pier and on to Rollover Pass

February 8, 2010. Dannenbaum prepared handouts and attended a second Galveston County Workshop on SH 87.

February 9, 2010. Dannenbaum conducted site visit with Galveston County, TDRA, and CDM representatives.

February 9, 2010 Dannenbaum attended meeting with Galveston County, TDRA, and CDM representatives

February 9, 2010. Dannenbaum assisted in preparing wording for a second TxDOT letter to be sent to TDRA signed by TxDOT Houston District Engineer committing funds to SH 87.

February 16, 2010. Dannenbaum discussed the SH 87 project with TDRA Environmental Representative – Tim Glendening & Associates, Plano, Texas.

March 4, 2010. Dannenbaum assisted in preparing wording for a second TxDOT letter to be sent to TDRA signed by TxDOT Houston District Engineer committing funds to SH 87

March 22, 2010. Dannenbaum provided information to Galveston County consisting of a revised Executive Project Summary, project area map, and evacuation timeline.

March 29, 2010. TxDOT issued their second letter of project support

April 20, 2010. Dannenbaum attended meeting at TxDOT offices. TxDOT requested changing the roadway concept from a three-lane roadway without shoulders to a typical two-lane roadway with shoulders.

April 2010 Dannenbaum was informed that SH 87 project was reassigned to Round 2

July 22, 2010. Dannenbaum reviewed project and prepared for upcoming Workshop.

July 23, 2010. Dannenbaum requested information from CDM and responded to questions from Galveston County.

July 28, 2010. Dannenbaum prepared handouts and attended a third Galveston County Workshop. Residents of Bolivar Peninsula attended the Workshop. Galveston County asked Dannenbaum if there were short-term solutions to allow traffic to cross low water areas on SH 87.

County Judge Mark Henry Galveston County Commission 722 Moody Avenue, Suite 200 Galveston, Texas 77550

Dear Judge Henry,

It has come to my attention you are considering the nomination of Toni Randall, owner of Kemah Hardware, to the Gulf Coast Workforce Development Board. Allow this letter to serve as our strongest recommendation for this nominee.

Ms Randall is not only a League City Chamber of Commerce member but one of six businesses at our highest membership level. Her dedication to business growth, workforce development and economic development is evident through this membership. It does not take one long after speaking with Ms Randall for any length of time to realize that she is a true and strong business advocate. Possessing a high energy and a persevering spirit, Ms Randall is a person who desires to see action and results

The League City Chamber of Commerce strongly urges your appointment of her to the Gulf Coast Workforce Development Board. Please feel free to contact me at 281 338 7339 with any additional questions you might have.

Striving for Growth,

Jason E. Ebey
President/CEO

terms of this agreement

Use: A courtroom, chambers, and related amenities for the operation of the office of the Justice

of the Peace, Precinct No.8, of Galveston County, Texas.

Guarantors: None

"Rent" means base rent plus any other sums of money due Landlord by Tenant.

"Common Areas" means that part of the shopping center intended for the common use of all tenants

"Landlord" means Landlord and its agents, employees, invitees, licensees, or visitors.

"Tenant" means Tenant and its agents, employees, invitees, licensees, or visitors.

"Essential Services" means utility connections reasonably necessary for occupancy of the premises for the use stated above.

LEASE CLAUSES AND COVENANTS

A. Tenant agrees to-

- 1. Lease the premises for the entire term beginning on the commencement date and ending on the termination date, unless terminated earlier in accordance with this agreement.
- 2. Once Landlord has made the improvements described on Exhibit B ("Landlord's Alterations") to Tenant's reasonable satisfaction, accept the premises in their present condition "as is". Tenant intends to make alterations to the premises for Tenant's intended use ("Tenant's Alterations"), and will perform Tenant's Alterations as provided in the Tenant Improvements Rider attached to this lease. Upon completion of Landlord's Alterations and Tenant's Alterations, or upon expiration of the time period allowed for completion of Tenant's Alterations, the premises will be deemed suitable for Tenant's intended use.
- 3. Obey all laws, ordinances, orders, and rules and regulations applicable to the use, condition, and occupancy of the premises, including the rules and regulations of the shopping center adopted by Landlord, so long as such rules and regulations do not unreasonably and materially interfere with Tenant's use of the premises
- Pay monthly, in advance, on the first day of the month, the base rent to Landlord at Landlord's address. However, rent will be abated until Landlord's Alterations are complete and rent for the month of September 1997 will be equitably prorated and payable on the first day following completion of Landlord's Alterations.

- 5. Pay a late charge of ten (10%) percent of any rent not received by Landlord by the thirtieth day of the month in which the rent is due.
- 6. Obtain and pay for all electricity and telephone services used by Tenant Landlord will provide all other utility services.
- 7. If Tenant's Agent or his clerk are present or Tenant has waived this requirement, to allow Landlord to enter the premises to perform Landlord's obligations, inspect the premises, and show the premises to prospective purchasers or tenants.
- 8. Repair, replace, and maintain any part of the premises that Landlord is not obligated to repair, replace, or maintain, normal wear excepted.
- 9. Repair any damage to the premises caused by Tenant.
- 10. Submit in writing to Landlord any request for repairs, replacement, and maintenance that are the obligations of Landlord
- 11. Continuously and in good faith conduct on the entire premises the type of business for which the premises are leased in an efficient and reputable manner.
- 12. Vacate the premises on termination of this lease.
- 13. On request, execute an estoppel certificate that states the commencement and termination dates of the lease, identifies any amendments to the lease, describes any rights to extend the lease term or purchase rights, lists defaults by Landlord, and provides any other information reasonably requested.
- 14. On request, execute a subordination and nondisturbance agreement in a form reasonably requested by Landlord.

B. Tenant agrees not to--

- 1. Use the premises for any purpose other than that stated in the basic lease terms and definitions.
- 2. (a) Create a nuisance, (b) interfere with any other tenant's normal business operations or Landlord's management of the shopping center, (c) permit any waste, or (d) use the premises in any way that is extra hazardous, would increase insurance premiums, or would void insurance on the shopping center.
- 3 Change Landlord's lock system without Landlord's consent, which will not be unreasonably withheld.
- 4. Alter the premises without the Landlord's prior written consent.

- 5 Allow a lien to be placed on the premises.
- 6. Assign this lease or sublease any portion of the premises without Landlord's written consent.
- 7. Use the roof above the premises.
- 8. Place any signs on the premises without Landlord's written consent.

C. Landlord agrees to-

- 1. Lease to Tenant the premises for the entire term beginning on the commencement date and ending on the termination date.
- 2. Obey all laws, ordinances, orders, and rules and regulations applicable to the use, condition, and occupancy of the shopping center.
- 3 Provide normal utility-service connections to the premises.
- 4. Repair, replace, and maintain the (a) roof, (b) foundation, (c) HVAC system (d) parking and common areas, and (e) structural soundness of the exterior walls, including windows, store fronts, and doors, unless such windows, storefronts, and doors are damaged by Tenant.
- Insure the shopping center against all risks of direct physical loss in an amount equal to at least 90 percent of the full replacement cost of the shopping center as of the date of the loss and liability; Tenant will have no claim to any proceeds of Landlord's insurance policy.

D. Landlord agrees not to-

- 1. Interfere with Tenant's possession of the premises as long as Tenant is not in default
- 2. Unreasonably withhold consent to a proposed assignment or sublease, or a proposed alteration of the premises

E. Landlord and Tenant agree to the following:

- Alterations. Any physical additions or improvements to the premises made by Tenant other than courtroom amenities will become the property of Landlord. Landlord may require that Tenant, at termination of this lease and at Tenant's expense, remove any physical additions and improvements, repair any alterations, and restore the premises to the condition existing at the commencement date, normal wear excepted.
- 2. Abatement. Tenant's covenant to pay rent and Landlord's covenants are independent of each other. Except as otherwise provided, Tenant shall not be entitled to abate rent for any reason.

- Casualty/Total or Partial Destruction. (a) If the premises are damaged by casualty and can be restored within mnety days, Landlord will, at its expense, restore the premises to substantially the same condition as they existed before the casualty. If Landlord fails to complete restoration within ninety days from the date of written notification by Tenant to Landlord of the casualty, Tenant may terminate this lease by written notice to Landlord (b) If the premises cannot be restored within ninety days, Landlord has an option to restore or not to restore the premises. If Landlord chooses not to restore, this lease will terminate If Landlord chooses to restore, it will notify Tenant of the estimated time to restore and give Tenant an option to terminate this lease by notifying Landlord within ten days. If Tenant does not terminate this lease, it shall continue and Landlord shall restore the premises as provided in (a) above. (c) To the extent the premises are untenantable after the casualty and the damage was not caused by Tenant, the rent will be adjusted as may be fair and reasonable.
- 4. Condemnation/Substantial or Partial Taking. (a) If the premises cannot be used for the purposes contemplated by this lease because of condemnation or purchase in lieu of condemnation, this lease will terminate. (b) Whether or not any portion of the premises is taken by condemnation or purchase in lieu of condemnation, Landlord or Tenant may elect to terminate this lease if 50 percent or more of the common area is taken. (c) If there is a condemnation or purchase in lieu of condemnation and this lease is not terminated, Landlord will, at Landlord's expense, restore the premises, and the rent payable during the unexpired portion of the term will be adjusted as may be fair and reasonable. (d) Tenant will have no claim to the condemnation award or proceeds in lieu of condemnation.
- 5. **Default by Landlord/Events.** Defaults by Landlord are (a) failing to comply with any provision of this lease within thirty days after written notice or (b) failing to provide essential services to Tenant within ten days after written notice.
- 6. **Default by Landlord/Tenant's Remedies.** Tenant's remedies for Landlord's default are to (a) sue for damages and (b) if Landlord does not provide an essential service for ten days after default, terminate this lease, unless Landlord is prevented from doing so by an act of God or other circumstances beyond Landlord's control.
- Default by Tenant/Events. Defaults by Tenant are (a) failing to pay timely rent, (2) abandoning or vacating a substantial portion of the premises, or (c) failing to comply within ten days after written notice with any provision of this lease other than the defaults set forth in (a) and (b) above
- 8. Default by Tenant/Landlord's Remedies. Landlord's remedies for Tenant's default are to (a) enter and take possession of the premises with due process of law, after which Landlord may relet the premises on behalf of Tenant and receive the rent directly by reason of the reletting, and Tenant agrees to reimburse Landlord for any expenditures made in order to relet; (b) enter the premises and perform Tenant's obligations; or (c) terminate this lease by written notice and sue for damages.

5

- 9. **Default/Waiver/Mitigation.** It is not a waiver of default if the nondefaulting party fails to declare immediately a default or delays in taking any action. Pursuit of any remedies set forth in this lease does not preclude pursuit of other remedies in this lease or provided by law. Landlord and Tenant have a duty to mitigate damages.
- 10. Holdover. If Tenant does not vacate the premises following termination of this lease, Tenant shall be a tenant at will and shall vacate the premises on receipt of notice from Landlord. No holding over by Tenant, whether with or without the consent of Landlord, will extend the term. Base Rent during any period Tenant is holding over will be equal to the amount of Base Rent payable immediately prior to termination of the lease.
- 11 Alternative Dispute Resolution. Landlord and Tenant shall submit in good faith to mediation before filing a suit for damages.
- 12. Attorney's Fees. If either party retains an attorney to enforce this lease, the prevailing party is entitled to recover reasonable attorney's fees.
- 13 Venue. Venue is in the county in which the premises are located.
- 14. Entire Agreement. This lease, together with the attached exhibits and riders, is the entire agreement of the parties, and there are no oral representations, warranties, agreements, or promises pertaining to this lease or to the expressly mentioned exhibits and riders not incorporated in writing in this lease.
- 15 Amendment of Lease. This lease may be amended only by an instrument in writing signed by Landlord and Tenant.
- 16. Limitation of Warranties. There are no implied warranties of merchantability, of fitness for a particular purpose, or of any other kind arising out of this lease, and there are no warranties that extend beyond those expressly stated in this lease.
- 17. Notices. Any notice required by this lease shall be deemed to be delivered (whether or not actually received) when deposited with the United States Postal Service, postage prepaid, certified mail, return receipt requested, and addressed to Landlord or Tenant at their addresses.
- 18. Use of Common Areas. Tenant shall have the nonexclusive right to use the common areas subject to such reasonable rules and regulations governing use as Landlord may prescribe.
- 19. Abandoned Property. Landlord may retain, destroy, or dispose of any property left on the premises at the end of the term.
- 20. Advertisement of Premises. During the last thirty days, Landlord may place a sign on the premises advertising the premises for rent or sale.

- 21. Limitation of Landlord's Liability. Landlord has no personal liability with respect to any of the terms, covenants, or conditions of this lease. If Landlord defaults under this lease, Tenant will look solely to Landlord's equity in the shopping center for satisfaction of Tenant's remedies, and Tenant will have no right or claim against Landlord for any deficiency. In no event will Landlord be liable to Tenant for any personal or property damage caused by (1) gas, water, steam, electricity, or oil leaking or escaping into the premises, or (ii) any act or omission of other tenants of the shopping center
- 22. **Subordination.** This lease is subordinate to any lien created by Landlord that may now or in the future encumber the shopping center, including any modification, renewal, or extension of any such lien, provided each lienholder executes a nondisturbance agreement by the terms of which Tenant's possession of the premises would not be disturbed for so long as Tenant observes every term, covenant, and condition of this lease.
- 23. Release of Landlord. If Landlord assigns its interest in the lease to another person or entity that assumes Landlord's obligations under the lease, Landlord will be released from any further lease obligations and Tenant will look solely to the assignee for performance of any further obligations.
- 24. Non-appropriation of Funds. This lease is subject to the appropriation of funds by the Galveston County Commissioner's Court (the "Court") for the current or any upcoming fiscal year. Nothing in this lease will be deemed to be binding on a future Court. The failure of the Court to appropriate funds for Tenant's obligations under this lease will automatically result in a termination of the lease.
- 25. Tenant's Option to Terminate. Tenant may terminate this lease with or without cause upon no less than 180 days written notice to Landlord of Tenant's intent to terminate However, if Tenant exercise this option it must reimburse Landlord for the unamortized portion of the cost of Landlord's Alterations, which cost is agreed to be \$3,700.00 (the "Cost of Improvements"). The amount of reimbursement will be equal to the Cost of Improvements multiplied by a fraction, the numerator of which is the number of full months remaining in the term following termination of the lease (calculated as if Tenant had not terminated the lease) and the denominator of which is 37. The reimbursement will be due without demand on the day the lease terminates.

Tenant Improvements Rider

Work, Plans, and Permits

General description of work: Construction of a Judge's bench, application of dark tint to front door

and adjacent trim, and construction of one wall to close in open space

on main room.

Plan preparation: County of Galveston or Gulf Coast Center employees

Contractor County of Galveston or Gulf Coast Center

AGREEMENTS

A Preparation of Plans. Within five days from the execution of this Lease, Tenant will prepare plans, specifications, and other material required for completing performance of the work (the "Plans"). The Plans will be delivered immediately to Landlord, who has ten days to approve the Plans or to indicate any objections to the Plans If Landlord has objection to the Plans, it will communicate them to Tenant within that time. This process will be repeated until the Plans are approved by both Landlord and Tenant. The cost of preparation of the Plans will be borne by Tenant

Performance of Work. Tenant will be responsible for retaining the contractor to perform the work. Tenant will obtain all required permits for the work. After approval of the plans, the contractor will be instructed to perform the work in accordance with the approved plans and all applicable laws. The cost of performance of the work will be borne by Tenant.

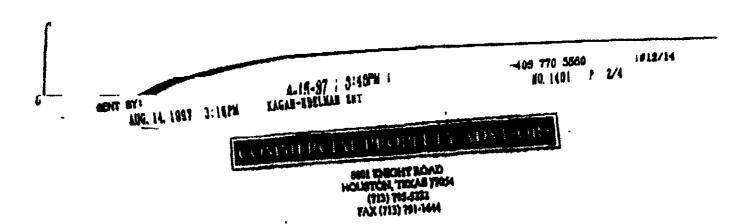

C Schedules.

- The parties estimate that the plans will be approved by Landlord no later than September 30, 1997
- 2. Tenant will begin the work and prosecute it to completion following approval of the plans by Landlord As provided in paragraph B Tenant is responsible for retaining the contractor; accordingly any delay in performance of the work that is the contractor's fault will be attributable to Tenant.
- D Changes in the Work. Any changes in the Plans or the work after initial approval of the Plans will require approval of the Landlord and Tenant. As part of such approval, the parties must agree on any required changes to the construction schedule and Tenant must bear any increase in cost.
- Relationship of Parties. The relationship of Landlord and Tenant is strictly that of lessor and lessee No agency relationship, partnership, or joint venture is created or intended to be created by the lease In no event will Landlord, or any of Landlord's property, including without limitation the shopping center and premises, be liable for the debts or obligations of Tenant.

PAGE 61

23

On this the 25th day of August, 1997, the Commissioners' Court of Galveston County, Texas convened in a regularly scheduled meeting with the following members thereof present:

JAMES D. YARBROUGH, County Judge; EDDIE BARR, Commissioner, Precinct No. 1; EDDIE JANEK, Commissioner, Precinct No. 2; WAYNE JOHNSON, III, Commissioner, Precinct No. 3; ED STUART, Commissioner, Precinct No. 4; and PATRICIA RITCHIE, County Clerk

when the following proceedings, among others, were had, to-wit:

WHEREAS, on August 25, 1980 the Commissioners' Court of Galveston County passed an Resolution approving the Articles of Incorporation for the Galveston County Housing Finance Corporation; and

WHEREAS, V.T.C.A., Local Government Code §394.016 provides that such Articles may be amended upon written application filed with the Commissioners' Court requesting permission to amend the Articles and specifying the proposed amendments; and

WHEREAS, the statute further provides that if, after considering the request, the Commissioners' Court determines that the making of the amendment is wise, expedient, necessary or advisable, it may authorize the amendment and approve its form; and

WHEREAS, the Galveston County Housing Finance Corporation's Board of Directors has, by written application attached hereto as Exhibit "A", requested permission to amend its Articles of Incorporation by decreasing the number of its Board of Directors from seven (7) to five (5) and by changing the name and address of its registered agent; and

WHEREAS, it is the opinion of the Commissioners' Court that such requested change is advisable and should be approved.

NOW, THEREFORE BE IT RESOLVED that the Commissioners' Court of Galveston County, Texas does hereby authorize the above amendment request of the Board of Directors and approves the form of such amendments as such form is attached hereto as Exhibit "B".

BE IT FURTHER ORDERED that the Board of Directors may amend its Articles of Incorporation by adopting the above amendment at an upcoming meeting of the Board and submitting such amendment to the Secretary of State of the State of Texas.

PASSED THIS 25th day of August, 1997.

AGENDA ITEM #21

On this the 20th day of September, 2011, the Commissioners' Court of Galveston County, Texas convened in a regularly scheduled meeting with the following members thereof present

Mark Henry, County Judge; Patrick F. Doyle, Commissioner, Precinct No. 1; Kevin D. O'Brien, Commissioner Precinct No. 2; Stephen D. Holmes, Commissioner, Precinct No. 3; Kenneth Clark, Commissioner, Precinct No. 4; and Dwight D. Sullivan, County Clerk

when the following proceedings, among others, were had, to-wit

An Order Setting Civil Citation Fees to be Charged by the Galveston County Sheriff and Constables for Calendar Year 2012

Whereas, §118 131 of the Local Government Code authorizes the Commissioners' Court of each county to set reasonable fees to be charged for services by the offices of Sheriffs and Constables, and

Whereas, upon analysis of the projected costs of serving judicial civil process for the upcoming calendar year, a determination has been made as to the level of fees required to recoup the costs to Galveston County for this service, and

Whereas, the Commissioners' Court is of the opinion that the following fees are reasonable and should be established effective January 1, 2012, for this service of civil process in Galveston, and

Whereas, for each person, corporation, or other legal entity upon whom service of citation, precepts, subpoena, summons or process not otherwise provided for, if performed or attempted and return made, including mileage, if any, the Sheriff and Constables shall receive a fee of the following

F. W. (Frank) Furleigh Veterans Service Officer

May 30, 2011

Assistant Veteran Service Officer Personnel Adjustment Justification

- Describe the need for this request: The Texas Veterans Commission (TVC) had a representative in the Galveston VA Clinic, who retired in February, 2011. Due to the current State of Texas hiring freeze the Commission is unable to replace that counselor. As a result, since the beginning of March, the County Veterans Service Officer (CVSO) is spending each Monday morning in the Galveston VA Clinic, all day each Tuesday in the Texas City VA Clinic, and Wednesday morning, the third Wednesday of each month, at the Crystal Beach Annex Wednesdays, Thursdays and Fridays are reserved for appointments. Clients are currently waiting five weeks for an appointment to meet with the VSO, and one to two weeks for a response to an e-mail or a voice mail contact. The CVSO is currently working overtime three or four hours per week, on weekdays, and typically spends two Saturdays each month making in-home visits to house bound clients, including nursing homes. Client contacts have more than doubled since March 1. Due to the workload increase, Veterans and Widows are being short-changed when it comes to assistance with follow-up action on their claims. This results in missed deadlines when responding to VA letters and inquiries. The Service Officer has been forced to give up attendance at several monthly meetings, such as the Mainland Medical Center's Senior Network Breakfasts, the Gulf Coast Center Veterans Task Force, and Gulf Coast Homeless Coalition meetings. These meetings provide excellent resource contacts, and this office should be represented.
- B Describe how the work in this department would change if this request is approved: Initial and follow-up contacts with clients would eventually double. Appointment waiting periods for response to e-mail and voice mail would be reduced. More time could be allotted to outreach programs, such as the VA Clinics and inhome visits, without having to work after hours and on weekends. With two benefits counselors in the county until the end of February, 2011, the total VA distribution in Galveston County increased in FY 10 by \$8,847, 000, while the Compensation and Pension (disposable income) increased by \$2,212,000. Claims for VA benefits are far more successful when the claimant has the benefit of a trained counselor to assist with the claim. It is the task of this office to ensure that these expenditures continue to grow
- Attach Job Description if this is a request for a new position: The Assistant Veterans Service Officer (AVSO) will assist Veterans, Widows, and the Orphans of Veterans counseling for benefits from the US Department of Veterans Affairs, the State of Texas, and Galveston County He/She will maintain efficiency in the performance of his or her duties by keeping current with annual accreditation training with the Texas Veterans Commission and the National Association of County Veterans Service Officers The AVSO will perform all duties commensurate with the County's Veteran Service Office under the direction of the Veteran Service Officer
- D. Attach the current Organization Chart for this department and indicate the change that would occur on the chart if this request is approved. Please see attached

Galveston County Veteran Services, Where customer service is an attitude, not a department.

SUPERVISORY RESPONSIBILITY

This position exercises direct and functional supervision over Museum Curator and Museum Docent

MINIMUM QUALIFICATIONS

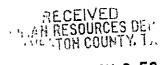

Knowledge and level of competency commonly associated with the completion of a college degree in a course of study related to museum studies or other related field, master's degree preferred

Experience sufficient to thoroughly understand the objectives and functions of the department in order to direct and coordinate work within the department, usually interpreted to require a minimum five years experience in museum work

History and research background required

Previous managerial or supervisory experience and preferred

2011 SEP -9 AM 9: 52

County of Galveston

Lanny Brown
DIRECTOR, COMMUNITY SERVICES

To: Jan Piveral, Director of Human Resources

Re: Request for Exemption to Hiring Freeze

From Lanny Brown, Community Services Director

Date: September 8, 2011

1B 9/8/11

I am requesting that the position of Museum Director be exempted from the Galveston County hiring freeze. The position has been vacant since February 2, 2011 and is now critical to continuation of the Museum services Currently, the Museum employs a Curator and I anticipate that this employee will seek other employment soon. The several projects that are currently underway, with considerable investment of time and money, will be negatively impacted without a qualified person filling the role of Director

There is no alternate employee that can take over these duties.

Thanks for your consideration

FREDDIE POOR Sheriff Galveston County

September 12, 2011

TO The Honorable Mark Henry, County Judge, and Members of the Commissioner's Court of Galveston County

RE Budget Amendment, Sheriff's Office

Gentlemen

On behalf of Sheriff Poor, please accept this letter as our request for a budget amendment to address two areas where shortfalls exist

This proposed amendment calls for the internal transfer of funds to and from the following

- 1 Transfer \$30,000 from Corrections Jail Food Service Contract (1101-211133-5481200) to Administration Auto Maintenance (1101-211101-5423110) to address current and projected shortage of funds for Sheriff's vehicle repairs, and
- 2 Transfer \$25,000 from Corrections Jail Food Service Contract (1101-211133-5481200) to Warrants – Prisoner Extradition Travel), addressing both a current negative balance in the account and class, as well as providing funds for necessary prisoner extradition(s) for the remainder of the fiscal year

This internal transfer represents a net zero effect on the current fiscal year's budget, and no future negative budget impact is anticipated

Your favorable consideration of this matter is appreciated, and as always, you may contact me at x2369 should you have any questions or concerns

Maj Ray Tuttoilmondo

Bureau Commander, Support Services & Administration

cc Mel Trammel, Budget Office

AGENDA ITEM #24

GALVESTON COUNTY COOPERATIVE EVACUATION PLAN

I. PURPOSE

The purpose of this plan is to guide the safe and orderly evacuation of Galveston County prior to an approaching hurricane. For the purposes of this plan the following terms will apply

- A Capital Area Shelter Hub Plan: The plan which describes how the City of Austin, Travis County and surrounding counties will accommodate evacuees, including those with medical and functional needs, who have been evacuated from Galveston County as a result of a mandatory evacuation
- B Decision-maker: The mayor of each City and the County Judge, each of whom has the authority to recommend evacuation or call a mandatory evacuation of his/her jurisdiction. Each jurisdiction must have the name of a decision-maker and an alternate on file with the Galveston County Office of Emergency Management.
- C **Disaster District Committee:** A regional organization of state agencies chaired by a ranking Department of Public Safety officer ("Disaster District Chairman") to which requests for assistance and situational data from that region's Cities and Counties may be transmitted
- D Point-to-Point Shelter Plan: A plan developed between a coastal area and a host inland City or County to provide shelter accommodations for evacuees involved in mass transport operations
- E Reception Center: A designated location where evacuees are received by a host community. Upon arrival they are triaged, registered, and assigned a shelter within the hub region.
- F Regional Liaison Officer: The Texas Division of Emergency Management representative serving the Texas Division of Emergency Management Disaster District Sub 2A, which encompasses Galveston and Brazoria counties
- G Multi-Agency Coordinating Committee: The group comprised of the mayor of Houston, the mayor of Galveston, and the County judges of the 13-County Houston-Galveston Area Council region, or their appointees, responsible for coordinating evacuations and responding to catastrophic events. Also referred to under the National Incident Management System as the Multi-Agency Coordinating Group.
- H State Operations Center: The emergency operations center within the Texas Department of Public Safety/Division of Emergency Management facility in Austin from which state coordination of disaster operations occurs

II. SITUATION

Galveston County lies on the Upper Texas Gulf Coast and from time to time must evacuate some or all of its residents to protect them from dangerous winds, accumulated rainfall, and storm surge associated with hurricanes. The Texas

Legislature gave mayors and County judges the authority to order mandatory evacuations in 2005

Though the Galveston County Cooperative Emergency Management Program has enabled City and County decision-makers to effectively evacuate the County on numerous occasions, the traffic jams, fuel shortages and deaths related to the evacuation of the Houston-Galveston region as Hurricane Rita approached in September 2005 exposed numerous problems

In an attempt to address these problems, the Texas Governor's Office mandated in March 2006 the creation of regional organizations across the state to provide coordination for catastrophic events, including hurricanes (*RP-57*) The organization representing the Houston-Galveston area, referred to as the Multi-Agency Coordinating Committee or Group, includes a representative from each of the 13 counties in the Houston-Galveston Area Council region, plus one representative each from the Cities of Houston and Galveston

The State of Texas also developed a new contra-flow plan (reverse-laning of traffic), fuel surge plan and shelter plans as a result of the lessons learned from Hurricane Rita

This Cooperative Evacuation Plan incorporates these and other changes spelled out in the State of Texas Hurricane Evacuation and Mass Care Plan issued on June 1, 2006, as amended Copies of the state plan can be found on the Texas Division of Emergency Management web site. Specific procedures enacted by the Cities and County as they relate to evacuation of functional/medical needs populations are explained in Attachment A.

III. ASSUMPTIONS

When a hurricane threatens to strike the Upper Texas Gulf Coast, Galveston County's decision-makers will meet or participate in conference calls to discuss appropriate actions to protect lives and property

Evacuation decisions for most hurricanes approaching the Houston-Galveston area will be coordinated with the Multi-Agency Coordinating Committee according to the procedures spelled out in Attachment B

Priority will be given to evacuating the following low-lying areas of Galveston County Bayou Vista-Omega Bay, San Leon-Bacliff, Kemah-Clear Lake Shores, Tiki Island, West Galveston Island including Jamaica Beach, and all of the Bolivar Peninsula Due to ferry access and other issues, the peninsula may be asked to evacuate well in advance of other areas of the county

Preparations for an approaching hurricane will be made as if they are one category stronger than projected by the National Weather Service

The American Red Cross will not open shelters in the County before or during a hurricane event. Shelters may be opened as soon as feasible following the storm.

Each jurisdiction will educate its residents, including medical/functional-needs populations, regarding their individual responsibilities when an evacuation is recommended or mandated

Each jurisdiction will be responsible for maintaining a list of medical/functional needs residents within their geographic area, and for notifying them of potential emergencies as well as coordinating any transportation needs

IV. EVACUATION FROM ZIP CODE ZONES

Jurisdictions in the Houston-Galveston-Brazoria Study Area adopted a Zip Code Evacuation Plan for the 2007 Hurricane Season to replace the old surge zone maps. The plan calls for evacuation of Galveston County for major hurricanes by groups of zip code zones, beginning with the coast and moving inland. In subsequent years, Chambers and Matagorda counties were added to the map. See Attachment C for a depiction of these zones.

The zip zones generally follow the Evacuation Study Area surge zones and are identified as "Zip Zone Coastal" (Island, Bolivar Peninsula, and coastal Brazoria and Matagorda counties), "Zip Zone A" (all of the Galveston County mainland except for portions of Friendswood and Santa Fe, and southern Chambers County), "Zip Zone B" (portions of Friendswood and Santa Fe, and large portions of Brazoria, Chambers and Matagorda counties), and "Zip Zone C" (Southeast Houston and Harris County, and northern Brazoria County)

Evacuation of Galveston County will be conducted with the assistance of local, regional and state law enforcement, as outlined in the Texas Department of Public Safety's Traffic Management Plan. The latest version is available on the Texas DPS-DEM web site.

V. PRIMARY EVACUATION ROUTES

- A Interstate 45
- B Highway 146
- C Highway 6
- D Highway 124

The primary evacuation routes for Galveston County are Interstate 45, Highway 146, Highway 6 and Highway 124 Galveston Island and mainland

Galveston County residents should use I-45, Hwy 146 and Hwy 6 to evacuate the area Residents of Bolivar Peninsula should evacuate via Highway 87 to Highway 124 through Chambers County

Highways and bridges may not be safe in winds that exceed tropical storm intensity (39 mph) and when heavy rainfall persists. Additionally, the Texas Department of Transportation ferry service between Bolivar Peninsula and Galveston will cease operations when tides reach 4.5 feet above normal

Traffic along various evacuation routes will not be controlled, with the exception of Hwy 146, where traffic may be diverted to Spur 330 just north of the Fred Hartmann Bridge From Spur 330 motorists will be allowed to proceed to other routes, including Interstate 10 West, Beltway 8, I-45, etc. This diversion may depend on overall traffic patterns and the direction of the land-falling storm. Traffic may still be diverted for everyday reasons, such as accidents or construction.

The State of Texas will provide wrecker assistance and comfort stations with emergency food, ice and fuel along I-45, I-10, U S 290, and Highway 59 These services may not be available to evacuees who choose routes other than the primary evacuation routes, such as Farm-to-Market roads

The state will "contra-flow" or reverse-flow, as conditions warrant, Interstate 10 west of Brookshire, Interstate 45 north of FM 1488 in Conroe, U.S. 290 west of FM 1960 in Houston, and Highway 59 north between Humble and Cleveland, to facilitate evacuation of the Houston region. Contra-flow typically will be implemented by Houston and Galveston authorities with the input of the MACC/MACG and the State Operations Center. The state plans to implement contra-flow no later than H-36 when a major storm is threatening.

VI. GENERAL EVACUATION STRATEGY

Tropical weather activities are monitored by the Houston-Galveston forecast office of the National Weather Service. The NWS will be the primary source of weather information and interpretation for Galveston County's decision-makers.

The NWS will continuously update local officials on weather conditions. Any perceived weather threat will be brought to the attention of the Galveston County. Office of Emergency Management (GCOEM) for further action, if any

When a hurricane approaches the Upper Texas Gulf Coast, the GCOEM will alert the decision-maker in each jurisdiction and will coordinate and conduct an initial meeting to be chaired by the County Judge approximately 96 hours prior to 39-mph winds reaching the Galveston County coastline. If possible this meeting will be conducted in-person at the GCOEM facility, 1353 FM 646 in League City. The decision-makers will determine times and locations for additional meetings. For storms developing in the Gulf, this timeline may shrink considerably.

Confidence in a particular storm's forecast track is likely to be low at H-96 (four days prior to T S winds reaching the coast) or even H-72 (three days). However, conditions may require decision-makers to meet as early as H-120 (five days) ahead of landfall for the purpose of procuring transportation assets.

Galveston County and several municipalities in the County have contracted with local school districts to obtain buses for evacuation purposes. The primary school district with this capability is the Clear Creek Independent School District. In the event buses are not available from the state of Texas (for example, when a fast-forming storm does not allow enough lead time), Galveston County may activate its bus transportation plan with CCISD. Copies of the CCISD bus agreement are available from GCOEM.

Each jurisdiction retains the right to order, or not to order, a mandatory evacuation. Jurisdictions have the responsibility to communicate, cooperate and keep other jurisdictions informed of all decisions that may affect other geographic areas.

When an evacuation order is made, the public information officers of the County and Cities will use all available means to alert the public. For traffic safety reasons, evening evacuations will be avoided if possible

Prior to the call for evacuation, decision-makers will request implementation by the Texas Department of Public Safety of the District Sub-2A Traffic Management Plan. The Plan includes traffic control assignments for local jurisdictions, which must be familiar with these assignments and related responsibilities.

Evacuation assistance and rescues will cease when weather conditions pose a risk to first responders

Coordination with the MACC/MACG on all evacuation decisions will occur according to the procedures spelled out in Attachment B GCOEM will work with surrounding counties to emphasize the need for Galveston County's coastal residents to evacuate in advance of inland areas

Evacuation activities will be conducted pursuant to the National Incident Management System (NIMS) and the National Response Framework (NRF) Evacuation operations will include work in an Incident Command System (ICS) environment

VII. CONFERENCE CALL SCHEDULE

In general, and when time does not allow for face-to-face meetings, the Galveston County Cooperative Emergency Management Group (County Judge,

Mayors, Emergency Management Coordinators and other essential decisionmakers) will coordinate evacuation activities via regular conference calls

Experience has shown that it is helpful to have the latest weather information prior to conducting a Local Call Therefore the decision-makers will first participate in the National Weather Service's call with its 23-county area, or will arrange a call with the NWS exclusive to Galveston County

The County will then conduct a call with local jurisdictions, and if there are any unmet needs, these needs will be discussed at a subsequent call with the State Operations Center

Conference calls typically will occur at 10 AM (NWS cail), 10 30 AM (Local call) and 11 AM (State call) As a storm approaches and the risk to the Houston-Galveston region increases, the NWS will poll emergency managers or decision-makers if an afternoon call is warranted. If so, the NWS may conduct a 4 PM call, which would be followed by a Local call at 4 30 PM and a State call at 5 PM Additional calls throughout the evening and early morning hours also may be warranted, especially just prior to landfall.

Often local jurisdictions decide not to participate in the State calls as they may not contain information specific to them or they may have no unmet needs However, GCOEM will always monitor the State calls and will pass along important information to the County's jurisdictions

Notice of conference calls will typically come by email or through massnotification services such as Blackboard Connect. Jurisdictions are responsible for ensuring GCOEM has the latest contact information for conference call participants.

VIII. EVACUATION OF CITIZENS WITH MEDICAL & FUNCTIONAL NEEDS

Hundreds of Galveston County citizens have been identified as having functional or medical needs, and may need assistance evacuating from the path of a potentially devastating hurricane when a mandatory evacuation order has been issued. Hundreds of others may have no functional or medical needs but merely lack transportation.

The State of Texas in April 2011 released a "tool kit" to help communities better plan for the evacuation, sheltering and repatriation of citizens with functional needs. Jurisdictions planning to evacuate residents with functional or medical needs can familiarize themselves with the tool kit posted on the Texas Department of Public Safety/Division of Emergency Management web site.

The County and Cities have knowledge of functional/medical needs individuals who may need assistance evacuating. The State of Texas 2-1-1 Registry assists with registration of these individuals in coastal counties. The state will from time to time forward information on special needs individuals to the County and Cities for their planning purposes, GCOEM also will extract this data and distribute to local jurisdictions regularly.

Despite the best efforts of local officials, it is impossible to determine in advance how many citizens may need assistance with evacuation. The County and Cities will use their best efforts to approximate how many medical or functional needs residents will need evacuation assistance to ensure proper planning prior to the start of Hurricane Season each year. The County will coordinate with the Galveston County Health District regarding citizens with medical needs in the unincorporated areas. Cities should coordinate with their health/medical providers, nursing homes, EMS, etc.

Galveston County and the City of Galveston contract with the City of Austin for shelter space for medical and functional needs individuals. Copies of these agreements are available from the City or the County. Each city in Galveston County has specific responsibilities related to the evacuation of medical/functional needs residents to Austin. Those responsibilities are outlined in Attachment A.

IX. SANTA FE HIGH SCHOOL FIRST-RESPONDER SHELTER

Under an agreement signed by the Santa Fe Independent School District (SFISD), Galveston County and local jurisdictions in 2011, SFISD will allow use of portions of Santa Fe High School and parking lots to house first-responders and store equipment prior to landfall. Galveston County is installing a large generator at the school and will provide meals for first-responders through a separate contract. The school will be vacated as soon as feasible after the storm passes, or when SFISD resumes classes. Signatories to the agreement will not allow the possession or use of drugs or alcohol, or harbor pets, while on school property

X. RE-ENTRY

Each jurisdiction will decide when it is safe for its evacuees to return, and will coordinate and communicate these efforts with the assistance of GCOEM. When re-entry plans involve return routes that impact multiple jurisdictions, the jurisdictions will use their best efforts to determine a mutually acceptable method for allowing coordinated access to impacted communities along the route, first-responder vehicles, utility company vehicles, and critical businesses. When situations warrant, the County Judge may preside over a Unified Command that jointly makes decisions about command and control, checkpoint locations, staffing and equipment. Impacted jurisdictions will be expected to participate in the Unified Command. One agency may be designated the lead agency at a checkpoint, but

tactical decisions impacting multiple jurisdictions will be made by the Unified Command

XI. COORDINATION OF LOCAL, REGIONAL & STATE EVACUATION PLANS

Evacuation of functional and medical needs individuals, as well as the general population, requires a coordinated effort by local, regional and state officials Emergency management officials will use their best efforts to follow the evacuation procedures spelled out in Attachment A

X. ATTACHMENTS

Attachment A Evacuation of Medical/Functional Needs Residents

Attachment B Coordination with the MACC/MACG

Attachment C Zip Code Evacuation Map

ATTACHMENT A

PROCEDURES FOR EVACUATION OF MEDICAL/FUNCTIONAL NEEDS POPULATIONS

Galveston County is home to many residents who cannot self-evacuate These individuals who for medical, financial or other reasons cannot evacuate on their own are described by the State of Texas as medical or functional needs residents

Hurricanes Katrina and Rita in 2005 revealed the critical need for local communities to identify and assist functional/medical needs residents with evacuation when a Category 4 or 5 storm approaches. Local emergency managers have developed the following procedures to help ensure a safe and effective evacuation of transportation-dependent individuals from Galveston County when the next major storm threatens.

IDENTIFICATION OF MEDICAL/FUNCTIONAL NEEDS RESIDENTS

Each community in Galveston County is responsible for maintaining a list of medical/functional-needs residents. Each City will follow its own procedures for development and maintenance of a data base, and for contacting residents in the event a catastrophic storm approaches

The State of Texas 2-1-1 Registry offers Texans an opportunity to register in advance for medical/functional-needs assistance. Local jurisdictions receive this confidential data via email and are responsible for adding this information to their databases. Inclusion in the database is not a promise of transportation. The State data-entry process will typically shut down approximately 24 hours prior to landfall, with calls then routed to 911.

NOTIFICATION OF MEDICAL/FUNCTIONAL NEEDS RESIDENTS

Galveston County and each City within the County will strive to notify their medical/functional-needs citizens of the urgency to evacuate from an approaching hurricane. All means of communication will be used to contact those who have no personal transportation. This includes local media, various mass-notification phone and email systems, Internet and cell phone alerts, and other technologies.

Citizens who need transportation out of Galveston County will be advised to go to a pickup point in their community, or directly to one of the two evacuation (departure) points in the County Each City will be responsible for transporting evacuees from the pickup points in their community to the evacuation points

In many cases, citizens will have no means of transport to their pickup point or evacuation point. The Cities and County will use their own transportation resources (cars, buses, vans, etc.) and personnel (police, fire, etc.) to transport these individuals to the appropriate locations.

Each City and the County will advise residents of luggage restrictions and pet requirements in accordance with their established procedures. It is the policy of

Galveston County and its cities to accommodate service animals as well as family pets. However each City and the County reserve the right to deny passage for animals that are not restrained and/or deemed a threat to evacuees.

PUBLIC ASSEMBLY POINTS (FOR TRANSPORT TO EMBARKATION HUBS)

The following pickup points have been designated for individuals who need transportation out of Galveston County when a mandatory evacuation is imminent. The Cities and County may revise or eliminate these locations based on circumstances at the time of evacuation.

Cities will be responsible for transporting mainland residents from city pickup points to the Doyle Center in Texas City Island residents will be directed to use Island Transit to reach the Island Community Center in Galveston. The Galveston County Parks & Senior Services Department will assist with pickup of citizens at unincorporated county pickup points. Bolivar residents will be taken to the Island Community Center, mainland residents will be taken to the Doyle Center.

Santa Fe Junior High School, 4200 Warpath

Ave , Santa Fe

Texas City, La Marque, Tiki Island

Doyle Convention Center, 2010 5th Ave N, Texas City

EMBARKATION HUBS

The Cities and the County will transport citizens from the <u>pickup points</u> above to one of two <u>embarkation hubs</u> the Island Community Center, 4700 Broadway in Galveston, or the Charles T Doyle Convention Center, 2010 5th Ave N in Texas City

Citizens will be encouraged to go directly to the evacuation points, but in many cases that will not be possible for those with no means of transportation, medical issues, etc. These individuals will be transported by any and all available means public bus (Galveston Island only), police patrol car, Constable or Sheriff's deputy vehicle, senior citizen bus, friends and relatives, etc. In some cases, Connect Transportation may be able to assist as well

The embarkation hubs will be the only two official departure points for medicalneeds evacuees from Galveston County Citizens who need a ride from Galveston County to a safe location inland must be on a bus at one of the two embarkation hubs by the designated departure times

MEDICAL TRIAGE AT EMBARKATION POINTS

Triage at the embarkation points will be provided by a team deployed by the Texas Department of State Health Services Individuals who present at the Island Community Center or Doyle Center with major medical issues will be transported to a state medical shelter in San Antonio Individuals who board a bus to Austin and develop medical problems en route will be directed to a medical shelter in Austin

TRANSPORTATION ASSETS

Buses for use in evacuating medical-needs residents may come from one or more sources the State of Texas, Clear Creek Independent School District, Galveston Independent School District, Texas City Independent School District, Houston Metro, and other providers

Galveston County anticipates it may need as many as 200 buses from local and State resources for this purpose

The Texas Division of Emergency Management's timeline for beginning procurement of buses is approximately 120 hours (five days). Confidence in National Weather Service forecasts beyond 72 hours (three days) is low, however, and it will be difficult for local officials to make decisions about evacuation beyond the three-day forecast.

Accordingly, Galveston County and the 13 incorporated cities have entered an agreement with Clear Creek ISD to provide up to 125 buses for evacuation of medical-needs citizens should weather conditions dictate a shortened event timeline

A combination of CCISD, GISD, TCISD and Metro buses ultimately may be used for evacuation. The number of available drivers, maintenance issues, the school calendar and school events, and concurrent disasters all may affect the availability of local and state resources.

BUS DISPATCH TO EMBARKATION HUBS

Galveston County will be responsible for coordinating with the State of Texas to obtain and dispatch buses to the Doyle Convention Center and the Island Community Center Requests for buses will be made by the Cities to the County, and then submitted per State of Texas guidelines to the MACC and DDC Should the Houston-Galveston MACC be unable to fulfill a request for resources, the MACC will pass the request through the local Disaster District Committee to the State The County's RLO may assist with this process

If the evacuation planning timeline is too short to await State buses, Galveston County will coordinate the procurement of buses from CCISD Concurrently, Galveston and Texas City officials will activate their contracts for transportation resources from TCISD, GISD, Metro and others

The County and Cities will contact representatives of their bus providers according to each jurisdiction's established procedures

EMBARKATION HUB PROCEDURES

Texas City (Doyle Center) and Galveston (Island Community Center) officials, in cooperation with County and State responders, will establish procedures for the safe and orderly identification, triage and departure of medical/functional-needs evacuees and their pets

Procedures will address traffic ingress and egress, parking of evacuation buses and private vehicles, staging areas for people, pets, luggage and supplies, public safety and security, and coordination with on-scene agencies

If requested and provided, State resources including members of the Texas Military Forces may assist with loading of supplies and luggage, and check-in of evacuees, including attachment of a wrist-band tracking device on each individual

Cities and the County must ensure that their citizens arrive at the embarkation hubs on time for check-in, and that they have followed each jurisdiction's guidelines regarding luggage and pets

Cities and the County may provide water and snacks for their evacuees, as well as an employee or volunteer to accompany each bus to the host shelter community A medical representative provided by the University of Texas Medical Branch also may ride each bus to monitor the health of the passengers en route and to alert emergency responders in the event a medical emergency arises

To the extent feasible, pets departing from Texas City will ride on the same buses as their owners (Separate pet buses have been arranged for evacuees leaving Galveston) In general, individuals with medical needs will be grouped on the same buses, as will those with no medical needs, no pets, etc

All buses will be loaded as fully as possible to ensure all resources are utilized to their maximum capability, unless a shortened timeline mandates the buses leave as quickly as possible. Surplus buses will be released for other purposes.

All evacuees will be asked to provide personal contact information to either the Texas Military Forces or local City employees/volunteers, or both, in order to properly track them while en route and after they arrive at their designated shelter. Buses will not depart the embarkation points without an accurate manifest showing all passengers and pets.

Copies of the manifests will be retained by the embarkation hub staff and the driver of each bus. Galveston County will assist the embarkation hub staff with transmitting manifest information to the shelter hub via the Texas evacuee tracking system and/or other means.

ATTACHMENT B

PROCEDURES FOR COORDINATION WITH THE MACC

A Multi-Agency Coordination Committee (MACC) has been established in the Houston-Galveston region to assist jurisdictions with response to large-scale events Under ICS, MACC organizations come together to help prioritize requests and share valuable resources

The MACC, also known as the Multi-Agency Coordinating Group, is not part of the on-scene incident command organization and does not develop incident strategy or tactics. However, the MACC is a useful tool for identifying, locating and directing regional resources in the most efficient manner, and/or forwarding requests to the state through the Disaster District Chair.

Gov Rick Perry, in RP-57, mandated in 2006 the creation of MACC organizations statewide to correspond with Council of Government jurisdictional lines. The Governor also required each COG region to name a single incident commander. The 13-County Houston-Galveston Area Council region elected instead to name a committee of decision-makers. The Houston-Galveston MACC is comprised of representatives from each of the 13 counties, plus the mayors of the City of Houston and the City of Galveston. Each representative also has an alternate.

ACTIVATION OF THE MACC

When an event of regional significance occurs (including the approach of a Category 4-5 hurricane), the MACC will activate according to the procedures of the Unified Area Coordinating Committee, comprised of emergency management coordinators and senior staff in the H-GAC region. Based on anticipated or actual impacts, MACC members may choose not to participate in an activation (for example, counties located to the extreme north or east of an approaching hurricane's impact area may not need to participate).

The MACC is a "virtual" organization whose members participate in conference calls rather than meet face to face. The organization receives administrative support from the staff of H-GAC, where a conference call bridge has been established for this purpose, and from the City of Houston, which has designated the Houston Emergency Center at 5320 North Shepherd as the location for MACC-related manpower to stand up. The HEC also will house the Catastrophic Medical Operations Center or C-MOC, which assists in transporting medical-needs patients by ambulance and locating facilities for their care and treatment.

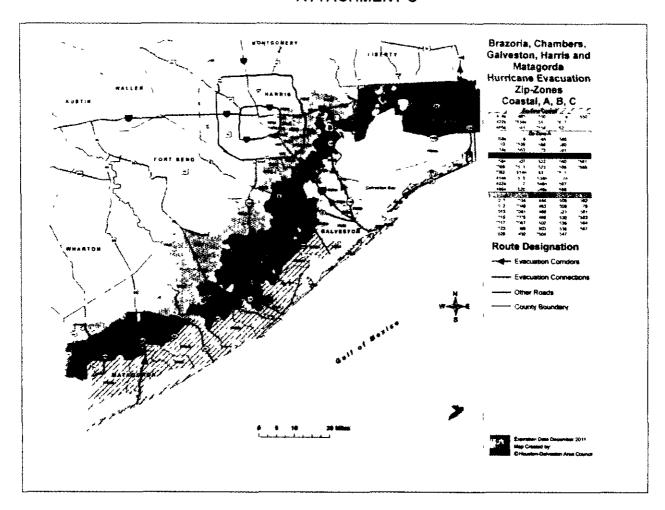

COORDINATION WITH GALVESTON COUNTY

Galveston County has two representatives on the MACC – a representative for the County, and a representative for the City of Galveston. The County's MACC representatives or their alternates will participate in conference calls with the Region when a disaster occurs or is imminent. The MACC will most likely be activated to

discuss evacuation issues and to ensure Galveston County can safely evacuate prior to the mandatory evacuation of surrounding counties

The MACC organization and staff at H-GAC will be responsible for notifying Galveston County's MACC representatives of conference calls, meetings, etc. MACC conference calls will be conducted after Galveston County jurisdiction conference calls to ensure the latest information is conveyed to the Houston region about local planning efforts.

FLOOD DAMAGED PROPERTY CONTRACT FOR SALE

THIS AGREEMENT is made and entered into this 2011, by and between Galveston County a political subdivision of the State of Texas ("County"), and Samuel Hearring, ("Seller"), regardless of the number of signatories

County is acting under a federal grant from the Texas Division of Emergency Management (TDEM) and /or Texas Department of Housing and Community Affairs (TDHCA) desires to purchase from Seller all that certain tract or parcel of land together with all improvements located thereon located in Galveston County, Texas ("Premises") more particularly described as follows, to-wit. 947 Ball Ln, Legal Description ABST 31 R BARROW 130 FT X 190 FT PT OF LOT 2 CADE SD.

DIV 2 & IMPS and ABST 31 R BARROW PTS LOTS 1 & 2 CADE S/D DIM IRREG

Seller represents and understands

- The Premises was damaged by flood,
- Seller qualifies for the assistance being granted under the federal grant;
- The Seller has no obligation to sell the Premises under this program and does so voluntarily, and
- That if Seller withdraws from this sale, County will not exercise its power of eminent domain but will release Seller from the terms and conditions of this Contract for Sale

The parties agree as follows

- 1 Seller agrees to sell the Premises described above to County for the sum of \$225,000 00 and to execute and deliver a good and sufficient General Warranty Deed conveying marketable title to said Premises in fee simple, clear of all liens and encumbrances.
- 2 County agrees to pay Seller for said Premises the sum of \$225,000 00 payable at closing after the acceptance of this Agreement and approval of Seller's title
- 3 Seller acknowledges that the price to be paid for the property is seventy-five percent (75%) of the pre-flood value of \$300,000 00 with deductions for any insurance payment received by SELLER for structural damage from flood insurance of \$0.00 and structural damage from wind insurance of \$0.00 and \$0.00 for any Disaster Housing Assistance program (DHA) (structural repairs) and/or \$0.00 for Other Needs Assistance (ONA) for which SELLER cannot document as expended on repair of the damaged structure, and a reimbursement of \$0.00 for certain repairs for which receipts were provided have been added.
- 4 Seller's proceeds from the sale of the Premises shall first be applied to satisfy all liens on the property, including real estate taxes, which are due and payable to the date of settlement
- 5 Seller understands that Hazard Mitigation Grant Program funds being used for the purchase of the Premises cannot and will not duplicate benefits received by Seller for the same or from any other funds Seller agrees to return any disaster aid monies received if such monies amount to a duplicity of benefits
- 6 Seller will execute all necessary documents to transfer good and marketable fee simple title to the Premises to County Seller also agrees to execute now and in the future, any and all documents required by County and/or GDEM to complete this transaction and to comply with County, state or federal regulations relating to the federal grants
- 7 Seller will not, without prior written notification to and written approval received from County, remove any improvements on the Premises. Upon application to remove such improvements Seller must provide appraisals of such improvements as is required by County. The value of the improvements allowed to be removed by County, as unilaterally determined by County, will be deducted from the purchase price at closing or, if post closing, paid by Seller to County within ten (10) days after removal
- 8 Seller agrees that no fixtures materials or improvements to the real estate may be removed by Seller or by anyone acting under his direction or with his permission from the Premises
- 9 Seller also agrees that due to the price he is paid for the Premises and due to third party hability concerns, he will not be permitted by County to salvage any materials now or at time of demolition. Should such materials be removed, the purchase price for the Premises will be reduced to correspond with the fair market value of the Premises less the fair market value of the materials removed.
- 10 Seller understands this is a voluntary transaction. Accordingly, Seller further understand that he is not entitled to relocation benefits provided by the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA), and will not claim any such benefits

9170276E

1! Seller acknowledges that he has had an opportunity to review this Contract for Sale, that he has had an opportunity, if he so chose, to engage the services of an attorney of his choice to review this document, that he has executed this Contract for Sale fully understanding its terms and conditions and the nature thereof and that he Saves and Holds Harmless County, TDEM and TDHCA incurred by Seller as a result of executing this Contract for Sale, and/or for selling the Premises to County.

12 This Contract for Sale is binding upon Seller's and County's heirs, executors, successors and assigns
